El Poder Presidencial Adolfo Ruiz Cortines:

El poder presidencial Juan José Rodríguez Prats, 1992 **Dictablanda** Paul Gillingham, Benjamin T. Smith, 2014-04-02

In 1910 Mexicans rebelled against an imperfect dictatorship after 1940 they ended up with what some called the perfect dictatorship. A single party ruled Mexico for over seventy years holding elections and talking about revolution while overseeing one of the world's most inequitable economies. The contributors to this groundbreaking collection revise earlier interpretations arguing that state power was not based exclusively on hegemony, corporatism, or violence. Force was real but it was also exercised by the ruled. It went hand in hand with consent produced by resource regulation, political pragmatism, local autonomies, and a popular veto. The result was a dictablanda, a soft authoritarian regime. This deliberately heterodox volume brings together social historians, anthropologists, sociologists, and political scientists to offer a radical new understanding of the emergence and persistence of the modern Mexican state. It also proposes bold multidisciplinary approaches to critical problems in contemporary politics. With its blend of contested elections, authoritarianism, and resistance, Mexico foreshadowed the hybrid regimes that have spread across much of the globe. Dictablanda suggests how they may endure. Contributors: Roberto Blancarte, Christopher R. Boyer, Guillermo de la Peña, Teresa Fernández Aceves, Paul Gillingham, Rogelio Hernández Rodríguez, Alan Knight, Gladys McCormick Tanals Padilla, Wil G. Pansters, Andrew Paxman, Jaime Pensado, Pablo Piccato, Thomas Rath, Jeffrey W. Rubin, Benjamin T. Smith, Michael Snodgrass.

Historia de Mexico Vol. II Gloria Delgado, 2007. This book permits one to evaluate the role of History as an integrated science and to know the most important accomplishments in Mexican history since the pre-Spanish period through 1821. It is a consolidated work for it adhering to scientific research in History and for the simplicity of the explanations. It addresses the historical facts with roots with political, economic, social, ideological, scientific, and artistic aspects.

Historia de Mexico, Legado Histórico Y Pasado Reciente Gloria M. Delgado de Cantú, 2004 **Handbook of Latin American Studies** Dolores Moyano Martin, P. Sue Mundell, 1997-12-01. Beginning with volume 41, 1979, the University of Texas Press became the publisher of the Handbook of Latin American Studies, the most comprehensive annual bibliography in the field. Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 130 specialists in various disciplines, the Handbook alternates from year to year between social sciences and humanities. The Handbook annotates works on Mexico, Central America, the Caribbean, and the Guianas, Spanish South America, and Brazil, as well as materials covering Latin America as a whole. Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research underway in specialized areas. The Handbook of Latin American Studies is the oldest continuing reference work in the field. Dolores Moyano Martin of the Library of Congress Hispanic Division has been the editor since 1977, and P. Sue Mundell has been assistant editor since 1994. The subject categories for Volume 55 are as follows: Anthropology, including Archaeology and Ethnology; Economics; Electronic Resources for the Social Sciences; Geography; Government and Politics.

International Relations Sociology *Historia de México* Gloria M. Delgado de Cantú, 2002 **Presidencialismo y hombres fuertes en México.** Rogelio Hernández Rodríguez, 2015-04-09 El presente estudio analiza la circunstancia política y ofrece evidencia histórica suficiente que pone en duda la fortaleza del presidencialismo para subordinar efectivamente a la elite política pero sobre todo para sobreponerse a los poderes regionales La sucesión de 1958 muestra más signos de debilidad institucional que de fortaleza pues la principal amenaza que Ruiz Cortines y por extensión el sistema político enfrentó entonces no era una disidencia más que disputara el dominio política sino la real posibilidad de que políticos tradicionales más cercanos al caciquismo se apoderaran de la Presidencia de la República y trastocaran el rumbo institucional del sistema político

