Bingham Powell, Jr., 2000-01-01 This text explores elections as instruments of democracy Focusing on elections in 20 democracies over the last 25 years it examines the differences between two visions of democracy the majoritarian vision and the proportional influence vision

Elections as Instruments of Democracy G. Bingham Powell, 2011 This text explores elections as instruments of democracy Focusing on elections in 20 democracies over the last 25 years it examines the differences between two visions of democracy the majoritarian vision and the proportional influence vision

Elections as Instruments of Democracy G. Bingham Powell, 2000 This text explores elections as instruments of democracy Focusing on elections in 20 democracies over the last 25 years it examines the differences between two visions of democracy the majoritarian vision and the proportional influence vision

Democracy When the People Are Thinking James S. Fishkin, 2018-06-27 Democracy requires a connection to the will of the people What does that mean in a world of fake news relentless advocacy dialogue mostly among the like minded and massive spending to manipulate public opinion What kind of opinion can the public have under such conditions What would democracy be like if the people were really thinking in depth about the policies they must live with If they really deliberated with good information about their political choices This book argues that deliberative democracy is not utopian It is a practical solution to many of democracy's ills It can supplement existing institutions with practical reforms It can apply at all levels of government and for many different kinds of policy choices This volume speaks to a recurring dilemma listen to the people and get the angry voices of populism or rely on widely distrusted elites and get policies that seem out of touch with the public's concerns Instead there are methods for getting a representative and thoughtful public voice that is really worth listening to Democracy is under siege in most countries where democratic institutions have low approval and face a resurgent threat from authoritarian regimes Deliberative democracy can provide an antidote and can reinvigorate our democratic politics *Democracy When the People Are Thinking* draws on the author's research with many collaborators on Deliberative Polling a process conducted in 27 countries on six continents It contributes both to political theory and to the empirical study of public opinion and participation It should interest anyone concerned about the future of democracy and how it can be revitalized

Routledge Handbook of Ethnic Conflict Karl Cordell, Stefan Wolff, 2010-10-18 A definitive global survey of the interaction of race ethnicity nationalism and politics this handbook blends theoretically grounded rigorous analysis with empirical illustrations to provide a state of the art overview of the contemporary debates on one of the most pervasive international security challenges today The contributors to this volume offer a 360 degree perspective on ethnic conflict from the theoretical foundations of nationalism and ethnicity to the causes and consequences of ethnic conflict and to the various strategies adopted in response to it Without privileging any specific explanation of why ethnic conflict happens at a specific place and time or why attempts at preventing or settling it might fail or succeed the Routledge

Handbook of Ethnic Conflict enables readers to gain better insights into such defining moments in post Cold War international history as the disintegrations of the Soviet Union and Yugoslavia and their respective consequences and the genocide in Rwanda as well as the relative success of conflict settlement efforts in Northern Ireland Macedonia and Aceh By contributing to understanding the varied and multiple causes of ethnic conflicts and to learning from the successes and failures of its prevention and settlement the Handbook makes a powerful case that ethnic conflicts are neither unavoidable nor unresolvable but rather that they require careful analysis and thoughtful and measured responses **The Oxford**

Handbook of Social and Political Trust Eric M. Uslaner, 2018-01-02 This volume explores the foundations of trust and whether social and political trust have common roots Contributions by noted scholars examine how we measure trust the cultural and social psychological roots of trust the foundations of political trust and how trust concerns the law the economy elections international relations corruption and cooperation among myriad societal factors The rich assortment of essays on these themes addresses questions such as How does national identity shape trust and how does trust form in developing countries and in new democracies Are minority groups less trusting than the dominant group in a society Do immigrants adapt to the trust levels of their host countries Does group interaction build trust Does the welfare state promote trust and in turn does trust lead to greater well being and to better health outcomes The Oxford Handbook of Social and Political Trust considers these and other questions of critical importance for current scholarly investigations of trust Routledge

Handbook of Primary Elections Robert G. Boatright, 2018-02-15 Primary elections have been used for the past century for most U S elective offices and their popularity is growing in other nations as well In some circumstances primaries ensure that citizens have a say in elections and test the skills of candidates before they get to the general election Yet primaries are often criticized for increasing the cost of elections for producing ideologically extreme candidates and for denying voters the opportunity to choose candidates whose appeal transcends partisanship Few such arguments have however been rigorously tested This innovative Handbook evaluates many of the claims positive and negative that have been made about primaries It is organized into six sections covering the origins of primary elections primary voters US presidential primaries US subpresidential primaries primaries in other parts of the world and reform proposals The Routledge Handbook of Primary Elections is an important research tool for scholars a resource guide for students and a source of ideas for those who seek to modify the electoral process **The Oxford Handbook of Comparative Politics** Carles Boix, Susan Carol Stokes, 2007 The

