**Financial Disclosure Reports of Members of the U.S. House of Representatives of the ... Congress from ... Submitted to the Clerk of the House Pursuant to 2 U.S.C. [section] 703(a).** United States. Congress. House,2011 **Is Uncle Sam Still Passing the Buck?** United States. Congress. House. Committee on Government Reform,2005

In Our Time Susan Brownmiller,2000-11-07 There once was a time when the concept of equal pay for equal work did not exist when women of all ages were girls when abortion was a back alley procedure when there was no such thing as a rape crisis center or a shelter for battered women when sexual harassment had not yet been named and defined If conditions are right Susan Brownmiller says in this stunning memoir if the anger of enough people has reached the boiling point the exploding passion can ignite a societal transformation In Our Time tells the story of that transformation as only Brownmiller can A leading feminist activist and the author of *Against Our Will* the book that changed the nation's perception of rape she now brings the Women's Liberation movement and its passionate history vividly to life Here is the colorful cast of characters on whose shoulders we stand the feminist icons Betty Friedan Kate Millett Germaine Greer and Gloria Steinem and the lesser known women whose contributions to change were equally profound And here are the landmark events of the era the consciousness raising groups that sprung up in people's living rooms the mimeographed position papers that first articulated the new thinking the abortion and rape speak outs the daring sit ins the underground newspaper collectives and the inventive lawsuits that all played a role in the most wide reaching revolution of the twentieth century Here as well are Brownmiller's reflections on the feminist utopian vision and her dramatic accounts rendered with honesty and humor of the movement's painful internal schisms as it struggled to give voice to the aspirations of all women Finally Brownmiller addresses that most relevant question What is the legacy of feminism today

**The Movement** Clara Bingham,2024-07-30 A comprehensive and engaging oral history of the decade that defined the feminist movement including interviews with living icons and unsung heroes from former Newsweek reporter and author of the powerful and moving *New York Times* *Witness to the Revolution* For lovers of both Barbie and Gloria Steinem *The Movement* is the first oral history of the decade that built the modern feminist movement Through the captivating individual voices of the people who lived it *The Movement* tells the intimate inside story of what it felt like to be at the forefront of the modern feminist crusade when women rejected thousands of years of custom and demanded the freedom to be who they wanted and needed to be This engaging history traces women's awakening organizing and agitating between the years of 1963 and 1973 when a decentralized collection of people and events coalesced to create a spontaneous combustion From

Betty Friedan's *The Feminine Mystique* to the underground abortion network the Janes to Shirley Chisholm's presidential campaign and Billie Jean King's 1973 battle of the sexes Bingham artfully weaves together the fragments of that explosion person by person bringing to life the emotions of this personal cultural and political revolution Artists and politicians athletes and lawyers Black and white *The Movement* brings readers into the rooms where these women insisted on being treated as first class citizens and in the process changed the fabric of American life     *EEOC Enforcement of the Age Discrimination in Employment Act* United States. Congress. House. Select Committee on Aging, 1980     *Operations of Federal Judicial Misconduct Statutes* United States. Congress. House. Committee on the Judiciary. Subcommittee on Courts, the Internet, and Intellectual Property, 2001
