God Gave Me:

God Gave Me a Rhyme Pat Harold Carter, 2009-03 Three weeks before he turns 18 Pat Harold Carter meets a Southern belle named Evelyn at Louisiana College and he is immediately smitten Under normal circumstances he would proceed with a typical courtship but it is 1944 and so he signs up to join the Navy It is better than being drafted as an infantryman he thinks But two years later and in ill health Pat is still in the Navy Evelyn now a junior is impressed with the cool young veterans who are enrolling in college Against all odds however Pat and Evelyn put faith first and decide to adventure with God They marry and their life becomes a poem full of truth passion and goodness Whether they are in New Orleans San Francisco Texas or in the northern desert of Mexico the couple never fails to learn the lessons of prayer and faith as they confront the evils of the world Take a journey with Pat and Evelyn and interpret their life as a poem of God written in rhyme with the life of Caleb the Old Testament warrior They never stop believing in God Gave Me a Rhyme *God Gave Me Something to Laugh about*

Roger Poudrier, 1993 **But God Gave Me Common Sense** Cathy Jackson Carr, 2012-05-31 I learned about God as a little girl I've always believed in a higher power not having evidence of anything else I accepted there is a God Believing made me fear being struck by lightning or bad things happening if I did them Living a life full of hate deception greed gossip thieving or trying to intimidate just won't on my list of things to do The world has told people they are supposed to abuse and mistreat people when given the opportunity I was always fighting as a child I'd fight anybody I felt was mistreating me That meant a lot of fights I knew once I got to where I wanted to be in life I would never have to argue or fight anybody again I also knew my life would be what I made it I knew if I didn't surround myself with jealousy envy and hate These things would not have a place in my life The abuse of people starts with the young When people are abused from the very young then it's what they learn it's all they know and it's how they think things are supposed to be The abuse trickles into every aspect of their lives With the number of people coming forward today with claims of abuse We should all determine it to be the cause of this vicious cycle we all revolve in It is this vicious cycle that will make me appear to be repeating myself but as you'll soon see everything ties together One thing is a cause or an effect of another Can I be the only person to refuse to become a victim of this system of things Can I be the only person to not just accept abuse from people Can I be the only person to refuse to be a victim of this system of things Can I be the only person to refuse to live a life full of hate jealousy competition resentment and greed among other negative things Can I be the only person to refuse to abandon the beliefs and principals taught in the bible Psychologists have told people abuse and mistreatment by others is a key factor in growing up They say everybody gets this treatment and everybody feels it They say people should suck it up forgive the abuse forgive the person and go on with Our lives But the abuse trickles into every aspect of people's lives This book is an attempt to get people to look at their lives I am comparing the things we see and do every day to what the bible says is right I am not judging you It is not my place to judge anybody The almighty God will judge us all at the appropriate time I will point out however you are judged by people

everyday I am asking you to judge yourself This is a book about love Love of God love of self and love of others Unconditional love That s the only thing God requires of us But what is love I m not sure anybody can answer that question I certainly can t tell you I can however tell you what it is not What nobody should ever believe it to be Most people don t know the first thing about love They have to go on what they ve accepted from people while being told its love People mistake loving people for the need to see and talk to them daily or at least three or four times a week Advances in technology have people not only allowing family and friends into their homes but they are so desperate to be a part of something that they are also opening themselves up to perfect strangers daily Life is what you make it I believe people bring a lot of life s problems on themselves They feel the need to know everything happening in other people s lives they feel the need to tell people what s happening in theirs Too much communication is soon much contamination In this book I ll be telling you what I believe and how I live I ll be telling you what my attempt to live the life God planned for all of us has given me I ll be telling you why I believe God favors me And although I know the things that wok for me won t work for everybody I d be happy just giving people something to think about If just one person is changed for the better my mission will be accomplishe *The Garden God Gave Me* Angela C.
