True Disciple Rod Nichols,2020-04-30 Throughout the Bible we find ordinary fallible people just like us These ordinary people did extraordinary things Then along came Jesus He said that his followers would do even greater things than he did A mind blowing promise Yet most believers

haven't experienced the miracles we see in God's Word. What is the difference between the people in the Bible and those sitting in any of our churches? The answer to that question is found in Rod Nichols' new book *True Disciple*. Rod believes the Lord instructed him to write his true disciple story. He was and still is one of those ordinary fallible people that God taught to be a true disciple of Jesus Christ. Rod is real and transparent about his struggles, doubts, fears, questions, and failures. He shares some amazing adventures and what he learned along the way. With God's help, these lessons could transform any ordinary person into a mountain-moving true disciple. In *True Disciple*, Nichols hopes to motivate the church to love God with all they have and to love people as Jesus loved us, to get out from those comfy seats and secure walls and go do what Jesus commanded: preach the gospel to the world, make disciples, heal, deliver, and help those in need. Are you ready for the adventure of a lifetime? Would you like to have God use you to change the world around you? *True Disciple* will prepare you for an amazing journey. *True Discipleship*, 2002. *Authentic Discipleship*, Edward Michael Gross, 2013-04-08. Who is this Jesus? Who calls to us? Who gave His all? Who asks for everything? Who bids you: Come, follow Me? The book *Authentic Discipleship* tells you what this means. And how does one learn to listen? To pray? To love? To walk with Him? How do you learn to follow Jesus? *Authentic Discipleship* helps you know how. Are you ready to begin the journey? *Spiritual Discipleship*. J. Oswald Sanders, 2017-07-04. Take time and trouble to keep yourself spiritually fit. 1 Tim 4:7. J. B. Phillips Translation. As J. Oswald Sanders points out, true discipleship is more than intellectual assent to a belief in Christ; it involves the whole person and lifestyle. True disciples pursue their Master. They know that God is watching over their faith, but they also take Scripture's command seriously: work out your own salvation with fear and trembling, for it is God who works in you. They take pains by His power to look more and more like Jesus. This book will help you to be such a disciple. It examines Jesus' teaching on what it means to follow Him, helping you become the kind of Christian Jesus wants you to be, not one devised by man or even other Christians. You'll learn: The profile of an ideal disciple. Conditions for discipleship. The tests that disciples endure. How disciples pray and grow. The posture and practices of a disciple. And more. For anyone who wants to be not just a believer in Christ but an imitator of Him, this book is a treasured resource. Includes questions for reflection, ideal for both individual and group study. **Crece en el Discipulado = Growing in Discipleship**, Baptist Spanish Publishing House, 2002-04. These interactive workbooks include Bible investigation, application, and reflection with plenty of space to write in the answers.

Making Disciples, Wilma Mendoza Mann, Lloyd Mann, 2020-02-24. Although today people talk a lot about discipleship or making disciples, many times the meaning of those terms is very different from what we see in the New Testament. *Making Disciples: Transferring Life* evaluates the process of making disciples in order to recover a definition that is more in accord with the methods used by Jesus with His disciples and by the Apostle Paul with the leaders he discipled. This book analyzes the different stages in the development of a disciple and proposes goals and processes for the work to reach each stage. The authors' focus is on the importance of being a disciple before trying to make disciples, because making disciples is

transferring life not just concepts This book distills more than 50 years of making disciples in various countries in Latin America and among Hispanics in the United States The book is the authors translation of their recently published book El Discipulado Transferencia de Vida Perfil de Un Verdadero Discipulo: Real Discipleship J. Oswald Sanders,2004-01-01

Discipulado que transforma Greg J. Ogden,2016-04-26 Greg Odgen habla de la necesidad del discipulado en las iglesias locales y recuperar el modelo de Jes s invertir en un grupo pequeno de personas para que sus vidas sean transformadas y que as ellas puedan ayudar a otros a caminar hacia la madurez en Cristo
