## **God Is From Question To Proof To Embracing The Truth:**

**God Is** Joseph H. Casey, 1998-08-20 *God Is* clears away the psychological attitudes that impede insight into God's existence using nontechnical language that leads readers step by step to an affirmation of the presence of an uncaused entity. The author builds a quasi empirical argument that should reveal where a reader is reluctant or refuses to advance in ascent to God and creates the necessary confrontation with naturalism fundamental to any of God's existence proof. He uses Grisez's quasi empirical argument while taking into account the major works covering this subject to date to devise a rational philosophical approach to knowing God in a deeper clearer more effective manner without depending on a previous knowledge of philosophy. However he moves beyond a cerebral approach to proof to encourage a relationship with the God discovered through this process.

Why Buddhism? the Evil of Religion Joseph T. Arellano, 2004-04 This work supports the proposition that the eradication of religion will make us live as one and there is only one way to remove religion and that is to remove the need for it. Armed only with reason this work will prove that due to ignorance religion is just an invention to fill a need. This work has three segments. The first explores from the point of view of a Christian practicing Pagan the process on how myth became reality. It will prove that God was invented and re-invented perpetually for necessity and convenience. It is that need that gave the bible its religious relevance. Understood with a naked mind the bible is far from being just a religious document but a political one. This work explores why religion and politics cannot and will not separate. Hence unavoidably it dipped its hands into one painful political issue the Israeli Palestinian conflict. The second part elucidates that if the foundation is a myth it only follows that what was founded on it Jesus is a lie. It will give proof to the fact that the New Testament was manipulated to further vested interest. Understood with an unconditioned mind that is without the traditional spirituality attached to it it will prove that Jesus is just selfishly scheming to regain his grandfather David's throne. It will also prove that Jesus is gay. The last part is my way of introducing Buddhism. It could shed light to what Western science is exiting themselves about. It answers why man will never find the Missing Link. It explains how and why advanced civilizations deteriorated to their present state. In our fight against virus causing disease we must explore all avenues to defeat it. Buddhism offers one. Buddhism is not only about science it is also about religion. It delves into the reality of a soul. Buddhism gives us reason on why we must discriminate on account of race or for any other reason.

*Bible Answers to World Questions* Kris Doulos, 2007-02 An explosion. Two seconds later the report of a gunshot. In a wisp Jake Braddock's entire life drastically changes. One moment he is building a sandcastle with his family on a Miami public beach the next he is holding his wife's body and realizing that his infant son has been abducted. In *Eight Ball Justice* Dade County Homicide Detectives Sherm Walters and Sebastan Xollo initially assume these are simply revenge crimes. The year before Jake then head of security at Miami International Airport played an important role in not only thwarting a bioterror attack on the airport but also capturing Osama bin Laden's eldest son. One group. When Sherm's close friend Dr Roxanne Shockley draws their attention to

the suspicious death of a Middle Easterner they realize they are in a pissing match with the big boys Two groups Al Qaeda and another As they delve further into the crimes they find themselves pitted against seemingly invincible foes Dr Roxanne Shockley Foxy Roxy to her friends a forensic pathologist and romantic interest of Sherm s points them in the right direction early in their investigation Roxy s brother Mike Shockley a former Vietnam War Medal of Honor winner and Rhodes scholar helps the Sherm and Sebastan see the entire scope of the crime It s more than they can fathom The investigation starts in Miami Florida and ends up in the Federally Administered Tribal Areas of Pakistan Along the way every effort is made to silence the duo as they dissect out the meticulously conceived stratagem of the operation The fate of all involved including Jake s infant son hangs in the balance until the tumultuous conclusion
