God Is The Guru:

God is the Guru Harvey Freeman,1976 Sri Guru Granth Sahib Discovered Hakim Singh Rahi,1999 Sri Guru Granth Sahib plays a very important part in the life of the Sikh Community It is read regularly in Gurdwaras and occasionally in homes on happy or sad occasions The reading of the whole Granth is called Akhand paath non stop recitation or reading Selections for morning and evening prayers are taken from the Granth and read daily by Sikhs The whole life of a Sikh revolves around this book Despite being such an important book for the whole Sikh Community it is also true that the Granth is a closed book for many Sikhs born outside India as well as for the majority of other people both Asians and Westerners who simply cannot read the original Gurumukhi script of the Granth or understand it meaning **Order of the Day** Daljit Singh Jawa,2016-09-21 An important aspect of any Sikh religious service is the reading from the Guru Granth or taking Hukam Nama The Guru Granth Sahib is a hefty tome of 1 430 pages Sikh tradition is that from roughly the middle half of the Guru Granth usually at the beginning of a randomly selected page or the previous page if the hymn started there one hymn is selected This is read as the Hukam Nama or the Order of the Day Clearly many Sikhs living outside the Punjabi ambience would have great difficulty figuring out its meaning *Punjabi-Sikh Boys and Girls Names* Hseham Amrahs,2024-01-12 The book opens with an insightful introduction setting the stage for an exploration of Punjabi Sikh naming traditions It provides a cultural context that enables readers to appreciate the significance of names within the Sikh community The introduction not only serves as an informative guide for those unfamiliar with Sikh naming practices but also fosters a deeper understanding of the spiritual and cultural underpinnings that influence the choice of names The heart of the book lies in its expansive collection of over 18 000 names carefully curated to reflect the diverse spectrum of modern spiritual familiar creative traditional and classic options The names are meticulously organized making it user friendly for readers to navigate based on their preferences Whether seeking a name with a contemporary flair a connection to Sikh spirituality or a timeless and traditional resonance the book offers a wealth of options to suit every taste Each name is accompanied by its meaning providing readers with insights into the linguistic and cultural significance behind the chosen appellations This feature not only adds depth to the naming process but also allows parents to make informed decisions that align with their values and aspirations for their children The Eternal Pilgrim and the Voice Divine and Some Hints on the Higher Life: Being a Collection of the Writings, Lectures and Discourses of the Late Jehangir Sorabji, Seeker Irach Jehangir Sorabji Taraporewala,1922 History of Sikh Gurus Retold: 1469-1606 C.E Surjit Singh Gandhi,2007 The Impulse Behind The Study In Hand Was The Longing To Find Adequate Answers To Certain Vital Questions What Exactly Does Sikhism Stand For Why Was It Originated And Developed By Guru Nanak And His Nine Successors How Did It Strike Roots Among People What Institutions And Structures The Gurus Evolved To Highlight And Escalate It What Type Of Praxis Of Man And Society Gurus Visualized How Was It Different From Contemporary Religious Systems Islam Hinduism Sahajyana Buddhism Nathism Bhakti

It Is the Same Light Daljit Singh Jawa,2015-03-28 Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism the worlds fifth largest religion But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets It is more like a collection of divine revelations and hymns expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being along with the similar yearnings and longings of the devotees and saints from all faiths prevalent in Indian subcontinent during those times The beauty of this 1430 page hymnal written in 22 different languages lies in the fact that while it spiritually connects the human mind to the original source of eternal bliss it provides a very practical and effective way to live in love and harmony with other fellow human beings irrespective of their faith color caste creed or race The following are a few examples of the views of eminent writers and scholars regarding Sri Guru Granth Sahib Mankinds religious future may be obscure yet one thing can be foreseen The living higher religions are going to influence each other more than ever before in the days of increasing communications between all parts of the world and branches of the human race In this coming religious debate the Sikh religion and its scriptures the Sri Guru Granth Sahib will have something of special value to say to the rest of the world Arnold Toynbee Historian I have studied the scripture of great religions but I do not find elsewhere the same power of appeal to the heart and mind as I find here in these volumes of Sri Guru Granth Sahib There is something strangely modern about these scriptures They speak to the people of any religion or of none They speak for the human heart and the searching mind Mrs Pearl S Buck Nobel Laureate In Volume five of the It Is The Same Light series SGGS pages 801 1000 author Daljit Singh Jawa continues his humble effort to share the beauty of the SGGS with those who have limited familiarity with the language Gurumukhi history or context The following are some of the comments received on the volume 7 pages 1201 1430 of SGGS This translation of Guru Granth Sahib is one of the best English translations in my view as it is in simple understandable English each shabads summary message is given there is

connection between the shabads to reveal continuity of thought process in Guru Ji's message. Thanks to S Daljit Singh Ji for the great work which will benefit future generations understand Guru Ji's message easily. Amarjit Singh M D University at Buffalo, Buffalo, NY. A monumental undertaking reflecting a lifetime of devotion to the Sri Guru Granth Sahib and to the scholarly study of its voluminous texts. Both its rendition of the original Gurmukhi script with accompanying English transliteration and its erudite commentary on each of the Granths many hymns mark this work as a stunning achievement which will benefit all serious students of the Sikh religion and of world religions in general. Sacred Starts MD Sharr, 2025-05-03

