BY ELEANOR DARK.** Eleanor Dark, 1945 **Backgazing: Reverse Time in Modernist Culture** Paul Giles, 2019-02-14 This volume traces ways in which time is represented in reverse forms throughout modernist culture from the beginning of the twentieth century until the decade after World War II Though modernism is often associated with revolutionary or futurist directions this book argues instead that a retrograde dimension is embedded within it By juxtaposing the literature of Europe and North America with that of Australia and New Zealand it suggests how this antipodean context serves to defamiliarize and reconceptualize normative modernist understandings of temporal progression Backgazing thus moves beyond the treatment of a specific geographical periphery as another margin on the expanding field of New Modernist Studies Instead it offers a systematic investigation of the transformative effect of retrograde dimensions on our understanding of canonical modernist texts The title backgazing is taken from Australian poet Robert G Fitzgerald's 1938 poem *Essay on Memory* and it epitomizes how the cultural history of modernism can be restructured according to a radically different discursive map Backgazing intellectually reconfigures US and European modernism within a planetary orbit in which the literature of Australia and the Southern Hemisphere far from being merely an annexed margin can be seen substantively to change the directional compass of modernism more generally By reading canonical modernists such as James Joyce and T S Eliot alongside marginalized writers such as Nancy Cunard and others and relatively neglected authors from Australia and New Zealand this book offers a revisionist cultural history of modernist time one framed by a recognition of how its measurement is modulated across geographical space *Storm Of Time* Eleanor Dark, 2013-08-01 Book two of *The Timeless Land* trilogy *The Storm of Time* continues Eleanor Dark's sweeping saga of colonial Sydney under governors Hunter King and Bligh Sydney Cove 1799 and three years since Governor Phillip departed Against a background of continuing convict settlement hunger rebellion and the terrifying force of a barely understood land the saga of Ellen Prentice and the Mannion family continues Stephen Mannion marries the lovely Conor Moore and brings her back for Ellen to serve Johnny Prentice goes bush and re-emerges for one last confrontation with his old master **The Art of Time Travel** Tom Griffiths, 2017-07-03 No matter how practised we are at history it always humbles us No matter how often we visit the past it always surprises us Winner of the Ernest Scott Prize and shortlisted for the NSW Premier's Literary Award for Non-fiction A

rare feat of imagination and generosity Mark McKenna With every sentence they write historians must walk the tightrope between discipline and imagination empathy and evidence In this landmark work eminent historian and award winning author Tom Griffiths shares his passion for the fascinating complex craft of history or as he calls it the art of time travel In fourteen portraits Griffiths illuminates how historians such as Inga Clendinnen Judith Wright Geoffrey Blainey and Henry Reynolds have approached their craft In prose both earthy and elegant he shows the new insights they have brought to Australian history and in so doing reshapes our shared knowledge of this continent The Art of Time Travel is an exhilarating book that will forever change the way you think of Australia s past If the past is a foreign country Tom Griffiths makes the perfect travelling companion Let him be your eyes and ears on our shared history Most of all follow his heart Clare Wright
