# Electoral Origins Of Divided Government

**Harold F. Bass Jr.**

## **Electoral Origins Of Divided Government:**

*The Electoral Origins Of Divided Government* Gary Jacobson, 2019-07-11 Is divided government a Republican president and a Democratic Congress the product of diminished competition for seats in the U S House of Representatives In this groundbreaking study Gary C Jacobson uses a detailed analysis of the evolution of competition in postwar House elections to argue that the problems Republicans face in seeking House seats are political rather than structural With abundant graphic illustration he shows that divided government is only one piece of a much broader electoral pattern that is creating new opportunities as well as new barriers to partisan change in the House He examines shifts in the incumbency advantage campaign finance practices the swing ratio and other related phenomena but he turns up little evidence that they are to blame for divided government More important he argues are trends in partisan opposition the quality of candidates campaigns issues and career strategies As individual candidates and campaigns have become more important in winning elections the weakness of Republican House candidacies has prevented the party from taking more seats away from the Democrats Jacobson contends that the House is not nearly as insulated from electoral change as recent elections might suggest The notion that House elections are no longer capable of reflecting popular preferences is he concludes simply wrong

*The Electoral Origins Of Divided Government* Gary Jacobson, 2019-09-13 Is divided government a Republican president and a Democratic Congress the product of diminished competition for seats in the U S House of Representatives In this groundbreaking study Gary C Jacobson uses a detailed analysis of the evolution of competition in postwar House elections to argue that the problems Republicans face in seeking House seats are political rather than structural With abundant graphic illustration he shows that divided government is only one piece of a much broader electoral pattern that is creating new opportunities as well as new barriers to partisan change in the House He examines shifts in the incumbency advantage campaign finance practices the swing ratio and other related phenomena but he turns up little evidence that they are to blame for divided government More important he argues are trends in partisan opposition the quality of candidates campaigns issues and career strategies As individual candidates and campaigns have become more important in winning elections the weakness of Republican House candidacies has prevented the party from taking more seats away from the Democrats Jacobson contends that the House is not nearly as insulated from electoral change as recent elections might suggest The notion that House elections are no longer capable of reflecting popular preferences is he concludes simply wrong

*The Electoral Origins Of Divided Government* Gary Jacobson, 1990-09-09 Is divided government a Republican president and a Democratic Congress the product of diminished competition for seats in the U S House of Representatives In this groundbreaking study Gary C Jacobson uses a detailed analysis of the evolution of competition in postwar House elections to argue that the problems Republicans face in seeking House seats are political rather than structural With abundant graphic illustration he shows that divided government is only one piece of a much broader electoral pattern that is

creating new opportunities as well as new barriers to partisan change in the House He examines shifts in the incumbency advantage campaign finance practices the swing ratio and other related phenomena but he turns up little evidence that they are to blame for divided government More important he argues are trends in partisan opposition the quality of candidates campaigns issues and career strategies As individual candidates and campaigns have become more important in winning elections the weakness of Republican House candidacies has prevented the party from taking more seats away from the Democrats Jacobson contends that the House is not nearly as insulated from electoral change as recent elections might suggest The notion that House elections are no longer capable of reflecting popular preferences is he concludes simply wrong *The Electoral Origins of Divided Government* Gary Jacobson, 2021-06-02 Is divided government a Republican president and a Democratic Congress the product of diminished competition for seats in the U S House of Representatives In this groundbreaking study Gary C Jacobson uses a detailed analysis of the evolution of competition in postwar House elections to argue that the problems Republicans face in seeking House seats are political rather than structural With abundant graphic illustration he shows that divided government is only one piece of a much broader electoral pattern that is creating new opportunities as well as new barriers to partisan change in the House He examines shifts in the incumbency advantage campaign finance practices the swing ratio and other related phenomena but he turns up little evidence that they are to blame for divided government More important he argues are trends in partisan opposition the quality of candidates campaigns issues and career strategies As individual candidates and campaigns have become more important in winning elections the weakness of Republican House candidacies has prevented the party from taking more seats away from the Democrats Jacobson contends that the House is not nearly as insulated from electoral change as recent elections might suggest The notion that House elections are no longer capable of reflecting popular preferences is he concludes simply wrong Modern America and the Legacy of the Founding Ronald J. Pestritto, Thomas G. West, 2007-01-01 This is the third and final volume in the series on American political thought edited by Ronald J Pestritto and Thomas G West The book addresses how the major themes in American political thought identified in the first two books of the series have played out in the world of modern American politics The first volume focused on the founding era and examined the prevalence of social compact theory among the founders and implications of that theory for the design of American institutions The second volume examined the major challenges that nineteenth century thought posed to the political ideas of the founding and suggested that these challenges created tensions that would significantly affect the development of American politics in the twentieth century and beyond In *Modern America and the Legacy of the Founding* the authors address these fundamental tensions how does modern America resolve the inherent conflict between the original constitutional order and the challenges posed by modern liberalism The authors look at the contemporary effects of this fundamental tension on questions of foreign policy and domestic policy and on questions of our national political institutions and the ideas that shape them today

