I Wanted To Live Carole Usher, 2014-07-11 This book of poetry talks about the loss of a daughter How her dreams have been taken away forever Sometimes our dreams are taken away because of the action of another And how can the parents of missing childeren go own in their life Where are their childeren The pain they feel is real And what about a young woman that was sleeping on the street because of hard times Thank God there was a man who knew of the goodness of God and he cared by helping her When families are taken away it will never be the same again without them There have been alot of changes in this world and they are not always good Open up your eyes and just look around Some people are hurting because of problems not of their making Can your warm words heal their pain Can you share their pain to help another Wake up Perfect Ouestions, Perfect Answers His Divine Grace A. Masterpiece in The Making ,2018-11-11 Talking about moving into the unknown moving out from the comfort zone the showstopper is usually fear I ve learned since I was very young that if I face that fear I will find that fear is unreal and it will subside The fear is just like a shadow a reflection of my own negative judgment my own condemnation to myself my lack of faith When I was kid I loved swimming I loved being in the water Not only for the coldness of the water but also for the sense of freedom it conveys Under the water I felt so free There s no other noise just myself alone I was an introvert kid so naturally I enjoyed being alone in silence under water It gave me peaceful feeling But one day my younger brother accidentally almost drowned me He was practicing and for some reasons he suddenly panicked He tried to get anything he could hold on to which that time happened to be me who was swimming next to him He pushed me down so he could get up But I wasn t prepared I was in shock And I lost control My panic didn t help All the water went inside through my nose and

mouth I couldn t breathe More water comes in when I tried to Everything went dark Luckily my brother's swimming coach saw it and he pulled me up But since then I had my own fear of water I can still swim in the pool but I could not love nor enjoy it as I did before the incident This fear stopped me from swimming in the sea in which the fear multiplied since I can t see the bottom of it It made me feel insecure It made me feel that I would definitely drown But I knew that this fear stopped me from growing So one day I decided to face it I went to Padang Bai Bali alone I took certification of open water dive I could easily learn all the theories But when the test in the sea was starting Well it was the toughest When the test first began I got that cold feeling started to cripple up I could feel my palms started to sweat although the water was cold My heart picked up a pace and that cold feeling transformed into anxiety I remembered my drowning incident so vividly That time I could only feel the waves and the terror I could feel the echo of that terror Terror of losing my breath of inhaling lots of water of swallowing them the coldness and the darkness I saw as I drowned But I convinced myself to relax I told myself that I had my instructor there and she would not let me drown I reminded myself and got my mind to focus on the reason why I was there in the first place to face my fear So be it As I jumped into the water I felt that the anxiety was still there I could feel my breath was racing fast as my heart picked up the pace But when I started to see all the beautiful corals fishes and nudibranches I forgot my fear The fear just went away evaporated washed by the sea I used to love climbing the rose apple tree at my parent's house in Bandung But during one of those climbs a branch that I stepped on broke and I almost fell down Like me and swimming this accident developed fear in me fear of height But the lesson I learnt from my scuba diving experience encouraged me to face my fear of height so I went on to learn sky diving The first time I was about to jump from the plane I felt that my heart stopped beating for a while but it was too late to back off I could only move forward and jump off For seconds after I jumped my breathing stopped I felt as if half of my soul decided to stay on the plane But the next second I began to feel that sense of freedom I could fly Free from the fear I have wings It was an awesome feeling I got addicted to sky diving Something I never would ve imagined before As I developed as a person more fears came to me Nowadays I m still left trying to face the fear of being vulnerable to other human beings I m a very private person and it s very hard for me to share my personal experiences with others not even to my best friends or family Even in my darkest moments I still find it hard to share with others no matter how close our relationship is Adding up to that I feel like I can only find my strength only by contemplating all on my own The fact that today I write my personal experiences here is something that I couldn t imagine I would do before I never had the confidence to become vulnerable I ve never had any experience in writing But I want to face my fear of being vulnerable By writing this book I learn to become comfortable of being vulnerable What finally triggered me to write this book was my kind hearted friends who had been encouraging me to share my experiences in overcoming a challenge a challenge that goes by the name cancer They encouraged me to share the hope with others who are in the midst of challenges as well whatever challenges they have in life While I was inspired to face my fear of

