, 1978 **Resources in Education**, 2001-04 **Issues and Practices in Special Education** Donald S. Marozas, Deborah
C. May, 1988 **Political Education** Christopher T. Cross, 2014 In this volume political insider Christopher Cross updates
his critically acclaimed bestseller with new chapters and important new insights into future education policy Cross draws on
his own experience in Washington along with research and interviews to present a highly readable history of federal
education policy from WWII to the Obama administration The book highlights the key players who helped shape federal
policy because as Cross writes in his introduction policy development is woven of personalities events and timing This
fascinating chronicle demonstrates among other things how federal policy has been a constant influence on what states and
local districts do especially with respect to students most at risk As we enter the next chapter in the education policy debate
it is important to understand how we have arrived at the policies in place today and to consider the lessons learned As
Political Education so clearly documents we need to engage in a dialogue that is about our expectations and our commitment
to education as a national priority From the Foreword by Governor Brian Sandoval 2013 2015 chair Education Commission of
the States and Jeremy Anderson president Education Commission of the States This book comes at a crucial time Now that
some states are withdrawing from Common Core Standards because policymakers are characterizing a multi state initiative
as federal intrusion that Courts are viewed as the refuge for parents fighting teacher tenure and inequities within education
and more generally are sharper than ever we need Cross clear analysis of our complicated system more than ever Susan
Fuhrman president Teachers College Columbia University An incisive update of this comprehensive analysis of the evolving
historic and future federal role Cross provides the politics personalities and underlying ethos that shape trends and eras of
federal policymaking Mike Kirst president California State Board of Education and professor emeritus Stanford University
Critical Acclaim for Political Education Concise but illuminating chock full of historical nuggets Education Week The book is
clearly written informative and generally well balanced Harvard Educational Review Rarely does one find a book on
educational policy as accessible and as fact filled as this volume by Christopher Cross It will help educators of all stripes to
better understand the how why and who of federal education policy Book Review Digest *Symposium on Public Policy and*
