T. Wright, 2004-01-01 Enlarged print edition now available Making use of his scholar's understanding yet writing in an approachable and anecdotal style Tom Wright captures the verve and sparkle of these letters Paul wrote the letters while in prison facing possible death but their passion and energy are undimmed They reveal Paul's longing to see young churches grow in faith and understanding rooted in Jesus himself and to see this faith worked out in practice Wright's stimulating comments are combined with his own fresh and inviting translation of the text Tom Wright has undertaken a tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text Each short passage is followed by a highly readable discussion with background information useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today A glossary is included at the back of the book The series is suitable for group study personal study or daily devotions **What Christians Ought to Believe** Michael F. Bird, 2016-07-05 Summarizes the basic tenets of the Christian faith using the Apostles Creed as its entryway The Apostles Creed is a treasure trove of basic Christian beliefs and wisdom that helps ensure the integrity and orthodoxy of our faith Sadly modern churches have often hesitated to embrace the ancient creeds because of our nothing but the Bible tradition *What Christians Ought to Believe* will open your eyes to the possibilities of the Apostles Creed as a way to explore and understand the essential teachings of the Christian faith Michael Bird deftly weaves together theological commentary tips for application and memorable illustrations Each chapter following the Creed's outline introduces the Father the Son and the Spirit and the Church An appendix includes the Apostles Creed in the original Latin and Greek *What Christians Ought to Believe* is ideally suited for both the classroom and the church setting to teach beginning students and laypersons the basics

of what Christians ought to affirm if they are to be called Christians *Jehovah's Witnesses* Edmond C. Gruss, 2001 **Acts**

N. T. Wright, Dale Larsen, Sandy Larsen, 2010-07-02 With a scholar's mind and a pastor's heart N T Wright guides us through the New Testament book of Acts moving us from the world in which it was lived into the world in which we must live it again

Twenty four sessions for group or personal study **Transitions** David Mosser, 2011-01-01 Preacher and teacher David Mosser offers practical and spiritual guidance for pastors struggling to manage and respond to changes in the economy changes in their neighborhoods changes in their denominations changes in the congregation changes in culture and the life changes present in every parishioner's life Wise words from authors such as Alyce McKenzie David Buttrick Joanna Adams and Thomas Long all contribute to this most timely and helpful book *Choose You This Day, Second Edition* Paul C. McGlasson, 2023-07-27 The American church is in crisis The crisis is not caused by the politics of Trumpism though that is the occasion for it The crisis is evoked by the great challenge which every generation faces to follow Jesus Christ in the way of discipleship The word of God's promise sets before American Christians a simple but dramatic choice in the face of the toxic politics of Trumpism Yes or no Each must choose and the gospel itself is at stake Theology for Better Counseling

Virginia Todd Holeman, 2012-10-03 Seeking an adequate response to the theological disequilibrium of many of her patients Virginia Todd Holeman set out to explore the connections between theology and the practice of counseling Her trinitarian reflections will help students and practitioners create new pathways between theology and therapy **The Lion Led the Way** Dwight Hutchison, 2021-07-07 Was there a meaningful stellar sign over Bethlehem What did it look like to someone looking up at the night sky Did wise men really come from the East seeking Israel's Messiah sometime after the birth of Jesus The biblical account of the wise men and the star that announced the coming of the Messiah of Israel has inspired and puzzled people for two millennia Important aspects of Babylonian astronomy seem to be involved in understanding the star's appearing But in addition The Lion Led the Way also explores the men and events from a profoundly Jewish perspective The traditional Jewish names of stars and planets Jewish symbols as well as Jewish dates all seem to be keys to unlocking the mystery of the famous star The star of Bethlehem was not the brightest of the heavenly lights nor was it the most spectacular starry manifestation of all time However it was part of the most meaningful set of celestial events in human history The God of Israel is surprising His ways are not our ways his thoughts are not our thoughts The star gives us a concrete example of God's intervention in the universe Book website www.starofbethlehem.info **Apocalypse Delayed** M. James Penton, 1997-01-01 M James Penton offers a comprehensive overview of a remarkable religious movement from the Witnesses' inauspicious creation by a Pennsylvania preacher in the 1870s to its position as a religious sect with millions of followers world wide This second edition features an afterword by the author and an expanded bibliography *Church Doctrine, Volume 5* Paul C. McGlasson, 2018-07-02 The present volume is the fifth in a five volume study of church doctrine The multivolume set covers the major parts of church doctrine Canon God Creation Reconciliation and Redemption The first