Grandeza y decadencia del poder presidencial en México Patricio Emilio Marcos, 2015-06-22 Habida cuenta de los análisis de este ensayo político la infame situación que padecemos hoy en nuestro país se explica por las circunstancias particulares que nos identifican y definen a lo largo del siglo pasado y el comienzo del tercer milenio sin descartar que hoy nos determina la circunstancia internacional de nuestra vecindad con la nación más poderosa de la Tierra En México el viraje se pretende hacer del régimen presidencial republicano al de una inexistente oligarquía democrática como la estadounidense no como comúnmente se cree a tontas y a locas del mal llamado autoritarismo a la democracia En realidad se trata de un tránsito fantasioso e imposible con consecuencias probadamente calamitosas Todo esto sin que contemos en México con una clase rica independiente del gobierno capaz de entronizar el suyo propio con leyes e instituciones correlativamente plutocráticas como sucede en nuestro vecino septentrional desde las trece colonias del origen Es obvio que en la hora actual la extensión que registra la destrucción de la administración de la presidencia y de la república elementos correlativos nos ha llevado paso a paso a vivir el desgobierno generalizado que se sufre hoy por todos cuya causa es la corrupción de aquella institución por sus ocupantes cosa que irremediablemente produce la ruptura del pacto republicano de la constitución real entre las clases fundamentales de la modernidad los ricos y los pobres con el fin de conseguir una sociedad de clases medias mayoritarias

Stand Up and Fight María L. O. Muñoz, 2016-05-12 In 1975 a watershed moment captivated Mexico as indigenous peoples from across the country came together on the Island of Janitzio for the First National Congress of Indigenous Peoples The congress was a federal government initiative intended to preempt an independent indigenous movement But indigenous groups circumvented the intended containment policies of the congress and made bold demands for political self determination Using previously unavailable documents María L O Muñoz examines the events that led to the congress the meeting itself and developments after the assembly Muñoz shows how indigenous leaders working within Mexico's Department of Colonization and Agrarian Affairs DAAC sidestepped state attempts to control indigenous communities and how they made bold demands that redefined the ways federal and state governments engaged with pueblos indígenas Through research in previously untapped archives Muñoz is able to trace the political history of the indigenous leaders and government officials who redefined the ways indigenous peoples engaged with governments She illustrates the

fluid and evolving power relationships of the key players with a focus on the twelve years of populism in the last decades of the twentieth century This book challenges the discourse of unquestioned power and hegemony of the national ruling party the Institutional Revolutionary Party PRI and it illustrates how indigenous communities in Mexico reimagined their roles in the social political and economic life of the nation *La división de poderes en México* Leticia Bonifaz Alfonzo, 2017-05-31

Ensayo que analiza desde la teoría jurídica y política el desarrollo histórico de la división de poderes dentro de la Constitución Política de los Estados Unidos Mexicanos así como los equilibrios tensiones y contrapesos de esta Se aborda la existencia de una confrontación del modelo ideal planteado con la realidad La autora rastrea los hechos más relevantes en los sexenios presidenciales de Venustiano Carranza a Enrique Peña Nieto que incidieron en el futuro práctico de la división de poderes centrándose en los cambios jurídicos y las decisiones políticas y económicas *Historia de México moderna y contemporánea* Alicia Izaguirre Castro, 2024-10-08

En este libro se describe el trayecto de un pueblo a través de 30 siglos de historia Nació que combina el linaje de los imperios milenarios de América prehispánica junto con el de visionarios conquistadores Una tierra disputada por coronas europeas que logró reclamar su libertad para declararse ante el mundo como un país soberano que hoy afina su joven democracia Un pueblo en busca de su identidad en el caleidoscopio de razas y culturas de manifestos revolucionarios y tratados internacionales de gobiernos hegemónicos y alternancias electorales La historia de México es una historia de contrastes una historia que se mira a sí misma en el tiempo reflejando el inigualable carácter de su pueblo Y en esa mirada este libro presenta un compendio de textos elaborados por las mismas plumas que escribieron sus páginas más oscuras y más gloriosas en un esfuerzo por revivir los momentos que nos definieron como sociedad al día de hoy In from the Cold Gilbert M. Joseph, Daniela Spenser, 2008-01-11

Reexamines the Cold War in Latin America by shifting the focus away from superpower decision making and exploring the many ways in which Latin American leaders and ordinary people used manipulated shaped and were victimized by the Cold War *La Política Partidaria en México (1917-1970) - Volumen II* Arturo Villalpando Rojas, 2018-07-27

