Educating An Urban People The New York City Experience:

The City and Education in Four Nations Ronald K. Goodenow, William E. Marsden, Peter Clark, 2003-12-04 The City and Education in Four Nations is a response to a long standing need for the placing of urban educational study in broader comparative contexts both historical and international This volume offers an account of the historical educational experiences of four major English speaking countries opening up new research agendas in a variety of fields An international team of contributors has been assembled combining historical and educational expertise and the work should interest scholars in a number of disciplines including urban history urban and comparative education social and public policy social and cultural history and the history of education *Educating an Urban People* Diane Ravitch, 1981-01-01 Urban Education in the United States J. Rury, 2005-04-30 Urban Education in the United States examines the development of schools in the large cities of the USA John Rury a well known historian of education introduces and highlights the most significant and classic essays dealing with urban schooling in this collection Urban Education in the United States will provide an introduction to critical themes in the history of city schools and will frame each section with an overview of urban education research during particular periods in US history *History of Education: Education in its social context* Roy Lowe, 2000 **The Promise of Progressivism** James M. Wallace, 2006 Textbook Understanding Curriculum as Racial Text Louis A. Castenell Jr., William F. Pinar, 1993-09-14 Approaches debates over the cultural character of the curriculum as debates over the American national identity The 15 essays discuss curriculum politics race and representation gender and class cultural pluralism and ethnicity multiculturalism and other topics Paper edition unseen 16 95 Annotation copyright by Book News Inc Portland OR Jewish Girls Coming of Age in America, 1860-1920 Melissa R. Klapper, 2005 Jewish Girls Coming of Age in America 1860 1920 draws on a wealth of archival material much of which has never been published or even read to illuminate the ways in which Jewish girls adolescent experiences reflected larger issues relating to gender ethnicity religion and education Klapper explores the dual roles girls played as agents of acculturation and guardians of tradition Their search for an identity as American girls that would not require the abandonment of Jewish tradition and culture mirrored the struggle of their families and communities for integration into American society While focusing on their lives as girls not the adults they would later become Klapper draws on the papers of such figures as Henrietta Szold founder of Hadassah Edna Ferber Pulitzer Prize winning author of *Showboat* and Marie Syrkin literary critic and Zionist Klapper also analyzes the diaries memoirs and letters of hundreds of other girls whose later lives and experiences have been lost to history Told in an engaging style and filled with colorful quotes the book brings to life a neglected group of fascinating historical figures during a pivotal moment in the development of gender roles adolescence and the modern American Jewish community *Toward a Usable Past* Paul Finkelman, Stephen E. Gottlieb, 2009-09-01 The United States Supreme Court s relegation of many rights to definition under state constitutional law combined with the tendency of recent administrations to entrust the states with the

task of preserving individual rights is increasingly making state constitutions the arena where the battles to preserve the rights to life liberty property due process and equal protection of laws must be fought Ranging in time from the late 1700s to the late 1900s *Toward a Usable Past* offers a series of case studies that examine the protection afforded individual rights by state constitutions and state constitutional law As it explores the history of liberty at the state level this volume also investigates the promise and risks of turning to state constitutions to guarantee and expand individual rights In this book major scholars and legal practitioners discuss state protections of civil liberty and ponder the contemporary implications of the state record The cases examined cover topics ranging from religion in schools during the Federalist era to criminal justice in the late nineteenth century from racial integration in Kansas before *Brown v Board of Education* to legal battles over birth control in the Connecticut Supreme Court The introduction presents the historical and contemporary significance of the topic and traces the evolution of the federal constitutional law establishing the parameters of state regulation of individual rights

The Death and Life of the Great American School System Diane Ravitch, 2010-03-02 Discusses how school choice misapplied standards of accountability the No Child Left Behind mandate and the use of a corporate model have all led to a decline in public education and presents arguments for a return to strong neighborhood schools and quality teaching

Education and the City Gerald Grace, 2013-06-17 City schools especially those attended by working class and ethnic minority pupils are the catalysts of many significant issues in educational debate and policy making They bring into sharp focus questions to do with class gender and race relations in education concepts of equality of opportunity and of social justice and controversies about the wider political economic and social context of mass schooling America Western Europe and Australia have all taken a keen interest in the problems of urban schooling The contributors to this collection of original essays all share a concern about these problems although they approach them from a wide range of theoretical and ideological positions Gerald Grace and his contributors criticise the current limitations of urban education as a field of study and they present a foundation for a more historically located and critically informed inquiry into problems conflicts and contradictions in urban schooling Part I presents contributions on theories of the urban Part II focuses upon the history of urban education both in Britain and the USA Part III discusses contemporary policy and practice with essays relating to education in inner city London and in New York City This book was first published in 1984
