The Three Most Important Things Apostle Joshua Selman,2020-12-23 Not everything in your life produces the same effect as far as your destiny is concerned God gave us 24hours and it s full of several activities that can move us towards destiny but not all of them move us at the same level and not all of them carry the same gravity It is very important we understand this I think one of the wrong perceptions that our generation has is that we allocate equal time equal priority and equal interest to everything and anything Your time for play is equal to your of prayer Your time of gisting is equal to your time of personal development There must be a system of prioritizing your life and I want to show you the three most important things in a man s life in my opinion and supported by scripture These three areas I want to show you today are worth dying for Not everything is worth dying for There are people who have died for nothing there are people who have died the deaths of fool but it is important to know what is worth committing your energy your time and your money At the end of your life there are only few things that will make your life count Believe me when I tell you this In the maze of several activities clamoring for your attention the average young man is like a magnet attracting different things that need your attention in life and I have found out in my little experience and by the privilege of wisdom and mentorship and the word that in the end of your life there are not more than four 4 or five 5 things that are worth living for So in our business an attempt to make money marry serve God grow ministries expand etc all of these things are important but a time must come

in our life where we have to shut the door and ask ourselves what is really important because many of us as I ll be showing you if you don t know what is important you ll major on the minors and minor on the majors Read this book and be Blessed

Building Your Life on the principles of God: The Solid foundation Anthony Bright Atwam, 2014 Lord please continue to have mercy on humanity You have made provisions for everything we need in this world and the world to come Yet many people although desire good life are suffering some are confused others are desperate families are broken down our nation is struggling to cope many people are lost in spiritual matters and sin In this book the author's main argument is that God in his unfailing love for humanity has already provided what people are frantically seeking in life What people need to do is to turn to the Holy Scriptures for guidance This book can be of such help You see when life is calm our foundations don't seem to matter But when crisis come our foundations are tested In this book the author also argues that it is a waste of time and effort for people to build their lives on a faulty foundation Jesus describes God's principles as a solid foundation for people to build their lives on We are strangers in this world therefore we need someone who knows the journey of life to guide us God is the creator of this world and He alone knows the in and out of this world His principles provide guidance for a perfect life The attempts by some groups of people to suppress the knowledge of God in the society have not been very helpful in many ways although they could not succeed For example these people could not provide the society with any viable alternative guiding principles on how people should live their lives This has led many people to turn to wrong sources for guidance sometimes with very little success or no success at all leading to a life of despair hopelessness and failure Because of this suppression of God's word there seems to be famine in our society famine of truth famine of the word of God There is also darkness in our society many people are confused and some do not know what to do with their lives But the word of God is light it gives understanding it gives hope it provides guidance on spiritual matters the salvation of the human soul and solutions to all our problems Sometimes life is easier and beautiful if you know what to do in any situation you find yourself Many people desire a good family life peace joy hope self discipline strength encouragement a connection with a higher being that transcends human existence and meaning to life in their spiritual quest As you read this book know that I am praying for you for all these blessings in Jesus name amen Anthony Bright Atwam According to scripture the church is the salt and the light of this world But the church seems to have locked the resources God has given her to be given to the world in the room and has put the keys in her pocket while the world is suffering One of the things the church needs to do is to start to unpack and release the resources God has given her to meet the needs of postmodern spiritual quest Anthony Bright Atwam
