El Stock De Capital En Espana Y Su Distribucion Territorial 1964

Matilde Mas, Robert Stehrer

El Stock De Capital En Espana Y Su Distribucion Territorial 1964:

El stock de capital en España y su distribución territorial (1964-2002) ,2005 El stock y los servicios del capital en España (1964-2002) Francisco Pérez García,2005 El stock de capital en España y su distribución territorial (1964-2000) Matilde Mas,2003 Este libro actualiza y completa la información estadística sobre el stock de capital en España y su distribución territorial

Series históricas de capital público en España y su distribución territorial (1900-2005) Vicent Cucarella Tormo,2009 La Fundación BBVA y el Ivie publican estimaciones periódicas de las dotaciones de capital en España desde 1995 Continuando con este esfuerzo el presente volumen ofrece una novedosa panorámica de la actividad inversora del sector público al presentar por primera vez una visión de muy largo plazo que amplía el horizonte temporal a 1900 y cubre además de un siglo de la historia de España La información elaborada en esta obra que está disponible para su consulta en el sitio web de la Fundación BBVA permite analizar la estrategia inversora del sector público en partidas tan importantes para el crecimiento y el bienestar como las infraestructuras la sanidad o la educación Las series de inversión del sector público clasificadas por funciones de gasto y por agentes inversores comprenden un largo periodo que abarca desde 1900 hasta 2005 Las series de stock de capital público correspondientes respetan la misma clasificación por funciones aunque no contemplan la diferenciación por agentes inversores debido al constante cambio en la titularidad del capital existente durante el largo periodo analizado y en particular durante los últimos veinticinco años Además presentan la distribución por comunidades autónomas y provincias constituyendo una importante herramienta para analizar la evolución territorial del capital público a lo largo de más de un siglo Esta desagregación territorial permite una mejor evaluación de las políticas públicas y del análisis del impacto del capital público sobre el crecimiento y la convergencia regional o provincial

El stock y los servicios del capital en España y su distribución territorial (1964-2003) Vicent Cucarella Tormo,Juan Carlos Robledo Domínguez,Lorenzo Serrano Martínez,2006 En ella se ofrece información estadística sobre el stock de capital en España y su distribución territorial así como un análisis de los procesos de capitalización y crecimiento económico de las economías regionales En esta base de datos se recogen las aportaciones técnicas de los últimos años en este campo y se ofrece la primera estimación de la distribución territorial por comunidades autónomas y provincias basada en el nuevo enfoque de la OCDE Además de facilitar los resultados que se presentan en el libro de forma desagregada y en formato PDF el CD Rom recoge información estadística en dos anexos que presentan resultados detallados acerca de la inversión y el stock de capital anexo A y de las tasas de variaciones e índices acumulados anexo B Ambos anexos con datos tanto de ámbito nacional 1964 2003 como de distribución territorial organizados por provincias 1964 2001 se ofrecen en formato xls con el fin de garantizar el fácil acceso y manejo de los mismos Los trabajos publicados son resultado de un amplio proyecto de investigación desarrollado por un equipo de expertos del Instituto Valenciano de Investigaciones Económicas Ivie y de la Universidad de Valencia en colaboración con la Fundación BBVA

La distribución territorial del capital público en España, 1900-2006 , **El stock y**

los servicios del capital en España y su distribución territorial (1964-2005): nueva metodología, 2006 Este libro amplía y actualiza el volumen anterior *El stock y los servicios del capital en España y su distribución territorial 1964-2003* nueva metodología y aplica las recomendaciones metodológicas de la OCDE a la investigación de la economía regional en España. Presenta estimaciones de stocks de capital bruto neto y productivo localizadas en las comunidades autónomas y sus provincias y también en el conjunto de España completando la serie hasta 2005. Se parte de una desagregación de la inversión por dieciocho tipos de activos manteniendo el máximo detalle de las infraestructuras públicas y de tres activos que configuran las nuevas tecnologías de la información y de la comunicación. De este modo se podrá estudiar con mayor precisión el proceso de acumulación de capital sus efectos sobre el crecimiento y los determinantes de la productividad. La actualización y mejora de la base documental que se presenta en un CD adjunto permitirán analizar de manera detallada problemas sustantivos para la economía española actual como el ritmo de inversión y acumulación, la estructura de la inversión por tipos de activos y el stock en cada territorio o los ritmos de acumulación de cada activo en los diferentes territorios y el crecimiento de los servicios del capital en ellos.

