social work and school counselling courses **Solution Focused Practice and Mental Health Crisis** Nick Perry, 2025-06-16
 This book provides an interdisciplinary understanding of Solution Focused Practice SFP and how to use the approach when working with people in mental health crisis. The book takes a whole systems perspective presenting SFP as a common language between different professional cultures and making the case for its use across all environments of mental health crisis care. The chapters explore the uniqueness of SFP, chart its history in the UK and outline ways in which SFP can optimise client agency as well as positively impact worker wellbeing. Anonymised accounts of professional experiences are included throughout to give readers an understanding of how Solution Focused questions can change the balance of power within practice situations and provide inclusive support towards safety and hope. This will assist a wide range of professionals involved in and working alongside the mental health system including psychiatrists, nurses, social workers, psychologists, therapists, counsellors and other support staff. We hope it will also be useful for service users. **Solutions Focused Special Education** Nicholas Burnett, 2019-05-21
 Drawing on the work of diverse innovative educators, this text shows how adopting a solutions focused approach offers constructive ways forward. Chapters on teaching and learning, behaviour support, human resources, school leadership and family and community explore how this can be transformative for all aspects of special and inclusive education. **Solution Focused Practice in Asia** Debbie Hogan, Dave Hogan, Jane Tuomola, Alan Yeo, 2016-12-08
 This book is a collection of solution focused practice across Asia, offering case examples from the fields of therapy, supervision, education, coaching and organisation consulting. It demonstrates the usefulness of the solution focused approach in the Asian context by providing practice based evidence and highlights the diversity of application. By sharing real case examples in action across Asia, it is the aim of this book to stimulate the curious and inspire the converted. It gives readers a taste of what it is like to use this approach within an Asian context in different areas of practice and within a broad spectrum of clinical issues. The examples offer exciting and creative ways in which solution focused practice can be used within the Asian context, with the hope that more practitioners will be curious enough to give solution focused practice serious consideration as a viable evidence based practice. **Solution-Focused Strategies for K-12 Leaders** Marcella D. Stark, Linda Metcalf, 2025-06-24
 Solution Focused Strategies for K-12 Leaders provides K-12 principals, administrators and district level professionals with powerful, flexible strategies to build and sustain a school climate in which teachers and students co-construct solutions together. School leaders today face an intimidating variety of challenges, from teacher shortages and administrative overload to political battles and complex family relationships. Driven by the evidence based Solution Focused approach, this book will support practitioners in empowering students based on their personal hopes, strengths and motivations, instead of focusing on deficits and punishment. Intuitive instructions, real world vignettes and additional online resources further bring the book's tenets to life. With foundations in therapy, positive psychology and school counseling, these broadly applicable response to intervention techniques will help education leaders to improve climate.
