Sager Eidt,2008 This innovative interdisciplinary study compares the uses of painting in literary texts and films In developing a framework of four types of ekphrasis the author argues for the expansion of the concept of ekphrasis by demonstrating its applicability as interpretive tool to films about the visual arts and artists Analyzing selected works of art by Goya Rembrandt and Vermeer and their ekphrastic treatment in various texts and films this book examines how the medium of ekphrasis affects the representation of the visual arts in order to show what the differences imply about issues such as gender roles and the function of art for the construction of a personal or social identity Because of its highly cross disciplinary nature this book is of interest not only to scholars of literature and aesthetics but also for scholars of film studies

By providing an innovative approach to discussing non documentary films about artists the author shows that ekphrasis is a useful tool for exploring both aesthetic concerns and ideological issues in film This study also addresses art historians as it deals with the reception of major artists in European literature and film throughout the 20th century **The Ocean on Fire** Anaïs Maurer,2024-03-01 Anaïs Maurer foregrounds Pacific literature as a key archive for surviving and thriving in an environment in which Indigenous inhabitants have been bombarded with the equivalent of one Hiroshima bomb a day for half a century *The Rough Guide to Peru* Rough Guides,2015-10-01 The Rough Guide to Peru covers the country in depth from the jawdropping attractions of the Macchu Picchu Lake Titicaca and Colca Canyon to Lima's endlessly hip restaurant scene Rough Guides four expert authors have covered every inch of Peru communing with Amazon shamans rafting the waters of the mighty Urubamba and hiking to the little visited Inca ruins of Choquequirao Discover where to find Peru's best pisco sour view the rainforest high up from a canopy walkway or check out the country's coolest surfing hangout with Rough Guides things not to miss section Learn how to get the most out of one of South America's most versatile destinations with The Rough Guide to Peru range of itineraries Meet the Incas with our in depth history section and read about everything from traditional panpipe music to hallucinogenic plants Over 70 clear full colour maps help you find a hostel while our easy to use transport info will make sure you don't end up on a chicken bus to nowhere **Mapping the Postcolonial Domestic in the Works of Vargas Llosa and Mukundan** Minu Susan Koshy,2020-12-16 This book is among the first works to engage with postcolonialism through the lens of the domestic in its totality encompassing multifarious aspects such as domestic space objects family and servitude among others The study foregrounds the inadequacy of Western theories on the domestic in explaining the postcolonial situation and proposes alternate methods of analysing the inner realm of colonial experience Structured within the framework of comparative literary studies the work serves to contribute to the tri continental model of comparative literature establishing mutually illuminating connections between the continents The study provides scope for a widening of the epistemological base of critical inquiry especially in the domains of postcolonialism area studies and comparative literature It explores new avenues in cross cultural studies contributing to the transnational diffusion of cultures and literatures by focusing on what has been termed minor the domestic and its rhythms in postcolonial cultures **Adan y Eva en el paraiso** Eça de Queirós,1914 *Mi vida* Flora Tristan,2003 **What is the Point of Being a Christian?** Timothy Radcliffe,2013-01-17 WINNER OF THE MICHAEL RAMSEY PRIZE FOR THE BEST IN THEOLOGICAL WRITING Winner of the Michael Ramsey prize for the best in theological writing Cardinal Timothy Radcliffe is in demand the world over with Bishops priests lay people and above all young people This new book is his response What is the Point of being a Christian One is pointed to God who is the point of everything If one thinks of religion as just useful then one has reduced it to another consumer product But if we are pointed to God then this should make a difference to how we live This is not a moral superiority Christians are usually no better than anyone else But the lives of Christians should be marked by some

form of hope freedom happiness and courage If they are not then why should anyone believe a word they say In this new book Cardinal Radcliffe is at his best writing with a prophetic edge His argument for Christian belief is profoundly Catholic and profoundly human But what is just as remarkable Radcliffe s argument for and interpretation of Christian Gospel is couched in a deep understanding of human nature and the problems and anxieties of modern men and women Radcliffe is far distant from the theologian s ivory tower and yet his understanding of the Gospel is profoundly theological The frame of reference for this book is wide and it is based amongst other things on Fr Radcliffe s pastoral experience of dealing with people with problematic marriages those struggling with celibacy those trying to understand the nature of religious authority and those trying to remain loyal to the Church which finds their sexual orientation irregular **Ajos & za[ph]iros ,2003**