Capital público en España Eva Benagés Candau, Vicent Cucarella Tormo, 2015-06-17 Este informe presenta la última actualización de las series históricas de capital público desarrolladas conjuntamente por la Fundación BBVA y el Ivie y analiza los resultados más recientes. La base de datos cubre un periodo de más de 100 años (1900-2012) y las series se ofrecen desagregadas por agentes inversores, funciones de gasto público, comunidades autónomas y provincias. La riqueza de las estimaciones ofrecidas permite estudiar las características de la acumulación de capital público desde múltiples puntos de vista y con el suficiente detalle como para convertir este banco de datos en un instrumento básico en el análisis de la evolución territorial de las inversiones y el capital público con claras implicaciones en la evaluación y diseño de políticas públicas y el análisis del impacto del capital público sobre el crecimiento y la convergencia. El presente informe analiza la trayectoria de la inversión y el capital público en España y sus regiones y provincias durante la última etapa de crecimiento y posterior crisis económica (1995-2012) enmarcando el comportamiento de estos años en una visión de más largo plazo.

Regional Policy, Economic Growth and Convergence Juan R. Cuadrado-Roura, 2009-10-30 Many European, Latin American and Asian countries have experience with regional policies aiming to reduce regional disparities in GDP per capita and/or to develop problem regions helping to recover from its GDP decrease. Spain represents without any doubt a very rich and interesting case study regarding regional problems and regional development policies. The aim of this book is not only to analyze the regional policies practiced, their objectives, instruments and effects, but to provide an in-depth analysis on the impact of investments in infrastructure, human capital and other factors, as well as the advances accomplished in terms of productivity, convergence and regional competitiveness. The book particularly wants to impart knowledge which can be useful for other countries' policy makers as well as for academics, researchers and consultants. The contributions selected have been written by prestigious Spanish academics, most of them also having practical experience in the field.

Composición de la

inversión y productividad del capital , *New Frontiers in Conflict Management, Peace Economics and Peace Science*
Madhumita Chatterji, Partha Gangopadhyay, 2021-02-15 This volume will improve our collective understanding of how to fight humanity's persistent and tragic problems with conflicts climate shocks and disasters The authors of this volume will offer deep insights from their research into the nature of evolving challenges to both global and local sustainability

Accessibility and Spatial Interaction Ana Condeço-Melhorado, Aura Reggiani, Javier Gutiérrez, 2014-12-31 The concept of accessibility is linked to the level of opportunities available for spatial interaction flows of people goods or information between a set of locations through a physical and or digital transport infrastructure network Accessibility has proved to be a crucial tool for understanding the framework of sustainability policy in light of best practice planning and decision making processes Methods such as cost benefit analysis multi criteria analysis and risk analysis can benefit greatly from embedding accessibility results

Quality and Inequality in Regional and Urban Systems Karima Kourtiti, Peter Nijkamp, Roger Stough, 2019-11-25 In the aftermath of both ongoing globalisation with both widening and deepening effects on countries regions and cities and structural changes resulting from the 2008 economic recession regions and cities in our world are confronted with a different arena of players performances and institutions The challenges are formidable and numerous Many regions and cities seem to resort to their indigenous strength without much regard to other players in the field This has enormous consequences for the competitive behaviour and profile of regional and urban actors but has at the same time deep impacts on the distribution of wealth income and employment over and within countries regions and cities There is indeed much evidence that disparities among regions and in cities are increasing in this new force field This special issue of REGION makes a solid scientific attempt i to map out the spatial consequences of recent transitions in growth trajectories of countries or regions and ii to trace policy strategies and design effective policy information to cope adequately with these new challenges The present special issue does so by highlighting the new force field of regional and urban dynamics from three angles in the context of spatial quality and inequality These will be briefly sketched below

Industrial Productivity in Europe Matilde Mas, Robert Stehrer, 2012-01-01 This book analyses growth at the total economy and industry level from an international perspective providing unique cross country comparisons The authors focus on the EU 25 countries but also include the US Japan and Korea The chapters explore growth patterns from a long run perspective although greater attention is paid to the period of expansion from 1995-2007 and the post 2008 period of crisis Each contribution builds on a common methodology based on a detailed database providing a high degree of disaggregation with respect to the industries and factors accounting for growth The role played by ICT is expertly emphasized in particular the different paths followed in the US and the EU This topical book will prove to be an unrivalled source of comparative data for academics practitioners and policymakers alike