volume begins with an introduction to the entire project on why doctrine matters which stresses the ecumenical global and above all biblical horizons of church doctrine as a primary expression of Christian witness. The purpose of this fifth volume is to explicate the full reality of God's redeeming love for the whole creation. In the doctrine of redemption the church looks forward in hope. Through the gift of the Spirit at Pentecost the church is gathered out of all nations and peoples of the earth and looks forward to the coming day of final redemption for the whole cosmos. Yet even now the promise of God's coming is active in the world rendering the church into a new humanity establishing a new society calling every individual to a new life of joy in discipleship. Church doctrine is not a luxury but a necessity for the living community of faith by which its witness in word and deed is tested against the one true measure of Christ the risen Lord. Hearing John's Voice M. Eugene Boring, 2019-11-05. This book is written in the conviction that the church is called into being and nourished by the Word of God that comes through Scripture. But how can Scripture offer any specific guidance for hearers' lives today? What are modern readers to make of the dragons and slaughtered lambs in the book of Revelation? What are we to make of a man who turns water into wine while comparing himself to bread? Can people today know what the Bible says and means? The world of the Bible is strange and distant not only in time and space but also in language, culture, and in its basic assumptions about reality. The first task in both pulpit and pew is not to be in too great a hurry to overcome this distance but to acknowledge it and respect it. Communication across the gap is the task of the church's preachers and teachers. Drawing on his years of teaching and study, Gene Boring offers a way of opening the ears of those who take the message of the Bible seriously, a message from a world different from our own. Beginning with Revelation, Gene provides a historically informed and pastorally sensitive reading of the various Johannine voices in the New Testament for contemporary preachers and teachers. Homiletic Review, 1909. *The Conversion of the Nations in Revelation* Allan J. McNicol, 2011-04-28. Allan McNicol examines the Conversion of the Nations in the book of Revelation together with the author's vision for final redemption. Allan McNicol examines the longstanding tension between the author of Revelation's description of the destruction of unrepentant nations early in the book in contrast with their final experience of salvation in Rev 21:24-26. McNicol examines how the author of Revelation interprets and refashions both scripture and the myths of the age in order to lay out his vision of redemption leading to his ultimate conclusion that human political power, Rome, will crumble before the influence of the crucified Jesus. Through careful attention to references to the pilgrimage to the Gentiles in prophetic literature, McNicol is able to draw valuable conclusions as to how the core tension examined may be resolved. This exegesis in turn is able to show how the author of Revelation's alternative voice to Rome's power emerged among a small minority community in the Eastern Roman Empire and gained plausibility. This voice not only could articulate a construct of its own vindication, thus empowering its own converts, but it also construed a new destiny for the nations themselves, separate and apart from Rome. Faith, Politics, and Belonging Ian Geary, 2024-07-19. Drawing on the author's years spent working in and around Westminster, this essay

collection provides a personal perspective on the themes of faith politics and belonging To understand identity and place we need faith Faith should lead to engagement in the wider world and engagement in the wider world should deepen our faith and sense of purpose In three sections each drawing on his experience Ian Geary reflects on the cognate themes of faith politics and belonging Each section concludes with some questions for discussion and some suggestions for further reading Written from personal experience via immersion in British political life and informed by his understanding of theology the author seeks to animate a generous debate about the key themes not to secure readers attachment to a cause or political ideology These essays are written in the hope that Christians engaged in politics will find them helpful and that they will also reach a wider audience to show how viewing politics through the lens of faith might yield a fresh perspective Ian Geary would venture to suggest that politics despite its critics is a necessary and good thing

Conception, Reception, and the Spirit J. Gordon McConville, Lloyd K. Pietersen, 2015-09-04 A number of distinguished biblical scholars and theologians come together in this volume to honor the life and work of Andrew T Lincoln The title of this volume reflects Andrew Lincoln s lifelong interests in Christian origins the reception of biblical texts in believing and scholarly communities and the embodiment of the gospel in believing communities made possible by the Spirit These essays cover exegetical matters theological interpretation and theology and embodiment Several essays engage directly with Lincoln s monographs Truth on Trial and Born of a Virgin

Surprised by Hope N. T. Wright, 2008-02-05 For years Christians have been asking If you died tonight do you know where you would go It turns out that many believers have been giving the wrong answer It is not heaven Award winning author N T Wright outlines the present confusion about a Christian s future hope and shows how it is deeply intertwined with how we live today Wright who is one of today s premier Bible scholars asserts that Christianity s most distinctive idea is bodily resurrection He provides a magisterial defense for a literal resurrection of Jesus and shows how this became the cornerstone for the Christian community s hope in the bodily resurrection of all people at the end of the age Wright then explores our expectation of new heavens and a new earth revealing what happens to the dead until then and what will happen with the second coming of Jesus For many including many Christians all this will come as a great surprise Wright convincingly argues that what we believe about life after death directly affects what we believe about life before death For if God intends to renew the whole creation and if this has already begun in Jesus s resurrection the church cannot stop at saving souls but must anticipate the eventual renewal by working for God s kingdom in the wider world bringing healing and hope in the present life Lively and accessible this book will surprise and excite all who are interested in the meaning of life not only after death but before it

Seven Jeff V. Cook, 2008-10-21 Our world is charged with both the grandeur of God and the void of his absence The seven deadly sins are the force causing that hole They are at work in each of us They decimate our relationships our souls and our world These deadly sins often seem pleasing and good for gaining what we desire but they are thoroughly poisonous Conversely the Beatitudes are Jesus pictures of a restored creation The

Beatitudes introduced what Jesus said to his earliest followers about a life strong and fruitful In fact the Beatitudes give us a glimpse of a world empty of evil and filled to the edges with God s life Looking at the Beatitudes and the seven deadly sins in turn we see two paths two sets of invitations Both call to deep places within us to come and taste Both invite us to take up residence Both present themselves as life as it actually is But only one will draw us further into reality And only one will make us happy Of the many many books about the Gospels or about Jesus or about Christian morality only one in a thousand gives us a real breakthrough a new big picture Most are just nice little candles on the cake Seven is a bonfire It s not just good it s striking It doesn t just say all the things you ve heard a thousand times before And yet it s totally in sync with both the saints and the scholars Peter Kreeft professor of philosophy at Boston College and author of over forty five books including Fundamentals of the Faith
