**Living Your Jesus Reality** Erich Fuls, 2012-03-14 Living Your Jesus Reality penned by author Erich Fuls presents that Jesus in Person came to reside in every born again believer Jesus lives here on earth in believers to implement the words and works of Almighty God The author grapples with these questions Why does the world not see Christ fully alive in and active through Christians Have Christians taken Christ out of Christianity The book flags that Christianity is dead apart from Christ living in His people and He Himself transforming the world through them Readers will be challenged to discover meditate and implement the truth that every believer is supposed to live from through and to Jesus alive in them The sharp shooting and compact style of the 60 essays and poems gives much food for reflection in every section without a long reading requirement This book is for everyone who wishes to know why there is such a glaring discrepancy between what Jesus prepared and promised for all and what one sees in Christian circles today Furthermore this book is for all Christians who are hungry to know and show Jesus in their everyday life for real Every Christian who is tired of a fake self based religious and ritualistic Christianity and seeks revival in his own life will get much blessing from this book Christians who want to live from through and to Jesus Christ in Person here within them need to read this book Faithfully following the Biblical teachings of this book will reveal God Jesus in Person in God s children and in action from within them

**Religious Experience Axioms** Ivan A. Ilyin, Every religious belief and practice is based on a special religious experience This experience requires reverent attention and a careful creative attitude from a person the believer must take care of his faith his spiritual purity and the conformity of his experience with God A religious person needs to spiritualize purify strengthen grow deepen and form his spiritual experience otherwise the force of natural needs the pressure of everyday circumstances calculations interests and compromises personal blindness and the power of ever eroding time will weaken distort and degenerate this precious experience and imperceptibly from generation to generation they will lead him to weakness and decay This is exactly what is happening to modern humanity it still has religious organizations dogmas teachings and rituals but its religious experience is losing its life authenticity and sincerity the power

of its fire and light and this weakness deprives him of ideological and vital creative strength and makes him confused in the fight against the rebel and militant atheism Christian Classics in Modern English Bernard Bangley,2000-03-07 With today's accelerated pace of life preoccupation with careers and family demands there is little time for celebrating our humanity and even less time for seeking God So how does a twentieth century believer set about living as a Christian in such a society The writings of devout pilgrims such as Brother Lawrence Thomas Kempis and St Augustine refocus our attention on the basics of the Christian journey Retold in the language and setting of our world today these classics offer timely messages of startling relevance to Christians and those interested in Christianity *The Journal and Messenger* ,1918 *An Exposition of All the Books of the Old and New Testaments* Matthew Henry,1804 The Message Prayerful Reading Bible (Softcover) Eugene H.
