R. Michael Paige

Education For The Intercultural Experience:

Education for the Intercultural Experience R. Michael Paige,1993 Intercultural Experience and Education Geof Alred,Michael Byram,2003 This edited volume explores the educational significance of intercultural experience It offers a broader conception of interculturality than commonly found in the area of foreign language teaching Contributors represent a diverse range of academic and professional interests The aim of the book is to encourage dialogue and interchange across this range and beyond to stimulate thinking about the educational value of intercultural experience *Education for the Intercultural Experience* R. Michael Paige,2004 **Education for the Intercultural Experience** R. Michael Paige,1993

Intercultural Experience and Identity Lily Lei Ye,2018-06-13 This book examines the identity formation and negotiation of Chinese doctoral students in the UK and the opportunity for self transformation this experience offers As the largest group of international students in the English speaking world Mainland Chinese students encounter a range of difficulties and prospects that may be relevant to the wider international student community Using extensive qualitative and empirical data the author explores the narratives of eleven Chinese doctoral students at two British universities through a sociological perspective Balancing analysis with solid theoretical framework and the voices of the students themselves the author moves away from essentialism and othering instead shining a light on the effects of globalisation internationalisation and recent policy strategies This volume will be of interest and value to students and scholars of comparative and international education identity formation intercultural communication the sociology of education and study abroad

Intercultural Experience and Education (Languages for Intercultural Communication and Education) Michael Fleming, **Becoming Interculturally Competent Through Education and Training** Anwei Feng,Michael Byram,2009 This book demonstrates the complementarity of educational and training approaches to developing intercultural competence as represented by those who work in commercial training and those who work in further and higher education It does so by presenting chapters of analysis and chapters describing courses in the two sectors **What is Legal Education for?**

Rachel Dunn,Paul Maharg,Victoria Roper,2022-09-30 How we interpret and understand the historical contexts of legal education has profoundly affected how we understand contemporary educational cultures and practices This book the result of a Modern Law Review seminar both celebrates and critiques the lasting impact of Peter Birks influential edited collection Pressing Problems in the Law Volume 2 What is the Law School for Published in 1996 his book addresses many critical issues that are hauntingly present in the 21st century amongst them the impact of globalisation technological disruption and the tension inherent in law schools as they seek to balance the competing interest of teaching research and administration Yet Birks collection misses key issues too The role of wellbeing of emotion or affect the relation of legal education to education the status of legal education in what since his volume have become the devolved jurisdictions of Northern Ireland Wales and Scotland these and others are absent from the research agenda of the book Today legal educators face new challenges We

are still recovering from the effects of the Covid 19 pandemic on our universities In 1996 Birks was keen to stress the importance of comparative research within Europe Today legal researchers are dismayed at the possibility of losing valuable EU research funding when the UK leaves the EU and at the many other negative effects of Brexit on legal education The proposed Solicitors Qualifying Examination takes legal education regulation and professional learning into uncharted waters This book discusses these and related impacts on our legal educations As law schools approach an existential crossroads post Covid 19 it seems timely to revisit Birks fundamental question what are law schools for
