God in a Rolls Royce John Hoshor, 1936 African American Religious Thought Cornel West, Eddie S. Glaude, 2003-01-01 Believing that African American religious studies has reached a crossroads Cornel West and Eddie Glaude seek in this landmark anthology to steer the discipline into the future Arguing that the complexity of beliefs choices and actions of African Americans need not be reduced to expressions of black religion West and Glaude call for more careful reflection on the complex relationships of African American religious studies to conceptions of class gender sexual orientation race empire and other values that continue to challenge our democratic ideals Political and Americana Memorabilia Heritage-Slater Americana, 2005 **God, Harlem U.S.A.** Jill Watts, 1992-01-10 How did an African American man born in a ghetto in 1879 rise to such religious prominence that his followers addressed letters to him simply God Harlem U S A Using hitherto unknown materials Jill Watts portrays the life and career of one of the twentieth century s most intriguing religious leaders Father Divine Starting as an itinerant preacher Father Divine built an unprecedented movement that by the 1930s had attracted followers across the nation and around the world As his ministry grew so did the controversy surrounding his enormous wealth flamboyant style and committed angels black and white rich and poor alike Here for the first time a full account of Father Divine s childhood and early years challenges previous contentions that he was born into a sharecropping family in the deep South While earlier biographers have concentrated on Father Divine s social and economic programs Watts focuses on his theology which gives new meaning to secular activities that often appeared contradictory Although much has been written about Father Divine God Harlem U S A finally provides a balanced and intimate account of his life s work Thou Kingdom Come Robert J Monk Is God's Secret Agent Stephen John Lambourne, 2012-01-18 In modern day France a Cambridge theologian Jacob Jenkins is secretly imprisoned in a mental institution Not because he is mad but because he knows the biblical Merchant s secrets the same Merchants mentioned and warned about in the Book of Revelation rather than killing Mr Jenkins the Merchant s are drawing out of him the decoded information he has uncovered in the Book of Revelation that foretells the Merchants manipulation in the biblical End Times and Armageddon event which help bring about the fabled 2nd coming and rise of the Beast 666 But the Merchant s plans are found out by a secret Christian order and one of their agents Robert J Monk is charged to extract Mr Jenkins and bring him back to England where he can tell the world of the Merchants evil plot and how they are planning their evil plot with the mighty Dragon and the fabled Beast all of these evil elements are shown to be controlling a state within a state and are using their combined Communist and old Soviet spy networks that were nurtured and developed within the west to collapse their combined enemy the West itself With the secret orders history of protecting Christian pilgrims throughout time and with their blood spilt on many conflicts Robert J Monk s mission to bring Mr Jenkins back to England should on the face of it be a easy one with all the orders modern and ancient technology and weaponry at Monk s disposal but it quickly turns into a struggle between good

and evil has the Merchant's evil empire is unleashed upon them Stephen Lambourne weaves together a modern day spy story with ancient medieval Christian history while encompassed simply code breaking formulas allowing biblical scripture to be cracked open like an oyster allowing the stories main characters to explain to the reader a compiling pictures of present day events happening in today's world with those written down in the Book of Revelation just under 2000 years ago The readers eyes will be opened to why events you had through was not linked are indeed planned and well under way Worst of all they are being planned and organized by the West's old enemies and the fabled Beast
