God Must Be Pissed Cause Im Confused As Hell

Isaac Barrow

God Must Be Pissed Cause Im Confused As Hell:

Dance With the Devil James Dressler, 2008-01-06 Tom Holloway and his Southern friends are excited about their prospects in joining the war effort but the only thing they know of battle is what they've read about in newspapers. They envision the whole thing as an adventure something to prove their manhood to make them into men and a diversion from their sometimes boring school regimen. Ultimately they anticipate becoming heroes on a winning team. Words from a grizzled war veteran makes Tom wonder whether his ideas of war are more romantic than realistic. As he marches off with his friends to battle with the Yankees he remembers the harsh illumination he'd been given from a soldier with experience. Watching friends and comrades die in a volley of gun and cannon fire on blood soaked ground teaches the foursome the truth of war. Will hell hunger cold fatigue fear and resignation be the only comrades they have left.

Head Over Heels Virginia Erhardt, 2014-01-14 Candid first hand accounts of couples who stay together despite highly emotional gender issues. *Head Over Heels* gives voice to thirty ordinary women who live extraordinary lives as partners to crossdressers transgenderists and male to female transsexuals. These unique women discuss with honesty and great candor how they first learned of their partners gender issues how they've coped with the emotions that followed how they've dealt with concerns about privacy secrecy and how they've handled disclosure to children friends and family members. Far from a collection of happily ever after stories these narratives are filled with pain courage curiosity and joy as each woman struggles to redefine a relationship that includes intimacy social acceptance dignity and respect. The women whose stories are featured in *Head Over Heels* didn't know their partners were gender variant when they first met. Some found out early on others learned of their husbands gender variance after decades of marriage. Some were told by their husbands men they considered regular guys others found out on their own sometimes in shocking ways. Their stories represent a wide spectrum of women's life experiences with crossdressers transgenderists transsexuals who are nonoperative pre operative and post operative families without children families with children at home and families with children who have left home. But these women share one thing in common each has decided to stay in her relationship exploring her new life with an open yet cautious heart. Some of the voices heard in *Head Over Heels*. While putting my clothes on I found a sales receipt on the bureau from K

Mart for shoes a bra and stockings My immediate thought was that my husband had a girlfriend He dressed for me one night and it was the worst experience of both our lives I was shocked and he knew it and that hurt him My siblings had been aware of Trish s transsexualism for several years when she went full time They have told me that while I will always be welcome in their homes Trish is not My husband may think differently but I do have a sexual identity Actually I m real clear about it I am a woman and he is a man I do not allow him to crossdress in the bedroom I married a man therefore I will sleep with a man Head Over Heels also includes historical and current information about resources and support for wives of gender variant people and a substantive introduction that includes basic information about sexual and gender identity and related issues
