Augustine, Gabriella Gonzalez, Gina Schuyler Ikemoto, Jennifer Russell, Gail L. Zellman, 2009-12-16 This study documents actions of Wallace Foundation grantees to create more cohesive policies and initiatives to improve instructional leadership in schools describes how states and districts have worked together to forge such policies and initiatives and examines the hypothesis that cohesive systems improve school leadership Such efforts appear to be a promising approach to developing school principals engaged in improving instruction Knowledge Management for School Education Eric C. K. Cheng, 2014-10-15 This book introduces the application of knowledge management KM theories practices and tools in school organization for sustainable development Schools in Asia Pacific have long faced a variety of challenges in terms of sustainable development under the education reforms and curriculum reforms to meet the demands of a knowledge society Schools are inevitably expected to develop human capital for the knowledge society within the

competitive global economy and to interact with its policy environment and know how to leverage pedagogical knowledge. The high speed of expansion change and expansion of knowledge have dramatically influence the development of flexibility of teacher and school works. The nature of teacher work becomes increasingly less routine more analytical and disruptive yet often come with a sense of urgency and need to be more collaborative. Teachers not only require data and information but also knowledge and experience of individual they also need to collaborative task execution decision making and problem solving. Helping school leaders and teachers to manage their knowledge and become know how to cope with the change is important.

**Unexplored Conditions of Charter School Principals** Marytza A. Gawlik, Dana L. Bickmore, 2017-08-03 *Unexplored Conditions of Charter School Principals* An Examination of the Issues and Challenges for Leaders explores contemporary policy issues confronting charter school principals. The purpose of this book is to explore the issues and challenges confronted by charter school principals across an array of goals and expectations set forth by the policy and local context. By drawing on leadership and policy experts and researchers we offer an in depth examination of what current issues charter school principals face. Starting with autonomy we work our way through teacher evaluation and succession and socialization and then conclude with an opportunity to reflect on what we know and how to look forward. By drawing on autonomy sensemaking teacher evaluations and succession and socialization this book traces the development of the charter principal within these policy contexts. Collectively these topics form the beginnings of what we hope will be an informative and useful conversation of where the charter school principal has been and where they are headed.
