## God Gives Eternal Life:

The Truth About Eternal Life Al Danks, 2016-06-20 The issue of eternal life where and how we will spend eternity is the most consequential issue we will face in life The difference in the consequences to us if we receive eternal life or fail to receive it are as extreme as they could possibly be Moreover we will have to live with the consequences forever Jesus tells us that entering into eternal life is difficult many will seek to enter and will not be able to Strive to enter through the narrow door For many I tell you will seek to enter and will not be able Luke 13 24 The cost of failing to enter eternal life is so great that we would be beyond foolish not to seek the truth about eternal life with commensurate diligence The Truth About Eternal Life is written to help in that search A Eternal Life We significantly help ourselves find the path leading to eternal life by seeking out what eternal life is This simple step is easily overlooked A good understanding of what eternal life is helps us find the path leading to it perceive our status relative to that path and perceive our status relative to eternal life itself There is a type of life available to us that we are not born with This life is characterized by shalom love peace truth and freedom including freedom from fear and anxiety This is eternal life and we may partake of it now during our temporal life God gives us eternal life through his Word B Our Current Condition We are born with a type of life characterized by corrupt desires These desires bring forth death and are incompatible with eternal life To receive eternal life we must remove the corrupt desires from our being C God s Provision God has given us provision to help us remove the corrupt desires become compatible with eternal life and receive it God sends his Spirit of Truth to guide us into all truth If we ask him he will send him to guide us into the truth of eternal life God has also given truth to us in 1 John that helps us know if we have received eternal life D What Must We do We must enter into a new covenant with God through which he helps us remove corrupt desires become compatible with eternal life and receive it We must be cleansed from the sin caused by the corrupt desires and sow God s Word into our hearts so it can produce eternal life in us **Life with God** Larry White, 2008-07 1 Life with God is a biblical study of salvation and eternal life Through this study Dr White helps us take a close look at God s Word as he explains many fascinating theological concepts relating to knowing Jesus Christ as Lord and Savior His practical manner of teaching is fresh and exciting His deep insights are thought provoking to all who enjoy the Bible both the well studied and beginners too You will enjoy your study of Life with God as Larry leads you from one glorious truth to another Then you will better enjoy your Life with God as you live each day and prepare for eternity Some of the intriguing topics discussed are What does it mean to believe as relating to salvation What is eternal life according to God s Word What causes some to believe but their lives are not changed Why does God condemn unbelievers Why does God not condemn believers What happens to a believer who dies with unconfessed sins What happens to children who die before the age of accountability What must an unsaved person do to be saved Why is it imperative for believers to believe in the eternal wrath of God After almost 30 years of serving as a pastor Larry saw the need to write a book to help believers know what we believe and why we

believe as we do concerning Life with God Larry is confident those who study this book will have gained a better working knowledge of what the Bible teaches about salvation and how to teach preach or share one's faith more effectively Larry has a driving passion for revival and spiritual awakening in America That desire flows from the deepest passion of his life which is the glory of God through the Lord Jesus Christ **God's Answers 4 UR Life** Steve Russo, 2011-04-01 Searching for real answers about life helpful answers that you can really trust God's Answers 4 UR Life responds to 125 everyday life issues from popular Bible versions With relevant topics that include body mod consequences depression eating disorders music purpose and more you'll find just the answers you're seeking as well as relevant life application sections written by popular youth speaker and ministry leader Steve Russo **The Path to Eternal Life** Henry Miranda, 2012-04-24 The Path to Eternal Life gives comfort to those who are in need of God's presence by giving clear descriptions of how the doors to the Kingdom of Heaven are always open and how we can enter by accepting Jesus Christ as our Savior The text explains the presence of the Holy Spirit and aids in understanding our relationship with God and Jesus Christ This book is a must read for the seeker and new Christian It's also a good reminder for the mature Christian that we should never take our Salvation for granted Soundly based on the Word of God each chapter topics are supported with verses of relevant Scripture The Path to Eternal Life is not deep in philosophy religion or difficult doctrine it's simply from the heart of a man who knows the true meaning of once lost and now walking the path of righteousness based on the Bible The Path of Life is a well written book that will be a great blessing to all who seek this path to its fullest Henry shares his testimony that plants a seed nurtures and reaps It is important that we all share our individual testimonies to help guide the lost to the path to eternal life This book closes with precious testimonies of a few who have made the choice to live for Christ and discovered their true purpose in life

