Genova PhD, 2016-11-15 In *If Jesus Is the Answer What Is the Question* Dr Genova reflects on six important questions each posed by God to his people in the Hebrew scriptures God asks these questions because we need to examine our own experiences and to use our reason to gain an improved understanding of God ourselves our community and our interrelationships The questions are Who is your Lord Who are you What do you need Do you understand What will God do How will you respond Seek each question and the dialogue with God recounted in the Old Testament Continue into the Gospels as Jesus asks these same questions As Jesus said You diligently study the Scriptures because you think that by them you possess eternal life These are the Scriptures that testify about me yet you refuse to come to me to have life John 5:39-40

The Question of God in Heidegger's Phenomenology George Kovacs, 1990-06 Several philosophers have developed theological perspectives out of Heidegger's ontology Yet the question of God in Heidegger's thought itself has never received full elucidation In this revealing new study

George Kovacs poses the problem of analyzing the idea of God as a process of questioning and thus subjects Heidegger's phenomenological existentialism to a process of exposition Heidegger himself employed *The God Question* Dave Morse, 2015-05-13 We are created beings living on a created planet that is spinning through a created universe We have been made with a purpose in this life and for the coming eternity We have a God who loves us and who is actively working to save us from ourselves This book proves it **The God of Jesus Christ** Walter Kasper, 2012-03-01 Kasper's book on God the Trinity is a bold exploration of knotty theological problems *The God Questions, Exploring Life's Great Questions About God* Hal Seed, Dan Grider, 2007-10 How do I know that God is real Is the Bible really the Word of God or is it just an ancient book Why are Christians so exclusive Is there really only one way to heaven All of these are tough questions but in *The God Questions* they are addressed head on with hard hitting facts that tell the truth *The God Questions* gives brief simple and easy to understand answers to the eight key questions everyone asks about Christianity Divided in 40 short readable chapters this book will help you understand God and the universe He created Book cover *Life's Ultimate Question: Does God Exist?* United Church of God, 2010-10-18 Why are we here What is our place in the universe What is the purpose of life The questions have been asked for centuries But they all revolve around what is perhaps the most fundamental question of all Does God exist Inside this booklet Asking the Crucial Questions Evidence All Around Us The Beginning of the Universe Our Awesome Universe How Big is Big Science and Discomfiting Discoveries Our Amazing Spaceship Earth The Importance of Life Sustaining Water The Giver of Life The Tiny Miracle That's Toppling Evolution A Deeper Look at the Evidence Scientists Thundering Silence Life's Purpose and the Consequences of Ideas Groping for Meaning and Morality Why Were You Born Man's Natural Hostility Toward God Meet God How Does God Reveal Himself A God Not Bound by Space and Time Our Window of Opportunity **Promise and Presence** John E. Colwell, 2011-09-22 John Colwell presents a robust sacramental theology for Protestant churches He maintains that a doctrine of the Trinity leads us to conceive of God's gracious engagement with his creation as one that is mediated through that creation And this lies at the foundation for an understanding of the sacraments Colwell further argues that the Church and Scripture confer context definition and validity on all other sacramental events The final section reconsiders the seven Sacraments of the Catholic tradition in the light of the understanding of sacramentality developed earlier in the book baptism confirmation the Lord's Supper cleansing healing ministry and marriage Colwell discusses the Sacraments from an evangelical perspective but with a committed ecumenical intent [This Earthly Life Matters](#) Arnold A. van Ruler, 2023-06-06 Arnold A van Ruler was one of the most original Dutch Reformed theologians of the twentieth century Through the term re-creation Dutch *herscheping* he offers a radical affirmation of God's sustained loyalty to that which is material bodily and earthly God's work of salvation and of consummation is necessary but then for the sake of creation The path that he followed was diametrically opposed to that of Karl Barth and is also distinct from that of Jurgen Moltmann who was influenced by Van Ruler As an early exponent of

Christian ecotheology Van Ruler's oeuvre provides exceptionally rich resources for contemporary debates This volume offers an English translation of selected essays by Van Ruler on the themes of God creation providence humanity sin in this earthly life and animal protection It includes some famous essays for example on God and chaos the sunny side of sin joy as the fundamental Christian attitude to life and this earthly life The selection is based on volume 3 of the Dutch scholarly edition of Van Ruler's Collected Works published in 11 volumes Few of Van Ruler's texts are available in English so this volume provides a welcome addition

A Curious Art Nikki T. White, 2025-04-30 Since Eden we have all fallen into or fallen prey to the abuse of power It is not only the world but often more subtly the Church itself that encourages us to model ourselves after exploitative opportunists like King Saul We are all too often dismissive of broken humble shepherds like David In reality both kings experienced the bondage of *periergos* a biblical term describing the sorcery literally the curious art of manipulation Only one king broke free through embracing vulnerability surrender and sacrificial love David knew this as the heart of God Saul despised it as the weakness of the flesh Jesus preached it as enemy love We Christ followers are called to cherish such values as the way of the cross yet all too often the practice of manipulation has instead become normative in our churches In journeying with these two biblical kings and the many brave vulnerable men and women whose stories are contained in this book we will learn how to resist and find healing from the abuse of authority And as we ourselves identify and put aside the tools of the trade that support this idolatrous craft we will go on to become men and women after God's own heart leaders who can change the world

Questions God Asks Us Trevor Hudson, 2020-03-01 Transformation comes from questions not answers We often look to the Bible as the book of answers How often though do we consider the challenging questions God asks Hudson notes that Jesus was asked 183 questions in the Gospels but directly only answered three The Creator is teaching us as we teach children when they struggle with schoolwork You learn more by doing than being fed an absolute answer In *Questions God Asks Us* we're encouraged to focus on the quest rather than a resolution Such an approach leads to deeper dialogue and intimacy with the divine This is a critical turning point in our journey with God as it was for the author I thought the Bible existed to give me solutions to my everyday concerns and dilemmas writes Hudson Then I realized I might be approaching God and the Bible from the wrong direction It was as if God said to me Trevor rather than you always asking questions of me start listening to the questions I have for you Each of 10 questions Hudson excerpts from the Old and New Testaments serves as a starting point for genuine conversation with the Creator He assures We're not starting the conversation with God from scratch God has already begun it We just need to plug into the conversation that is already going on *Questions God Asks Us* offers a fresh approach for personal devotions and a unique discussion tool for small group Bible studies It's sure to bless anyone longing for a meaningful growing relationship with God
