

RECORDED BOOKS UNABRIDGED

## EDDIE'S BASTARD

William Somerset Maugham's *Eddie's Bastard* is a strong and moving work of contemporary fiction. Following on the heels of *Maugham's* *The Razor's Edge*, *Eddie's Bastard* is a powerful study of the human condition, of the human mind, of the human heart.

The story of a man's great discovery on the shores of Lake Erie is told through the recollections of William Henry Maugham, Jr. Known as Eddie, he also known as "Eddie's Bastard" since his mother's name is Emily. The story of *Eddie's Bastard* is told in the style of the *Maugham* style of the 1940s. Before the story was told, the reader is told that, according to the greatest of writers, Maugham, a great discovery is not made until it is made. It is a discovery that is made in the heart of the man and the woman who are the main characters. It is a discovery that is made in the heart of the man and the woman who are the main characters. It is a discovery that is made in the heart of the man and the woman who are the main characters.

Built with humor and grace, *Eddie's Bastard* is a truly magnificent work from the first paragraph onward. This book's author's imagination working through the great work of Maugham and Maugham, truly real and moving, in the eyes of the reader.

Thomas Haden Church is an actor who has appeared on regional and larger stages in numerous plays, including Tennessee Williams' *Camino Real* and *The Glass Menagerie*, and as *Arthur* in *The Kill* at the University of Chicago. He is frequently on Broadway and has credits in many television shows and movies. As a narrator, his generous, expressive voice lends itself to a wide variety of genres and styles. According to *Audiobook*, "Church's voice is natural and convincing." His "solid and vigorous style adds a dimension of realism and depth" to the book.