Oxford Handbooks of Political Science is a ten volume set of reference books offering authoritative and engaging critical overviews of the state of political science Each volume focuses on a particular part of the discipline with volumes on Public Policy Political Theory Political Economy Contextual Political Analysis Comparative Politics International Relations Law and Politics Political Behavior Political Institutions and Political Methodology The project as a whole is under the General Editorship of Robert E Goodin with each volume being edited by a distinguished international group of specialists in their

respective fields The books set out not just to report on the discipline but to shape it The series will be an indispensable point of reference for anyone working in political science and adjacent disciplines The Oxford Handbook of Comparative Politics offers a critical survey of the field of empirical political science through the collection of a set of chapters written by 47 top scholars in the discipline of comparative politics Part I includes chapters surveying the key research methodologies employed in comparative politics the comparative method the use of history the practice and status of case study research the contributions of field research and assessing the possibility of constructing a science of comparative politics Parts II to IV examine the foundations of political order the origins of states and the extent to which they relate to war and to economic development the sources of compliance or political obligation among citizens democratic transitions the role of civic culture authoritarianism revolutions civil wars and contentious politics Parts V and VI explore the mobilization representation and coordination of political demands Part V considers why parties emerge the forms they take and the ways in which voters choose parties It then includes chapters on collective action social movements and political participation Part VI opens up with essays on the mechanisms through which political demands are aggregated and coordinated This sets the agenda to the systematic exploration of the workings and effects of particular institutions electoral systems federalism legislative executive relationships the judiciary and bureaucracy Finally Part VII is organized around the burgeoning literature on macropolitical economy of the last two decades

International Election Observation in the Commonwealth Caribbean Lisa Ann Vasciannie, 2017-09-15 This book examines the practice of international election observation in a Caribbean context It presents a survey of the Commonwealth Caribbean perspective and a concise case study of Guyana between 1964 and 2015 This research traces the roots of election observation and how this practice became integrated into the landscape of Caribbean electoral politics More specifically the study examines the process by which election observers have become key actors in elections in the Commonwealth Caribbean One of the issues the book contemplates is why Caribbean countries accept the imposition of observation within the context of sovereignty The case of Guyana and other Anglophone Caribbean states shows the costs of not having observers have been multidimensional and have eclipsed concerns of respecting state sovereignty

The Logic of Pre-electoral Coalition Formation Sona Nadenichek Golder, 2006 Why do some parties coordinate their electoral strategies as part of a pre electoral coalition while others choose to compete independently at election time Scholars have long ignored pre electoral coalitions in favor of focusing on the government coalitions that form after parliamentary elections Yet electoral coalitions are common they affect electoral outcomes and they have important implications for democratic policy making itself The Logic of Pre Electoral Coalition Formation by Sona Nadenichek Golder includes a combination of methodological approaches game theoretic statistical and historical to explain why pre electoral coalitions form in some instances but not in others The results indicate that pre electoral coalitions are more likely to form between ideologically compatible parties They are also more likely to form when the expected coalition size is large but not

too large and when the potential coalition partners are similar in size Ideologically polarized party systems and disproportional electoral rules in combination also increase the likelihood of electoral coalition formation Golder links the analysis of pre electoral coalition formation to the larger government coalition literature by showing that pre electoral agreements increase a the likelihood that a party will enter government b the ideological compatibility of governments and c the speed with which governments take office In addition pre electoral coalitions provide an opportunity for combining the best elements of the majoritarian vision of democracy with the best elements of the proportional vision of democracy *The Oxford Handbook of Political Representation in Liberal Democracies* Robert Rohrschneider, Jacques Thomassen, 2020-07-28

The Handbook of Political Representation in Liberal Democracies offers a state of the art assessment of the functioning of political representation in liberal democracies In 34 chapters the world s leading scholars on the various aspects of political representation address eight broad themes The concept and theories of political representation its history and the main requisites for its development elite orientations and behavior descriptive representation party government and representation non electoral forms of political participation and how they relate to political representation the challenges to representative democracy originating from the growing importance of non majoritarian institutions and social media the rise of populism and its consequences for the functioning of representative democracy the challenge caused by economic and political globalization what does it mean for the functioning of political representation at the national level and is it possible to develop institutions of representative democracy at a level above the state that meet the normative criteria of representative democracy and are supported by the people The various chapters offer a comprehensive review of the literature on the various aspects of political representation The main organizing principle of the Handbook is the chain of political representation the chain connecting the interests and policy preferences of the people to public policy via political parties parliament and government Most of the chapters assessing the functioning of the chain of political representation and its various links are based on original comparative political research Comparative research on political representation and its various subfields has developed dramatically over the last decades so that even ten years ago a Handbook like this would have looked totally different

Compulsory Voting Jason Brennan, Lisa Hill, 2014-06-12 Leading political theorists Jason Brennan and Lisa Hill debate the drawbacks and benefits of voter turnout