being vulnerable what eventually moved me was the people who reached out to me asking me to share the hope I experienced And as I shared it to them I could see that little twinkle in their eyes It was such a blissful moment I feel so blessed and my faith to God is strengthened Another friend who I ve never met before but also encouraged me to start sharing is Gwen She lives in Philippines and she coincidentally read my story from the hospital in China She contacted me through Facebook Messenger Gwen told me that my story had inspired her to never give up in her battle with cancer All of them have inspired and encouraged me to start writing and sharing By beating my fear of being vulnerable I could share hope with many more people out there Therefore I m willing to become vulnerable if it could help others to win their battles I didn t do this in vain I m not better than anyone I just wanted to share because I have received so much love and abundance of blessings so many and so much that I can t possibly keep it for myself alone I need to share it with others so others could also see and feel all the love and blessings God has bestowed upon us I want people to experience His miracles to never give up in realizing the masterpiece in them This book is not my tool to preach my beliefs and I don't expect people to accept all my perspectives I simply hope that my stories could at least help to provoke the mind to seek the truth to seek our true self that will help us to experience God Most of us today myself included knows only of false truth believing and following as what is dictated by society whereas it is not always necessarily the truth Most of the time it only introduces us to insecurity making us superficial We agree with society because we re insecure to be different afraid to be rejected But once we try to seek the truth our true self we will see the hope We are all a work of art working our ways to become a masterpiece Life is a vessel to realize the masterpiece in us Not only the opportunities the challenges as well Challenges in life are not tragedy not a condemnation they are blessings. The challenges are there to help us realize the masterpiece in us. They re a tool to bring out the best in us turning our ordinary selves to become extra ordinary We learn and grow to become the best version of us through all the challenges we face I hope this book can turn to be a blessing for the people who read it Result from the book sold later on will be 100% donated to those in needs after deducted by the publisher fee if any Lokah samastah sukhino bhavantu May all beings be happy May all my thoughts words and actions contribute in some way to the happiness of all A Woman of Pleasure Kiyoko Murata, 2024-02-27 An unforgettable novel of fearless women banding together to beings pursue the lives they want inspired by the real life historic Japanese courtesan strike In 1903 a fifteen year old girl named Aoi Ichi is sold to the most exclusive brothel in Kumamoto Japan Despite her modest beginnings in a southern fishing village she becomes the prot g e of an oiran the highest ranking courtesan at the brothel Through the teachings of her oiran Shinonome Ichi begins to understand the intertwined power of sex and money And in her mandatory school lessons her writing instructor Tetsuko encourages Ichi and the others to think clearly and express themselves By banding together the women organize a strike and walk away from the brothel and into the possibility of new lives Based on real life events in Meiji era Japan award winning and critically acclaimed veteran writer Kiyoko Murata re creates in stunning detail the brutal yet

vibrant lives of women in the red light district at the turn of the twentieth century the bond they share the survival skills they pass down and the power of owning one s language Love and Acceptance Annette Robertson, 2009-10 I refused to let go of my confidence or the actuality of the love and acceptance Jesus held for me even if I was flawed with a mental illness The cycle of dysfunction spun Annette Robertson's life out of control until it was ruled by a mental illness God's promise to heal her sustained her for ten years until the day of restoration arrived After taking back the territory of her mind that the devil had tried claiming Annette discovered how Love and Acceptance of oneself is learning to appreciate who God designed her to be Despite the obstacles within Annette's mind God's love helped her to accept who she was even at her worst Readers will see through this inspirational story that Love and Acceptance of others across denominational lines begins with an appreciation for individuality Freedom from the darkness of diversity fades into the illuminating sovereignty of God that unveils the beauty within all who are shaped for his glory Annette offers from her experiences both insight and practical teaching that gives the reader tools useful in facing the weapons the evil one wields against God's children I trust that you will be blessed in this reading as the Holy Spirit speaks through Annette's life to you John Bailey Pastor at Church of Christ Charlotte Michigan Annette Robertson avidly serves in various ministries in her local church Through God's healing power and fervent love she has seen the significance of his supremacy triumphing over evil which will break barriers and build bridges of unity between those he loves Annette and her husband Deitrice currently reside in Charlotte Michigan where they enjoy spending time with their family and friends The Will of God, the Key to Your Success Rick Renner, 2019-03-19 Are you ready for a life filled with adventure A faith filled adventure awaits you as you step out to do what God is beckoning you to do It may seem daunting at first but once the journey begins you ll never regret that you left your comfort zone to follow His leading But as you step out in faith it's essential that you stay **Rich, Richer, and Richest Study Guide** Denise Renner, 2024-10-01 There Is An Abundant Treasure Inside You There are many rich people in the world but these same people are actually poverty stricken in the place it really matters their spirit The good news is that if you are born again there is an abundance of riches within you In her newest series Rich Richer and Richest Denise Renner draws from Scripture to teach you about the rich inheritance afforded to every believer by the Lord In this 5 part series Denise explains that believers are spiritually rich because God is your Heavenly Father God brings your spirit to life God has given you a heavenly inheritance God's exceeding power goes beyond our thinking God's perfect love fills your heart You will be enriched in every way as these truths come alive in your spirit and empower you with more confidence in the abundant treasure that lies within The Left Behind Olufemi A. Ijiwoye, 2018-06-19 As a believer whenever we hear about the left behind we immediately vou think about the Rapture We instantly think about the unbelievers or those that have not accepted Jesus Christ into their lives We always think about how unbelievers will remain in this world during the Rapture to face the Antichrist and believers will be caught up with Christ in the sky and gloriously taken into heaven I received a revelation about the left behind that greatly

