Ed Ruscha and the Great American West Karin Breuer, D.J. Waldie, Ed Ruscha, 2016-07-12 The renowned artist Ed Ruscha was born in Nebraska grew up in Oklahoma and has lived and worked in Southern California since the late 1950s Beginning in 1956 road trips across the American Southwest furnished a conceptual trove of themes and motifs that he mined throughout his career The everyday landscapes of the West especially as experienced from the automobile gas stations billboards building facades parking lots and long stretches of roadway are the primary motifs of his often deadpan and instantly recognizable paintings and works on paper as well as his influential artist books such as Twentysix Gasoline Stations and All the Buildings on the Sunset Strip His iconic word images declaring Adios Rodeo Wheels over Indian Trails and Honey I Twisted through More Damn Traffic to Get Here further underscore a contemporary Western sensibility Ruscha's interest in what the real West has become and Hollywood's version of it plays out

across his oeuvre The cinematic sources of his subject matter can be seen in his silhouette pictures which often appear to be grainy stills from old Hollywood movies They feature images of the contemporary West such as parking lots and swimming pools but also of its historical past covered wagons buffalo teepees and howling coyotes Featuring essays by Karin Breuer and D J Waldie plus a fascinating interview with the artist conducted by Kerry Broucher this stunning catalogue produced in close collaboration with the Ruscha studio offers the first full exploration of the painter s lifelong fascination with the romantic concept and modern reality of the evolving American West Published in association with the Fine Arts Museums of San Francisco Exhibition dates de Young San Francisco July 16 October 9 2016 **Classic Contemporary** Museum of Contemporary Art, San Diego, 2009 *Ed Ruscha and Photography* Sylvia Wolf, 2004 Edited and with an Essay by Sylvia Wolf *The Best Art in the World* Noah Becker, Michael Maizels, 2025-08-12 Founded in 2005 Whitehot Magazine has become one of the leading channels for contemporary art criticism Since its inception Whitehot has published thousands of reviews covering art from the United States East Asia the Middle East Africa and South America with key pieces authored by critical luminaries including Anthony Haden Guest Donald Kuspit and Phoebe Hoban The magazine is also uniquely independent in its editorial voice Unlike other large art world publications Whitehot is owned and managed by its founding editor rather than by a media holding company On the occasion of its upcoming 20th anniversary founder Noah Becker and contributor Michael Maizels have compiled a critical anthology of the magazine s writings The selected articles not only encapsulate the storied history of Whitehot but also provide a significant window into the evolution of art practice and art criticism since the turn of the Millennium **My Ideal Bookshelf** Thessaly La Force, 2012-11-13 The books that we choose to keep let alone read can say a lot about who we are and how we see ourselves In My Ideal Bookshelf dozens of leading cultural figures share the books that matter to them most books that define their dreams and ambitions and in many cases helped them find their way in the world Contributors include Malcolm Gladwell Thomas Keller Michael Chabon Alice Waters James Patterson Maira Kalman Judd Apatow Chuck Klosterman Miranda July Alex Ross Nancy Pearl David Chang Patti Smith Jennifer Egan and Dave Eggers among many others With colorful and endearingly hand rendered images of book spines by Jane Mount and first person commentary from all the contributors this is a perfect gift for avid readers writers and all who have known the influence of a great book Risk Roger Archer, 2018-02-09 Risk is all about living a faith filled life Within the pages of this work you will discover the year by year history of the ups and downs of the happenings regarding Foursquare Church There are no sure things in this crazy epic journey called life The only constant we can hang our hope upon is the name of Jesus Christ has called us to live beyond what we can see and lean only to what He has said In the parable of the talents Jesus was very clear about how He felt regarding those who would not risk In Matthew 25 28 30 He states Take the thousand and give it to the one who risked the most and get rid of this play it safe mentality who won t go out on a limb Jesus rewards those who Risk Foursquare Church and its history is one successive detail regarding progressive
