

The background of the image is a scenic landscape of rolling hills. The hills are covered in dry, brownish grass and are bathed in the warm, golden light of either sunrise or sunset. In the distance, more hills are visible, their colors softened by atmospheric perspective. The sky above is a clear, vibrant blue, dotted with a few wispy white clouds. The overall mood is peaceful and contemplative.

The Faith That Moves Mountains Arisnel Mesidor, 2017-08-21 The Faith That Moves Mountains How to Have It How to Use It and How to Protect It is a Christian nonfiction book consisting of a theological reflection on Mark 11 2025 If you feel like you have a huge and intimidating mountain standing in front of you if you feel like a huge wall prevents you from entering into your promised land if you are currently facing a situation where you feel blocked from realizing your full potential and fulfilling your God given destiny this book is written for you The purpose of the book is to reassure you that God has not forgotten you even if it feels like so at times That you have found yourself in precarious situations at one point or another in your life is not a result of Gods indifference toward you This book reminds you that even before God brought you into this world he made provisions in order for you to be able to deal with such circumstances You must never lose sight of the fact that God loves you and his plan is not for the mountains of life to remain in your way forever without you being able to do something about it In this book I will teach you about the nature of the faith that moves mountains I will try to explain the nature of that faith how to have it how to use it and how to protect it I want you to realize that you dont always have to put up with things that prevent you from moving forward in your life and toward your God given destiny I encourage you to keep this in mind not knowing whether or not something negative is happening to you is part of how God is working in your life You need to pray and make your desire known to God As Gods servant you never need to hide your frustration from him and shy away from letting the one who loves you know what you need My prayer is that after realizing how powerful faith in God is you may put yours into good use God did not put us in this world without carefully equipping us for every challenge we would face God has not created us either as simple tools he can use whenever or for whatever he wants Rather God has made us acting beings able to do things and in fact the things which he himself does God created us in his image and has made us his associates in looking after everything he created Discover the power of faith in God and triumph over the mountains of life

Prayers That Moved Mountains Still Move Mountains Florence Mutambanengwe, 2012-01-09 When I was a small child my grandfather made whole family pray I remember that some of the family members used to get tired of praying everyday They would run away from the main farm house and hide However that would not stop granddad Maxin Mwanyanya Mutambanengwe It was like some fire had been put on him He would pick up his walking stick and go round all the outer buildings as though he was hunting for a thief Why did he do that everyday He would come back with all the boys who were hiding from him Only then would the prayers start He never got tired of this activity Even if only one of the boys was not there he would stop and go and look for him Now I know he was actually fighting with the devil I am sure he used to chase the devil away from all his grandchildren We had the bible but in those days he is the one who read the bible for us He loved singing therefore we had a praise and worship session and then read from the word of God Then he would pray and dismiss everyone Now that I know I hope Prayers that Moved Mountains Still Move Mountains will be of assistance to those families

Moving Mountains John Eldredge, 2016-02-16 New York Times best-selling author of *Wild at Heart*, John Eldredge offers readers a step-by-step guide to effective Christian prayer. How would it feel to enter into prayer with confidence and assurance, certain that God heard you and that your prayers would make a difference? It would likely feel amazing and unfamiliar. That's because often our prayers seem to be met with silence or don't appear to change anything. Either response can lead to disappointment or even despair in the face of our ongoing battles and unmet longings, especially when we don't know if we're doing something wrong or if some prayers just don't work. New York Times bestselling author John Eldredge confronts these issues directly in *Moving Mountains* by offering a hopeful approach to prayer that is effective, relational, and rarely experienced by most Christians. In a world filled with danger, adventure, and wonder, we have at our disposal prayers that can transform the events and issues that matter most to us and to God. *Moving Mountains* shows you how to experience the power of daily prayer, learn the major types of prayers including those of intervention, consecration, warfare, and healing, and to discover the intimacy of the cry of the heart, prayer listening, and praying Scripture. Things can be different, and you personally have a role to play with God in bringing about that change through prayer. It may sound too good to be true, but this is your invitation to engage in the kind of prayers that can move God's heart as well as the mountains before you. *Moving Mountains* is also available in Spanish: *Mueve montañas*. To dive deeper into the *Moving Mountains* message, the *Moving Mountains* study guide and video study are available now.

Annette Whitmire, 2014-10 Jesus said in Mark 11 23 If anyone says to this mountain Go throw yourself into the sea and does not doubt in their heart but believes that what they say will happen it will be done for them My five year old grandson asked How does God move mountains Aren't they really heavy They sure are and He sure can But what if your mountain will not move or even budge I hope for the next few chapters I can walk along side of you as you climb your mountain by sharing with you bits and pieces of my own personal experiences difficulties and accomplishments A friend of mine once said We tend to look at mountains as a bad thing that Jesus has to cast into the sea but sometimes those mountains are not troubles in our lives but triumphs Sometimes God does not move the mountain but calls us to climb it and conquer it So gather your supplies and get on your hiking shoes and let's go mountain climbing The One Who Moves Mountains Andrea L.