La segunda entrega de 200 Años de Vida Política Partidaria en México repasa el lapso donde se cimentó un orden que generó una larga etapa de crecimiento económico y estabilidad social En las páginas de La Política Partidaria en México 1917-1970 quedaron atrás los traumáticos sucesos que agitaron al convulso siglo XIX Las intentonas golpistas las invasiones extranjeras los levantamientos revolucionarios entre otros trances abrieron paso a una inédita reconstrucción material e institucional poblada de contrastes El aserto atiende la etapa enmarcada por el arranque de la administración constitucional de Venustiano Carranza al cierre del gobierno que presidió Gustavo Díaz Ordaz Hablamos de poco más de cinco décadas en que de casi nada tener en pie se pasó a la plenitud de un orden capaz de asegurar certidumbre al devenir nacional Aquí se sucedieron trece gobiernos nacionales que desmenuzamos en sus principales variables para ofrecer una rica visión de lo acontecido enfatizando la paradoja que suscitó la unanimidad en la práctica política la hegemonía electoral el arrastre corporativo y el crecimiento económico frente a la irrupción de grupos subversivos movimientos urbanos populares

desinterés en el voto e incesante desigualdad social. Luego de un arranque enmarcado por levantamientos armados, derrocamientos y magnicidios, brotó un orden político que poco a poco repuso la estabilidad anterior a la Revolución y cuyo epicentro lo asumió un partido de Estado. Y desde ahí transcurrió una sorprendente obra de gobierno que en paralelo casi socavó la vida cívica.

Historia de México 2 Rodríguez Ramos, Juventino, 2020-05-14. Historia de México 2 tiene como propósito dotar a los estudiantes de conocimientos relevantes y pertinentes sobre el devenir histórico de nuestro país a partir de la revisión de las diferentes ideologías al iniciar la vida independiente y cómo se fueron transformando en proyectos de nación. A su vez podrá valorar los logros de las repúblicas federal y central durante las cuales se dieron intervenciones extranjeras que tuvieron como consecuencia la pérdida de territorios que ocasionó la revolución de Ayutla que puso fin a la dictadura de Antonio López de Santa Anna. Todo ello contribuyó a la creación de un nacionalismo plasmado en una nueva Constitución promulgada en 1857. Sin embargo, los conflictos se exacerbaban a tal grado que se dio una nueva intervención que desembocó en el Segundo Imperio Mexicano que posteriormente fue derrotado por los liberales quienes restauraron el sistema republicano. Es así como el estudiante podrá estructurar ideas y argumentos claros sobre hechos históricos que marcaron la vida del México actual como son el arribo de Porfirio Díaz al poder, su consolidación y decadencia.

Antología de lecturas de la Revolución Mexicana Alicia Izaguirre Castro, 2024-10-08. Esta obra presenta una colección de lecturas extraídas de textos universitarios que describen la transición del país durante la Revolución junto con la interpretación y el balance comparativo de las ideas plasmadas en los planes, los tratados y los convenios que dieron forma a las instituciones de la actualidad. El propósito de esta obra es fomentar en el lector el hábito de la lectura en el análisis y la interpretación de los acontecimientos históricos que definieron el México contemporáneo.

Handbook of Latin American Studies, 1997. Contains scholarly evaluations of books and book chapters as well as conference papers and articles published worldwide in the field of Latin American studies. Covers social sciences and the humanities in alternate years.

Constitucionalismo crítico Diego Valadés, 2021-04-28. Las crisis profundas siempre han tenido impacto en las instituciones políticas. La pandemia por COVID-19 puso a prueba la capacidad de acción de los gobernantes en todo el planeta. Esto permitió observar las diferentes respuestas con relación a un mismo fenómeno. En algunos sistemas prevalecieron los procedimientos institucionales; en otros dominaron las decisiones personales. También se hicieron ostensibles realidades sociales como la desigualdad. México ejemplifica los problemas de desigualdad y de ejercicio hegemónico del poder. En la fase que siga a la crisis habrá que corregir la concentración del poder que propicia corrupción e ineptitud y fortalecer las vías democráticas de ejercicio del poder. El autor de esta obra se refiere al constitucionalismo crítico como el que es capaz de atender las expectativas de una sociedad plural y de diseñar instituciones democráticas funcionales.

