

Electricity at work

Safe working practices

This is a free-to-download, web-friendly version of HSG85 (Second edition, published 2007). This version has been adapted for online use from HSE's current printed version.

You can buy the book at www.hsebooks.co.uk and most good bookshops.

ISBN 978 0 7176 2164 4

Price £7.95

This second edition of HSG85 gives guidance on the key elements that need to be considered when devising safe working practices for people who carry out work on or near electrical equipment. It includes advice that is relevant to managers and supervisors who control or influence the design, specification, selection, installation, commissioning, maintenance or operation of electrical equipment. The first edition was published in 1993 and this new version updates the guidance and provides sources of further information.