Claves del desarrollo a largo plazo de la economía española Francisco Pérez García, 2007 Esta obra recoge uno de los ciclos de Conferencias Magistrales que organizado por la Fundación BBVA impartió el profesor Francisco P

En sus ponencias el autor analiza las causas y consecuencias de los grandes cambios económicos y sociales producidos en España durante la segunda mitad del siglo pasado así como las expectativas de progreso material que nos ofrecen los primeros años del presente. A diferencia de otras monografías publicadas sobre el tema, el desarrollo económico español se estudia en estas lecciones desde una perspectiva de largo plazo lo que ayuda a comprender la importancia que representan para las grandes transformaciones los pequeños cambios acumulados a lo largo del tiempo. Del mismo modo, este enfoque permite identificar la variedad de circunstancias que han debido darse y la amplitud de factores que han contribuido a que la actual sociedad española viva una etapa de progreso y prosperidad sin precedentes. El análisis del autor, apoyado en una abundante información estadística y libre de tecnicismos, facilita la comprensión de algunos problemas que aún hoy siguen sin resolverse y advierte de los posibles riesgos al evitar aconsejando determinados pasos a fin de asegurar la continuidad del progreso en España.

Las dotaciones en tecnologías de la información y la comunicación (TIC) en España, **The Political Economy of Governance** Norman Schofield, Gonzalo Caballero, 2015-05-27. Understanding the governance of nations is a key challenge in contemporary political economy. This book provides new advances and the latest research in the field of political economy dealing with the study of institutions, governance, democracy and elections. The volume focuses on issues such as the role of institutions and political governance in society, the working of democracy and the electoral performance in several case studies. The chapters involve cutting edge research on many different countries including the USA, Great Britain, Germany, Spain and the Third World. The authors of the chapters are leading scholars in political economy from America, Europe and Asia.

Oversight of the GSA and Energy Efficiency in Public Buildings United States Congress, Senate, Committee on Environment and Public Works, 2015.

La capitalización de la economía española, Acumulación y productividad del capital en España y sus comunidades autónomas en el siglo XXI Eva Benages Candau, Juan Carlos Robledo Domínguez, 2017-04-10. Acceder a la información estadística del estudio. Este informe presenta los principales resultados de las últimas estimaciones relativas a la inversión y las dotaciones de capital para la economía española desarrolladas conjuntamente por la Fundación BBVA y el IVE. La base de datos cubre el período 1964-2014 utilizando la metodología más actualizada propuesta por la OCDE 2009 y el Sistema Europeo de Cuentas SEC 2010. Los datos se ofrecen ampliamente desagregados por activos incluyendo el activo fijo en los sectores comunidades autónomas y provincias. La riqueza de las estimaciones ofrecidas permite estudiar las características de la capitalización desde múltiples puntos de vista lo que convierte al banco de datos en un instrumento básico para el estudio de las fuentes del crecimiento en España. En esta ocasión el análisis se centra en la evolución de las trayectorias de inversión y el stock de capital a largo plazo durante el presente siglo enmarcándolo en una visión de más largo plazo. También se examina la productividad del capital desde una perspectiva internacional comparada. Los autores reflexionan sobre las perspectivas del stock de capital en España y los cambios necesarios para que la acumulación de capital contribuya al crecimiento futuro orientado por las ganancias de productividad.

El Stock De Capital En Espana Y Su Distribucion Territorial 1964 Introduction

In the digital age, access to information has become easier than ever before. The ability to download El Stock De Capital En Espana Y Su Distribucion Territorial 1964 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download El Stock De Capital En Espana Y Su Distribucion Territorial 1964 has opened up a world of possibilities. Downloading El Stock De Capital En Espana Y Su Distribucion Territorial 1964 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading El Stock De Capital En Espana Y Su Distribucion Territorial 1964 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download El Stock De Capital En Espana Y Su Distribucion Territorial 1964. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading El Stock De Capital En Espana Y Su Distribucion Territorial 1964. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading El Stock De Capital En Espana Y Su Distribucion Territorial 1964, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download El Stock De Capital En Espana Y Su Distribucion Territorial 1964 has transformed the way we access information. With the convenience, cost-effectiveness,

and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About El Stock De Capital En Espana Y Su Distribucion Territorial 1964 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. El Stock De Capital En Espana Y Su Distribucion Territorial 1964 is one of the best book in our library for free trial.