Facciones, Corrientes y Partidos Políticos (1911-1958) - Volumen 2 Arturo Villalpando Rojas, 2024-08-18. La odisea del caos al orden ocupa el centro de nuestra segunda entrega. El siglo XIX había cerrado bajo una etapa de estabilidad que inesperadamente fue derrumbada por el vendaval de la Revolución. De ahí regresó

bamos al conflicto sin tregua entre grupos de muy diversa procedencia que brotaron en la arena política y militar para hacer valer sus intereses de clase. Con su lucha desapareció la preciosa gobernabilidad del periodo porfirista e iniciaba un tortuoso trayecto en busca de un entramado institucional que pudiera dar curso a las exigencias que venían enfrentando el país. Hablamos de medio siglo de historia donde el roce entre corrientes o facciones permitió erigir de entre los escombros un orden social que supo encauzar el progreso y la modernidad aunque también no logró impedir que los índices en pobreza, desigualdad y democracia acumulasen rezagos con capacidad para poner en jaque la estabilidad y el porvenir.

De la hegemonía a la ignominia Joy K Langston, El PRI fue una de las bases del régimen autoritario de México de hecho fue difícil distinguir entre el partido y el régimen. A partir de las múltiples crisis económicas y políticas entre las décadas de 1970 y 1980 el control del partido sobre los resultados electorales empezó a debilitarse mientras el poder de la oposición crecía. Sin embargo aun fuera de la presidencia el PRI no desapareció sino que siguió ganando elecciones libres y justas en todas las regiones del país. De la Hegemonía a la Ignominia explora cómo las instituciones políticas mexicanas ayudaron al partido a sobrevivir los embates de la democracia gracias a la cooperación entre dos grandes actores partidistas. Sus gobernadores y el Comité Ejecutivo Nacional. Para mostrar empíricamente la capacidad de los líderes y políticos del partido para adaptarlo a la competencia en las urnas la autora compara la selección de candidatos en los años autoritarios con los años democráticos la forma de llevar a cabo las campañas y el control de los líderes en el Congreso. Tras dos años de su publicación en inglés esta edición en español ofrece un análisis de por qué el PRI fue capaz de sobrevivir los años fuera de la presidencia 2000-2012 pero sufrió tanto los años de su regreso al poder máximo con Enrique Peña Nieto a tal grado que hoy en día se ve en los peores momentos de su vida organizacional.

La lucha por la hegemonía en México, 1968-1990 Miguel Basáñez, 1990 La lucha por la hegemonía en México es una penetrante investigación en la que el autor sintetiza con objetividad y rigor académico los últimos veintidós años de vida política en México. Su preocupación se centra en los tres sectores sociales que luchan por ganar la hegemonía: el público, el privado y la disidencia. Se analiza la composición social, la organización política y los rasgos ideológicos de cada uno de estos sectores para llegar a definir cuáles son los grupos poderosos que toman las principales decisiones en el país o que influyen de manera importante en el curso de la vida económica y política. Ante los acontecimientos políticos la disyuntiva básica es si la hegemonía después de 1968 continuaba en manos del sector público o pasaba al sector privado. El análisis de la economía indica que la opción se plantea entre una orientación hacia un proyecto nacionalista o hacia uno de tipo internacionalista. Al clarificar las raíces sociales, la organización política y los rasgos ideológicos de los sectores sociales así como su comportamiento económico y político se llega a la conclusión que las interpretaciones de la política mexicana en términos de democracia, bonapartismo, corporatismo o populismo son inadecuadas. El autor ofrece dos categorías nuevas en el análisis político: el Estado contradictorio y la política hegemocrática.

Right here, we have countless book **El Poder Presidencial Adolfo Ruiz Cortines** and collections to check out. We additionally allow variant types and then type of the books to browse. The satisfactory book, fiction, history, novel, scientific research, as competently as various new sorts of books are readily open here.