Revelations of God Christine Naylor, 2022-03-11 Revelations of God was written for people who are interested in finding and knowing God Through an ancient spiritual practice called Lectio Divina or sacred reading you ll have a powerful way of connecting with God and learning to hear His voice One of the best ways to do that is to read the teachings of Jesus in the New Testament As the living Word of God Jesus example of love and healing shows us the heart of God Jesus says Those who have heard me have heard the Father John 14 7 10 The book is organized in three sections WHO IS GOD WHAT CAN WE DO TO GROW IN FAITH HOW WILL OUR LIVES CHANGE There is one short chapter with a journal entry for each of the 52 weeks in a year giving the reader time to digest and apply insights during that week Each chapter includes Opening message Supporting scripture Lectio Divina meditation Journal questions and notes page Through the Lectio Divina practice you may experience the radical love of God and have your own revelations ultimately transforming your heart and mind with renewed purpose direction and peace This means that anyone who belongs to Christ has become a new person The old life is gone a new life has begun 2 Corinthians 5 17 NLT     *The Idol Demolished by Its Own Priest* James Sheridan Knowles, 1852     *All the Commandments of God* Dr. Esther V. Shekher, 2013-03-29 All the Commandments of God Revealing the Secret to Inheriting God s Blessings opens up God s heart by exploring His commands and His intensions for shaping His children s lives Readers may immerse themselves in the Scriptures as they explore its settings and meanings and discern the directions it sets for modern daily life In this book the first of two volumes Dr Esther V Shekher groups together pertinent biblical passages organizes them and shows how they reveal the path for Christians to follow to inherit the blessings God promises to all who obey His commands If you have wondered what Jesus commands say about daily life how one can follow them and what sort of consequences flow from obedience and disobedience then All the Commandments of God will satisfy both your curiosity and your spiritual hunger Praise For All The Commandments Of God Dr Esther has developed a unique style and format to help honest seekers and believers to better understand all the commandments of God The index serves as an easy guide to finding biblical answers to many of the problems of life faced by people around the world This book will serve to remind those who take time to read it and meditate upon the Holy Scriptures contained in it that there is no higher goal than to seek and apply the wisdom of the Ancient of Days in our own lives Rev Dr David E Stewart Missionary Teacher Trainer for 43 years     **The Extent of the Propitiation; Or, The Question, for Whom Did Christ Die? Answered** James Morison, 1842     **BY GRACE ALONE Volume Two** Moreno Dal Bello, 2019-10-17 The grace of God and the mercy of God are life changing they are destiny changing Grace and mercy diametrically change a man s course of life from being on the

broad way that leads to Hell onto the narrow way that leads to Heaven God changes things Grace and mercy are words of hope not of uncertain hope not a hope based on what you do with them not a flimsy wishful thinking type hope but a definite reliable trustworthy and promised hope A covenant hope A hope that can never disappoint A hope that is sure and unwavering A hope that is eternal The Christian s hope is in the God of grace The Christian s hope is not in the fact he has changed but solely in the One Who has changed him The Christian s hope is in God and His grace and not at all in himself and any of his works The Christian s hope is not in what he has done but only in what God has done in him **The extent of**

Fifth thousand** James MORISON (D.D., of Glasgow.),1842 **Loci Communes** Phillip Melanchthon,2024-05-09 A new translation of Philipp Melanchthon s Loci Communes directly from the original Latin text Bilingual edition with the original Latin manuscript in the back This edition also contains a new Afterword by the Translator Loci Communes is the first systematic formulation of Protestant theology and a foundational text of multiple denominations particularly Lutheranism This also deeply influenced the Reformed tradition as Melanchthon s pupil Zacharias Ursinus was the main author of the Heidelberg Catechism In Melanchthon s own words it is about the proper dogmas of the Church about God about eternal things about the Law of God about Sin about the Gospel about Grace Justice and the Sacraments and later also the doctrine about civil life This Systematic Theology was first published in 1521 in New Latin which was proofread by Luther and published the same year Luther never wrote a systematic theology because he considered the Loci Communes to be a sufficient summary of Evangelical doctrine He wrote next to Holy Scripture there is no better book and at one point he talked about adding it to his Biblical canon We possess no work wherein the whole body of theology wherein religion is more completely summed up than in Melanchthon s Common place Book all the Fathers all the compilers of sentences put together are not to be compared with this book It is after the Scriptures the most perfect of works Melancthon is a better logician than myself he argues better My superiority lies rather in a rhetorical way If the printers would take my advice they would print those of my books which set forth doctrine as my commentaries on Deuteronomy on Galatians and the sermons on the four books of St John My other writings scarcely serve a better purpose than to mark the progress of the revelation of the gospel

**The Divine Dispensing of the Divine Trinity** Witness Lee,1990-06-01 Dispensing means to distribute God dispenses Himself to you just as you may dispense food to your guests Many readers of the Bible have realized that in the Gospel of John the Father is revealed the Son is revealed and the Spirit is revealed But not many have realized that in the Gospel of John the Triune God the Father the Son and the Spirit is revealed for the dispensing of Himself into us first as life then as life supply and then as everything **The Unsolved Problem** Alexander Marshall,1924 **Study John's Gospel** Paul Avent,2010-09-28 There is no available information at this time Expository Notes, with Practical Observations on the New Testament of Our Lord and Saviour Jesus Christ William Burkitt,1856