**Interpreting Congressional Elections** Jeffrey M. Stonecash, 2018-06-12 The increase in the incumbency effect has long dominated as a research focus and as a framework for interpreting congressional elections This important new book challenges the empirical claim that incumbents are doing better and the research paradigm that accompanied the claim It also offers an alternative interpretation of House elections since the 1960s In a style that is provocative yet fair learned and transparent Jeffrey Stonecash makes a two pronged argument frameworks and methodologies suffer when they stop being critically considered and patterns of House elections over the long term actually reflect party change and realignment A must read for scholars and students of congressional elections

*The Politics of Congressional Elections* Gary C. Jacobson, Jamie L. Carson, 2015-12-16 Gary Jacobson's classic text provides students with a comprehensive introduction to congressional elections and the electoral process Based on the latest data from the National Election Study the Cooperative Congressional Elections Study and the Federal Election Commission the Ninth Edition has been brought completely up to date including coverage and analysis of the 2012 and 2014 elections New coauthor Professor Jamie L. Carson of the University of Georgia brings to bear new insights into the changing roles of voters Congress political parties and the media Pairing historical data analysis and original research with fundamental concepts of representation and responsibility *The Politics of Congressional Elections* presents students with the tools to evaluate representative government as well as their own role in the electoral process

**Models of Voting in Presidential Elections** Herbert F. Weisberg, Clyde Wilcox, 2004 Chapters in this book were originally commissioned for a conference held at the Mershon Center on the Ohio State University campus March 7-10 2002 Preface

**Horses in Midstream** Andrew E. Busch, 1999-08-15 *Horses in Midstream* breaks the mold of midterm election literature by focusing on the consequences of midterm elections rather than on the causes of the anti administration pattern of those elections The book concludes that the midterm pattern has two primary consequences it stymies the President and provides an opportunity for the revitalization of the opposition party and that numerical losses by the President's party is really only a small part of the equation Consequently midterm elections can be considered an additional check in the U.S. political system acting as a mechanism that helps to assure rough two party balance In examining the historical results from midterm elections dating back to 1894 and extending to the surprising result of 1994 and 1998 Busch has uncovered seven consistent ways in which the president and his party are harmed by midterm elections These elections unfavorably alter the composition of congress both between the parties and within the President's own party they deprive the President of the plebiscitary power derived from his original electoral mandate they give an intangible sense of momentum to the opposition party leading to renewed opportunities for the opposition to put forward new leaders and to develop winning issues they exacerbate splits within the President's own party and they provide the opposition party with expanded party building opportunities at the state level Busch also places the midterm elections into four categories preparatory midterms which contribute to a subsequent change in party control of the Presidency calibrating midterms in which voters slow but do

not reverse extraordinary periods of Presidentially driven change normal midterms when midterm elections stymie the President without contributing to a White House takeover and the rare creative exceptions when an administration escapes the midterm curse at the polls and find themselves invigorated rather than weakened

Busch's new approach to midterm elections his well supported conclusions and his clear consistent style will certainly be of interest to political scientists and will translate well to the classroom

*The French Voter* M. Lewis-Beck, 2003-12-18 Why do French voters vote the way they do In this book leading international scholars examine this question from many different angles Special attention is given to the 2002 national elections when right wing extremist Le Pen made such a spectacular showing in the presidential contest Was the first ballot success of Le Pen based on issues of law and order ethnicity nationalism or on the economy What about the role of the traditional factors of social class region religion and left right ideology Do the peculiar electoral institutions of the Fifth Republic foster political extremism or act as a break on it The French Voter considers these issues both in relation to the 2002 contest and past elections

