Edgar Cayce's Twelve Lessons In Personal Spirituality:

Edgar Cayce's Twelve Lessons in Personal Spirituality Kevin J. Todeschi, 2010-07-18 For years Edgar Cayce the most documented psychic of all time provided a small group of individuals with lessons in soul growth and personal transformation This volume presents a new look at those major principles From the first lesson on cooperation through others on ideals patience oneness and love this book provides specific tools for personal and spiritual development The Cayce information suggests that each individual has a definite purpose for living There is also the promise that with a spiritual intent we can come to understand that purpose We are all here for a reason a reason that joins us in search of a common heritage Presented here are insights for awakening to our spiritual nature and to an awareness of the purpose of the soul Edgar Cayce's Twelve Lessons in Personal Spirituality is designed as a tool for personal reflection as a handbook for small group discussion and even as a source of encouragement during those moments when the challenges of life seem more overwhelming than the beauty of it For though we may be separated by language or religion or customs or race or even vast distances we all share the earth as our temporal home we are all Children of the same God and we are all seekers along the way *Twelve Lessons in Personal Spirituality* Kevin J. Todeschi, 1997 REL American psychic and Christian mystic Edgar Cayce 1877 1945 gave over 14 000 readings which have been documented by the Association for Research and Enlightenment ARE Cayce diagnosed medical conditions prescribed health treatments and gave spiritual guidance when he entered a clairvoyant state for the purpose of helping others Kevin Todeschi has written a clear thought provoking overview of the essays on spiritual transformation collected by the ARE they discuss the role of meditation and prayer the dynamics of self knowledge through relationships and through service to others and the importance of establishing spiritual ideals and consciously applying them in daily life Highly recommended *Edgar Cayce on Vibrations* Kevin J. Todeschi, 2007-06 Science caught up with the psychic readings of Edgar Cayce when it proved that all of materiality consisting of atoms and therefore protons neutrons and electrons is energy in motion Everything is a vibration Even the body's five senses operate through the use of vibrations The Cayce readings suggested that vibrations were also associated with healing consciousness and even locations In fact the Cayce information presents the premise that all of life in every dimension is actually just different manifestations of the One Force the Force that moved all of Creation into being Therefore all vibration is ultimately that One Force manifesting in the material world in a variety of ways Todeschi's latest title explores how everything from consciousness to the material is connected to vibration and how we continue to create and shape our world through the vibrations all around us Vibrations are essentially spirit in motion and our thoughts and actions affect our life and the way we are living Edgar Cayce on the Akashic Records Kevin J. Todeschi, 1998-01-27 The Akashic Records or Book of Life is the storehouse of all information for every individual who has ever lived upon the earth containing every word deed feeling thought and intent that has ever occurred This major work is about how each of us is very much in charge of shaping our own

destiny P rovides examples of how each of us can tap into our own past lives our present experiences and our unfolding futures to shape our own destiny Publisher s description *Edgar Cayce on Auras & Colors* Kevin J.
