## Editorials Of Henry Watterson:

**The editorials of Henry Watterson** Henry Watterson, Arthur Krock, 1923      The Editorials of Henry Watterson Arthur Krock, 1926 When the Courier Journal began its life the South was in the grasp of Northern Troops and Carpetbaggers Mr Watterson wanted to bring the Southern people to a true appreciation of the greatness and benevolence of Abraham Lincoln and an understanding of the miseries wrought upon the South by his murder He also in his writings tried to convince the Government at Washington that the South should be released from military rule      *Selected Articles from Various Periodicals by and about Henry Watterson* Henry Watterson, 1888      *Political Editorial 1916-1988* Heinz-D. Fischer, 2012-02-14 The School of Journalism at Columbia University has awarded the Pulitzer Prize since 1917 Nowadays there are prizes in 21 categories from the fields of journalism literature and music The Pulitzer Prize Archive presents the history of this award from its beginnings to the present In parts A to E the awarding of the prize in each category is documented commented and arranged chronologically Part F covers the history of the prize biographically and bibliographically Part G provides the background to the decisions      Partisans of the Southern Press Carl R. Osthaus, 2021-12-14 Carl R Osthaus examines the southern contribution to American Press history from Thomas Ritchie's mastery of sectional politics and the New Orleans Picayune's popular voice and use of local color to the emergence of progressive New South editors Henry Watterson Francis Dawson and Henry Grady who imitated as far as possible the New Journalism of the 1880s Unlike black and reform editors who spoke for minorities and the poor the South's mainstream editors of the nineteenth century advanced the interests of the elite and helped create the myth of southern unity The southern press diverged from national standards in the years of sectionalism Civil War and Reconstruction Addicted to editorial diatribes rather than to news gathering these southern editors of the middle period were violent partisan and vindictive They exemplified and defended freedom of the press but the South's press was free only because southern society was closed This work broadens our understanding of journalism of the South while making a valuable contribution to southern history      Henry Watterson and the New South Daniel Margolies, 2006-11-24 Henry Watterson 1840 1921 editor of the Louisville Courier Journal from the 1860s through WWI was one of the most important and widely read newspaper editors in American history An influential New South supporter of sectional reconciliation and economic development Watterson was also the nation's premier advocate of free trade and globalization Watterson's vision of a prosperous and independent South within an expanding American empire was unique among prominent Southerners and Democrats He helped articulate the bipartisan embrace of globalization that accompanied America's rise to unmatched prosperity and world power Daniel S Margolies restores Watterson to his place at the heart of late nineteenth century southern and American history by combining biographical narrative with an evaluation of Watterson's unique involvement in the politics of free trade and globalization      **American Journalists** Donald A. Ritchie, 2007 This volume profiles 60 American journalists from colonial times to the present and focuses on news reporters editors publishers

and broadcasters whose careers significantly advanced or were symbolic of major changes in their profession Illustrations fact boxes and quotations from the subjects themselves together with the depth and breadth of historical information make this volume an illuminating and fascinating read

**Political Leadership of Henry Watterson** Leonard Niel Plummer,1940 *Kentucky Bourbon Whiskey* Michael R. Veach,2013-02-18 On May 4 1964 Congress designated bourbon as a distinctive product of the United States and it remains the only spirit produced in this country to enjoy such protection Its history stretches back almost to the founding of the nation and includes many colorful characters both well known and obscure from the hatchet wielding prohibitionist Carry Nation to George Garvin Brown who in 1872 created Old Forester the first bourbon to be sold only by the bottle Although obscured by myth the history of bourbon reflects the history of our nation Historian Michael R Veach reveals the true story of bourbon in Kentucky Bourbon Whiskey Starting with the Whiskey Rebellion of the 1790s he traces the history of this unique beverage through the Industrial Revolution the Civil War Prohibition the Great Depression and up to the present Veach explores aspects of bourbon that have been ignored by others including the technology behind its production the effects of the Pure Food and Drug Act and how Prohibition contributed to the Great Depression The myths surrounding bourbon are legion but Veach separates fact from legend While the true origin of the spirit may never be known for certain he proposes a compelling new theory With the explosion of super premium bourbons and craft distilleries and the establishment of the Kentucky Bourbon Trail interest in bourbon has never been higher Veach shines a light on its pivotal place in our national heritage presenting the most complete and wide ranging history of bourbon available

**The Age of Charisma** Jeremy C. Young,2017 This book demonstrates how the modern relationship between leaders and followers in America grew out of late nineteenth and early twentieth century charismatic social movements

**Editor & Publisher** ,1917 The fourth estate *Second Mencken Chrestomathy* H.L. Mencken,2013-03-20 Before there was any such thing as political correctness H L Mencken was flouting it He was also cheerfully deriding the precursors of family values and lambasting the guardians of public virtue This historic new collection is further evidence that Mencken was our most astute stylish and biliously funny commentator on the eternal American quackeries A Second Mencken Chrestomathy a word meaning a collection of choice passages from an author or authors was compiled by the sage of Baltimore before he suffered the stroke that ended his career and has only now been retrieved from his private papers by the columnist and Mencken biographer Terry Teachout Its 238 selections many of which have never before been published in book form encompass subjects from Americana The Commonwealth of Morons to men and women Sex on the Stage and from criminology More and Better Psychopaths to the pursuit of happiness Alcohol The result is Mencken at his most engaging maddening heretical and hilarious