Party Government in the New Europe Hans Keman, Ferdinand Müller-Rommel, 2012 This study presents comparative analyses of the process of party governance from formation and duration to performance It compares both the developments in the Eastern and Western part of Europe and uses different types of methods and data are used for comparative analysis

Party Politics and Democratization in Indonesia Dirk Tomsa, 2008-09-03 This book presents the first sustained analysis of Indonesian party politics in the post New Order era and the first systematic application of the increasingly influential party institutionalization approach to the case of Indonesia

Introducing Comparative Politics Stephen Orvis, Carol Ann Drogus, 2024-02-22 Organized thematically

around important questions in comparative politics the Sixth Edition of *Introducing Comparative Politics* integrates a set of extended case studies that vividly illustrate issues in cross national context for 11 countries The cases are placed within the chapters where they make the most sense not separated from the theory or in a separate volume helping students make connections between theory and practice earlier in the semester and giving them a more holistic view of comparative politics

The Chain of Representation Brian F. Crisp, Santiago Olivella, Guillermo Rosas, 2020-03-19 How do formal institutions affect the extent to which democracies adopt policies that reflect the preferences of their citizens Based on a chain of representation model in which electoral rules and policy making powers link citizens politicians and policies this book reveals the conditions under which citizen preferences and implemented policies diverge Comparative quantitative analyses encompassing eighteen Latin American countries show that presidential democracies vary greatly in the degree to which they demonstrate responsiveness to their electorates Often individual presidents with strong legislative powers have prompted policy changes that are unrepresentative of voter preferences Other times their interactions with legislatures result in more representative policies Grounded in clear theory and thorough empirics this study shows how rules can introduce dissonance between voters and politicians but also how they can potentially reduce it This is an excellent resource for scholars and graduate students interested in comparative politics institutional design economic policy and Latin American studies

Is This Any Way to Run a Democratic Election? Stephen J. Wayne, 2018-02-01 The 2016 elections are over but the debate over the fairness and accuracy of our electoral process has never been more contentious Hacking fake news a rigged system voter ID challenges Super PACs and an Electoral College defying the popular vote count all lead to a common question and concern Is this any way to run a democratic election New to the Sixth Edition New data and timely illustrations from the 2016 elections Social media Facebook YouTube Twitter and their impact Fake news vs more objective and traditional election news coverage Election integrity in the face of hacking rumoring and instantaneous news Money the role of Super PACs and billionaire donors as well as candidates Updates and refinements to pedagogical features including chapter introductions end of chapter exercises and online references in the suggested readings

Political Realignment Russell J. Dalton, 2018-11-10 The process of electoral change is accelerating in contemporary democracies and this book explains why The emergence of Green parties in the 1980s and recent far right parties Brexit and Trump's 2016 victory are parts of this overall process *Political Realignment* tracks the evolution of citizen and elite opinions on economic and cultural issues from the 1970s to the 2010s and the impact of these changes on electoral politics and public policy Citizen positions on these cleavages have realigned over time producing a similar realignment in the structure of the party systems to represent these demands Economic issues remain important now joined by divisions on cultural issues as a backlash to modernization Assembling an unprecedented time series of empirical evidence this study explains the new forces of electoral change in both Europe and the United States

The Canadian Election Studies Mebs Kanji, Antoine Bilodeau, Thomas J.

Scotto,2012-01-01 Why do Canadians vote the way they do For more than forty years the primary objective of the ongoing Canadian Election Studies CES has been to investigate that question This volume brings together principal investigators of the Studies to document the history of this impressive collection of surveys examine what has been learned and consider their future The wide ranging collection of essays provides useful background and insights on the relevance of the CES and lends perspective to the debate about where to steer the CES in the years ahead **Beyond Presidentialism and Parliamentarism** Steffen Ganghof,2021 This book elaborates a theory of semi parliamentary government an often neglected form of government that instantiates the principle of the separation of powers by demonstrating how it reconciles important benefits of both presidential and parliamentary systems

Elections As Instruments Of Democracy Majoritarian And Proportional Visions Introduction

In the digital age, access to information has become easier than ever before. The ability to download Elections As Instruments Of Democracy Majoritarian And Proportional Visions has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Elections As Instruments Of Democracy Majoritarian And Proportional Visions has opened up a world of possibilities. Downloading Elections As Instruments Of Democracy Majoritarian And Proportional Visions provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Elections As Instruments Of Democracy Majoritarian And Proportional Visions has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Elections As Instruments Of Democracy Majoritarian And Proportional Visions. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Elections As Instruments Of Democracy Majoritarian And Proportional Visions. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of

authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Elections As Instruments Of Democracy Majoritarian And Proportional Visions, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Elections As Instruments Of Democracy Majoritarian And Proportional Visions has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Elections As Instruments Of Democracy Majoritarian And Proportional Visions Books

1. Where can I buy Elections As Instruments Of Democracy Majoritarian And Proportional Visions books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