*Dynamics of American Political Parties* Mark D. Brewer, Jeffrey M. Stonecash, 2009-07-31 In *Dynamics of American Political Parties* Mark D Brewer and Jeffrey M Stonecash examine the process of gradual change that inexorably shapes and reshapes American politics Parties and the politicians that comprise them seek control of government in order to implement their visions of proper public policy To gain control parties need to win elections and winning elections requires assembling an electoral coalition that is larger than that crafted by the opposition Parties are always looking for opportunities to build such winning coalitions and opportunities are always there but they are rarely if ever without risk Uncertainty rules and intra party conflict rages as different factions and groups within the parties debate the proper course s of action and battle it out for control of the party Parties can never be sure how their strategic maneuvers will play out and even when it appears that a certain strategy has been successful party leaders are unclear about how long apparent success will last Change unfolds slowly in fits and starts

Going Public Samuel Kernell, 2006-10-18 Presidents are uniquely positioned to promote themselves and their policies directly to the public Using sympathetic crowds as a backdrop a president can rally public opinion to his side along the way delivering a subtle yet unmistakable message to his intended audience in Congress Samuel Kernell shows how going public remains a potent weapon in the president's arsenal both for advancing his own agenda and blocking initiatives from his political adversaries in Congress In his highly anticipated fourth edition Kernell delivers thorough analysis and detailed background on how this strategy continues to evolve given the intense polarization of Congress and the electorate as well as changes in communications technology He considers the implications of both factors especially in combination on the future of presidential leadership and weighs the lessons of 9 11 on going public in foreign affairs

Communication in U.S. Elections Roderick P. Hart, Daron R. Shaw, Daron Shaw, 2001 Over the past thirty five years the rapid development of communication technology the decline of political parties a growing culture of cynicism and the rise of the Internet have all affected U S

political campaigns But while these forces seem powerful little scientific evidence has been gathered of their impact Communication in U S Elections presents work from some of the best young scholars in two disciplines communication and political science on how modern election campaigns are affected by such forces The authors look at how voters acquire political information how issues are framed for them by the mass media how attitudes about social groups are created and how political advertising uses popular culture to affect voting patterns The result is a fresh and comprehensive overview of why modern political campaigns turn out as they do

**Electoral Realignment and the Outlook for American Democracy** Arthur C. Paulson, 2007 A keen look at the ideologically polarized political realities of red state and blue state America

**Historical Dictionary of United States Political Parties** Harold F. Bass Jr., 2009-09-01 The constitution that establishes the institutional framework for American national government makes no mention of political parties Yet for over two centuries political parties have competed in encouraging organizing and directing political activity in the United States This volume compiles entries of concepts terms labels and individuals central to identifying and comprehending these key roles political parties have played in American political life The second edition of Historical Dictionary of United States Political Parties addresses the historical development organization operation and leadership of the parties as well as their broader environment This is done through a chronology an introductory essay appendixes a bibliography and over 800 cross referenced dictionary entries addressing individuals institutions and terms

**The Logic of American Politics** Samuel Kernell, Gary C. Jacobson, Thad Kousser, Lynn Vavreck, 2019-02-20 Recipient of a 2021 McGuffey Longevity Award from the Textbook Academic Authors Association TAA Why does the American political system work the way it does Find the answers in The Logic of American Politics This best selling text arms students with a toolkit of institutional design concepts command veto agenda control voting rules and delegation that help them recognize how the American political system was designed and why it works the way it does The authors build students critical thinking through a simple yet powerful idea politics is about solving collective action problems Thoroughly updated to account for the most recent events and data the Ninth Edition explores the increase in political polarization the growing emotional involvement people have to politics Americans reactions to changing demographics the partisan politics of judicial selection and the changing nature of presidential leadership Revised to include the 2018 election results and analysis this edition provides students with the tools they need to make sense of today s government A Complete Teaching and Learning Package SAGE Premium Video Included in the interactive eBook SAGE Premium Video boosts comprehension and bolsters analysis featuring animations of basic American government concepts and recent news clips connected to key topics in the book Preview a video about voter turnout Interactive eBook Includes access to SAGE Premium Video multimedia tools and much more Save when you bundle the interactive eBook with the new edition Order using bundle ISBN 978 1 5443 6664 7 Learn more SAGE coursepacks FREE Easily import our quality instructor and student resources content into your school s learning management system LMS and