Sacred Starts A Fresh Guide to Hindu Baby Names is a heartfelt and thoughtful book crafted to help parents find the perfect name for their child, one that is rich in meaning, spirituality, and individuality. In Hindu culture, naming is a sacred act, often influenced by tradition, astrology, and symbolism. This guide honors those roots while offering a modern, curated collection of both classic and rare names from Sanskrit and Hindu philosophy. With clarity and warmth, the book addresses the desires of contemporary parents who seek names that are easy to pronounce, unique, and spiritually resonant. From deities and virtues to nature and poetic inspiration, every name carries a story. Categorized alphabetically and by gender, the book is designed as a companion, not a catalog, guiding readers with care, insight, and cultural depth. It celebrates the power of names as lifelong gifts and marks the beginning of a sacred journey in parenthood.

The Assamese Audrey Cantlie, 2022-11-30

First published in 1984, *The Assamese* is an anthropological exploration of Assam. The many tribes living in the hill tracts of Assam early engaged the attention of anthropologists, but no significant studies have been made of the people living in the Assam valley who call themselves Assamese, the distinctive features of whose culture are inseparably connected with their religious institutions. The purpose of this book is to give an account of the way of life which the Assamese people are seeking to preserve, and its chief claim to attention is that it is the very first field study of the village foundations of social life in Assam, containing a plenitude of detailed information on local aggregates, caste divisions, modes of livelihood, devotional practices, marriage patterns, and much else. This book will be of interest to students of anthropology, ethnic studies, history, and cultural studies.

The Indian Way John M Koller, 2016-05-23

There is no other book that explains both the philosophies and religions of India in their full historical development. *The Indian Way* is accessible to beginning students and does justice to the Indian tradition's richness of religious and philosophical thought. Clear and powerful explanations of yajna and dharma and appealing, intimate descriptions of Krishna, Kali, and Shiva allow students to read some of the great Indian texts for themselves.

This book is a translation of my Punjabi poetry, excluding a few English poems in the beginning. God came into existence first. God worshipped inner source of knowledge, guru, to come into existence. A teacher who teaches English is called English teacher. Teacher who teaches math is called math teacher. Same way, the teacher who teaches

spirituality is called guru Worldly teachers teach from the brain to brain The guru teaches the soul from soul Guru is a mentor as well It is telepathic transformation Make your own judgment When God felt lonely he created the creation He started caring for it Doing so he got attached to it and fell in love God set love as prerequisite to realize him The Creation is a testament to it Mind is a thought processing system Spirituality is a study of the mind Divinity is a state of mind Spirituality is a rehearsal of the mind to miss God and it straightens following gurus teaching Sometimes it helps to follow the teachings of prophets or saints But they have died long ago So it has very little effect because the spirituality is learned telepathically from mind to mind from a living guru The mind does not tune to spirituality without the gurus blessing It can only be learnt by self surrendering It cannot be forced into the devotees mind It can be learned from a spiritual teacher through love humility and dedication God is great Everything created by God is also great So everything in the world is flawless and beautiful To stay abreast with Creation God assimilated himself in everything That is why God is called omnipresent God created his creations including human beings God abides in everything So God has mothers love and motherly relation with his subjects The subjects also have motherly relation with God God wants us to realize him and we also want to merge with him to end separation I do not know much about other species but man has instinct to go back and merge with the entity he separated from So it is a mother child relationship There are many types of faiths procedures and processes people use to find a way to go back to him We assume that God is one Therefore the final process to realize him also must be one only Finally all processes merge and end up in one that is to learn from a learned master the guru The world is a terrifying world ocean The being is on one side of it and godliness or to merge with God is on the other side of the ocean Gurus teaching is the process to take the being across the terrifying world ocean It is a lot easier to learn from a teacher than your own I was fortunate to meet my guru and become his devotee and follow his teaching and advice At the same time I started to read and contemplate the Sikh religious scripture Siree Guru Granth Sahib It is a spiritual book only It has no stories that a person has to learn from Writing in SGGS is by living saints and it emphasizes that guru is God One will have to console with guru to console with God Other important criteria to realize God is selfless love humility and dedication mentioned in SGGS Most harmful events from becoming divine are duality and slander I learned from my guru and from reading SGGS I decided my path and I follow it under my gurus guidance and following the teachings of SGGS Both have same message and advice God is the highest power in the universe In order to miss him recitation and repetition are necessary So there is lot of repetition about praising God in this book To understand this book the reader has to tune his mind to soul searching Some people follow other systems I have no opinion or knowledge about it It is a lifelong process Life is too short to learn on your own He who puts his feet on two boats does not cross the water doing so As they say a guest at many homes at the same time remains hungry It is my humble request to follow one path whatever pleases you **The Evening Prayers Rahras Sahib and Kirtan Sohila** ,2003 Six World Faiths W.