transformed my life and my walk with the Lord The Lord instructed me to write this book to enlighten all believers and born again Christians about the topic of being left behindnot from the traditional thought or understanding that we all have about this topic but from a different perspective which is believers that are left out of Gods plan purpose or agenda in their generation even though these believers are consistent and devout churchgoers Intruder Peter Blauner, 2011-04-12 He doesn t wait for an invitation Can a good person go too far to protect his family That is the question underlying The Intruder a gripping tale of a family fighting for its life Having survived a childhood of beatings and psychological torture successful Manhattan lawyer Jacob Schiff cherishes his stable family life with his wife Dana a psychiatric social worker and their teenage son Alex But Jake sees it all unraveling when Dana's patient John Gates a homeless man starts stalking her and menacing the family As Gates behavior becomes even more bizarre and violent Jake is driven to the breaking point and takes a fatal step that could destroy everything he cares about Written with lacerating authority The Intruder is a classic powerful thriller that thrusts Peter Blauner into the ranks of major contemporary authors **Self-training in Prayer** Alan Hugh MADMANKNITTING or Slip, Slip, Knit Gregory Patrick, 2015-03-11 More than just a collection of blog McNeile,1925 posts Slip Slip Knit is a series of meditations and essays by a homeless man attempting to survive by knitting Beginning in 2011 and ending in 2014 these blog entries explore a sense of spirit and survival through knitting From living in the woods twenty miles from the nearest town to success as a crafter Slip Slip Knit delves into the hope and ambition of any artist who attempts with whole heart to survive on their talents hope and a sense of purpose CHRISTIAN COMMUNICATIONS And HUMAN RESOURCES Dipo Toby Alakija, 2016-04-12 The world is not in need of those who will fix errors of humanity but in dire need of matured Christians who would use their gifts to communicate the word of God and lead their families the Church communities and their countries in the way of righteousness Very few of them however seem to have what it takes to take their positions as leaders and ministers in their spheres despite their God given potentials Thus this Course Book a compilation of five resource materials on Christian Oral Communications Christian Drama Communications Christian Musical Communications Christian Human Resources and Children Evangelism makes serious attempts to introduce everybody into various creative ministries that are required in the Body of Christ and in the world It teaches in a simple manner the management of human resources and the ways Christians can use their gifts to reach out to souls through speaking writing drama media musical and children ministries The resource materials equip and help individuals to identify their callings providing Biblical principles and guidelines on how to be effective and productive in the service of the Lord in spite of the The Writing on the Wall Justin Brent Wallace, 2024-09-13 The Writing on the Wall concerns a partly hostile environments autobiographical example of a real modern day miracle that Justin Brent Wallace received only as a result of daring to completely trust and effectively discern the voice of the Holy Spirit This also proved to him God's existence beyond doubt Herein the author reveals and discusses all the relevant circumstances showing the proof of God's existence and analyzing

the result hoping to teach others how to better see and discern the Holy Spirit's presence in their lives He urges the reader to apply what he reveals supported by numerous Bible verses Heeding the Holy Spirit's voice leads to rewards of greater faith and knowledge of God as well as the assurance of living his will **The Right Choice** Joseph Figueredo, 2014-08-29 The year is 1510 and 10 yr old Krishna and his friends are clamouring through the sand dunes and coastline near their village in the Konkan region of India called Goa Suddenly they spy tall strange ships sailing towards the coast This is the story of the Portuguese arrival and conquest of this area of India and how the lives of Krishna his family and friends are affected over the next 60 years as the Portuguese claim the territory for their own and instill their own traditions and seek to convert the typically Hindu natives to the new religion Catholicism **Shard of the Ancient** Loki, 2007-02-17 Imagine for a moment that all the faerie tales you heard in the days of youth were true That pixies and trolls and wizards really did roam the Earth in long ago days You might wonder Where did they go They didn t go anywhere In the shadows and hidden places of today s world goblins sharpen their knives while ogres load their shotguns Wizards ply their trade from the inner city replacing lonely tower sanctums with towering skyscrapers And humanity has no idea Not until a man who does not come from the world we know stumbles across the unseen presence lurking outside common vision prompting a pursuit that spans the globe to discover the mystery of the Nocnistu Sought Through Prayer and Meditation Geno W., 2010-01-28 An inspiring collection of meditations prayers and insights designed to facilitate the weekly practice of the 11th step heightening our conscious contact with God as we understand him Each year hundreds of men and women cross the threshold of the Wolfe Street Center in Little Rock Arkansas Many of them attend the Hour of Power a weekly Sunday morning meeting focused on heightening one's spiritual awareness and growth by focusing on the Eleventh Step of Alcoholics Anonymous Sought through prayer and meditation to improve our conscious contact with God as we understood Him praying only for knowledge of His will for us and the power to carry that out This special book designed for weekly study offers a prayer a meditation and related insights from the discussions that emerged during the Hour of Power Sought Through Prayer and Meditation brings the insights of the collective consciousness of the Wolfe Street groups to recovering people everywhere This book reminds us that if we are vigilant in our spiritual pursuit we may well achieve what is promised a glimpse of that ultimate reality which is God s kingdom Geno W
