## **God Ordained My Steps:**

**The Anatomy Of Monthly Prayer** Tella Olayeri, 2024-05-05 This book is structured as a monthly companion prayer book. It offers a comprehensive framework for prayer that is both accessible and enriching. Each month of the year presents a detail of the month and prayers that awakes the heart through various seasons, forms, techniques, and intentions. Whether through prayers, meditation, reflection, or gratitude, the book is an eye opener to every individual seeking spiritual growth. This book is not just a manual on prayer; it serves as a companion for personal growth to cultivate a deeper understanding of what Christians must do in connection with the divine. The book will empower you to embark on a journey of self-discovery and spiritual renewal. The book serves as a constant source of inspiration, offering solace in times of struggle, guidance in moments of doubt, and joy in moments of gratitude. This book analyses the cultural values and history of each month of the year. You handle situations better when you understand its foundation and what surrounds it in the spirit. Much research is carried out to naked truth that brings detail understanding of each month of the year. This you need, and it is important to know how you pray and receive answers. This is a book of its kind that educates Christians what to do and how to go about it. Each month of the year is treated differently, one after the other. It starts from the month of January to the month of December. Each month is deeply treated, and prayers are written to support at the end of the discourse. The secrets you hardly know are revealed in this book. The prayers you hardly think of are prayed. The battle you think cannot be won is a child's play before God. The doors you think won't open shall open after praying the prayers in this book. Power will change hands, and the enemy will flee. There won't be a corridor for the enemy to hide when you read this book and understand the mystery behind each month. The strangers shall fade away, and be afraid of their close places. You will be a lord over your enemies. Chains are broken, while barriers and obstacles are broken and pulled down. It is time to arise and command the month of the year and make good harvest at the end of the day. There is much to gain when you use this book in the following areas:

- 1 The book will give easy access to findings in the dark that troubles your promotion.
- 2 You will experience breakthroughs that promote life and silence the enemy.
- 3 Things will start to fall in place in a manner only God can explain.
- 4 You will give each month the commands it needs to obey you as if you create the months.
- 5 The book will empower you to speak the language of the month.
- 6 Evil carryover that causes setbacks from one month to the next will cease.
- 7 You shall be like a tree planted by streams of water which yields its fruits in season.
- 8 The Lord will command his angels to rise for your sake to guide and save you from the hands of the wicked.
- 9 The Lord will rebuke the enemy in his anger.
- 10 Every gate of death shall close, and every health challenge shall cease.
- 11 You will be glad and rejoice each month of the year when you count results of goodness of the Lord.
- 12 The Lord will heal your foundation and open the heavens to bless you.

It is time to look up to God for blessings and wonders that flow from his throne. Let's give thanks to God who makes this book see the light of the day. Pick this book and be gracious to God, our maker.

My Testimony Jewel Blackshear,2019-04-24 In *My Testimony* I open my closet to give you a glimpse of some of the pitfalls pain and adversities that I experienced I also share how I was victorious in overcoming adversity after I learned to take ownership for my actions I share how I accepted my charge to make the appeal that folks stop doing wrong and calling it right My heartfelt desire for you is that you exercise Godly wisdom to avoid some pitfalls that can cause much trauma and significant drama The key to avoiding some of the major painful experiences is to completely trust God He stands ready to grant us the desires of our hearts however we tie his hands through our willful acts of disobedience to his Word his way and

his will In some instances it took me a long time to obtain wisdom because for so long I insisted on being stuck on stupid For too long I was determined to do things my way I did not give any serious thoughts to the devastating consequences to me and to those connected to me In My Testimony I candidly reveal my exposure to major church hurt There is no hurt like church hurt But I survived it and I want you to know that so can you Those tests serve to make you better not bitter I learned that forgiveness is a matter of the heart My experiences have given me the ability to be bold real transparent and explicit in my appeal to encourage folks to abandon their evil and wicked ways God is not mocked The Word of God is clear in that we will reap what we sow I share with you how I learned to allow God to come into my life and super rule trusting him unconditionally with my life for he is my creator and he knows what is best for me I want to encourage believers to be true followers of Christ living a life that is pleasing and acceptable in the sight of God     na Lori Clark Weatherly,     *Mining for Gold* Tom Camacho,2019-06-20 Godly thriving leaders are precious and valuable but developing those leaders is not easy Many leaders feel stuck tired and frustrated in their growth and calling This can change In Mining for Gold pastor and master coach Tom Camacho offers a fresh perspective on how to draw out the best in ourselves and in those around us Cutting through the complexity and challenges of leadership development he gives us practical and effective tools to help leaders grow personally and develop those around them Coaching through the power of the Holy Spirit provides the clarity and momentum we need to grow When we get clarity everything changes Coaching helps us better understand our identity in Christ our God given wiring and how we naturally bear the most fruit There is gold in God s people waiting to be discovered Let s learn to draw out that treasure and help others flourish in their life and leadership     **Pray Your Way into Marital Breakthrough** Dr. D.