Colomer,2001-02-01 The role of institutions is to establish the domains of public activity and the rules to select leaders Democratic regimes organize in simple institutional frameworks to foster the concentration of power and alternative successive absolute winners and losers They favour political satisfaction of relatively small groups as well as policy instability In contrast pluralistic institutions produce multiple winners including multiparty co operation and agreements They favour stable moderate and consensual policies that can satisfy large groups interests on a great number of issues The more complex the political institutions the more stable and socially efficient the outcome will be This book develops an extensive analysis of this relationship It explores concepts questions and insights based on social choice theory while empirical focus is cast on more than 40 democratic countries and a few international organizations from late medieval times to the present The book argues that pluralistic democratic institutions are judged to be better than simple formula of their higher capacity of producing socially satisfactory results *The Decline of American Political Parties, 1952-1996* Martin P.

Wattenberg,2009-07-01 The major theme of Chapter 12 new to this edition is the missed opportunities for the parties in the 1996 elections The year started with a highly visible confrontation over the budget that could have revitalized the party coalitions if the issues had been carried over to the election However the candidate centered campaign of 1996 ultimately did little to resolve these issues or to reinvigorate partisanship in the electorate In spite of the opportunities for getting new voters to the polls created by the Motor Voter Act voter turnout in 1996 was the lowest since 1924 Turning out the vote is one of the most crucial functions of political parties and their inability to mobilize more than half of the eligible electorate strongly indicates their future decline in importance to voters Until citizens support the parties more by showing up to cast votes for their candidates the decline of American political parties must be considered to be an ongoing phenomenon From the preface

**The Politics of Congressional Elections** Jamie L. Carson,Gary C. Jacobson,2023-08-21 The Politics of Congressional Elections is the most authoritative and accessible introduction available on congressional elections and the electoral process By pairing historical data analysis and original research with fundamental concepts of representation and responsibility Carson and Jacobson help students develop the tools to evaluate Congress as well as their own role in the electoral process The eleventh edition offers an engaging examination of congressional candidates campaigns and elections by incorporating coverage of the most recent elections and the changing roles of voters incumbents challengers and

campaign contributions This edition also highlights the impact of the January 6th insurrection inflation and the economy the Russian invasion of Ukraine infrastructure legislation and the narrowing majorities in both chambers Brought completely up to date with the latest data from the American National Election Study the Cooperative Election Study and the Federal Election Commission and including coverage and analysis of the 2020 and 2022 elections this seminal work continues to offer a systematic account of what goes on in congressional elections Moreover the authors framing demonstrates how electoral politics reflect and shape other components of the American political system with profound consequences for representative government Key revision highlights include Updated coverage through the 2022 elections including congressional primaries Expanded analysis of campaign finance and voter behavior in recent elections Updated figures and tables with color versions available in the e book and PowerPoint slides Greater emphasis on nationalized politics and a return to more party centered elections Enhanced analysis of congressional elections data back to the pre Civil War era     *Guide to U.S. Elections* Deborah Kalb, 2015-12-24 The CQ Press *Guide to U S Elections* is a comprehensive two volume reference providing information on the U S electoral process in depth analysis on specific political eras and issues and everything in between Thoroughly revised and infused with new data analysis and discussion of issues relating to elections through 2014 the Guide will include chapters on Analysis of the campaigns for presidency from the primaries through the general election Data on the candidates winners losers and election returns Details on congressional and gubernatorial contests supplemented with vast historical data Key Features include Tables boxes and figures interspersed throughout each chapter Data on campaigns election methods and results Complete lists of House and Senate leaders Links to election related websites A guide to party abbreviations

### **Electoral Origins Of Divided Government Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Electoral Origins Of Divided Government has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Electoral Origins Of Divided Government has opened up a world of possibilities. Downloading Electoral Origins Of Divided Government provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Electoral Origins Of Divided Government has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Electoral Origins Of Divided Government. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Electoral Origins Of Divided Government. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Electoral Origins Of Divided Government, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Electoral Origins Of Divided Government has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular

choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Electoral Origins Of Divided Government Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Electoral Origins Of Divided Government is one of the best book in our library for free trial. We provide copy of Electoral Origins Of Divided Government in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Electoral Origins Of Divided Government. Where to download Electoral Origins Of Divided Government online for free? Are you looking for Electoral Origins Of Divided Government PDF? This is definitely going to save you time and cash in something you should think about.
