God Relationships With And Without God:

God-Relationships With and Without God J Kellenberger, 2016-01-01 God-relationships with and Without God Life without God Rik Peels, 2023-05-25 Moves beyond the standard arguments against God s James Kellenberger, 1989 existence and sheds new light on what truly motivates the atheist God, Relationships, and Evil Loren Meierding, 2000-10 As an undergraduate the author was influenced strongly by Bertrand Russell's rejection of Christianity due to the amount of evil in the world After years of reading and reflecting on this topic this book was written in the hope of providing better insight on this issue The book s first part offers an analysis of the two primary historical approaches to theodicy the free will theodicy originated by Augustine and the soul making or character development theodicy elaborated by John Hick But the great value of human free will and character development does not seem adequately to justify all the evil we perceive The second part shows why development of relationships among God and human beings requires considerable evil Important non relationship oriented explanations are taken into account Justifications for permitting horrific evils including holocausts and world wars are given The final part provides an analysis of the argument from evil including forms of the argument which have appeared in recent years in philosophical journals Although evidence restricted to some evils or evil alone may have some weight when good is included as well as evil theists are justified in claiming the evidence supports their position far better than atheism The God Relationship Paul K. Moser, 2017-04-07 Paul K Moser proposes a new approach to inquiry about God including a new discipline of the ethics for such inquiry Is Goodness Without God Good **Enough?** Robert K. Garcia, Nathan L. King, 2009 Morality and religion intimately wed violently opposed or something else Discussion of this issue appears in pop culture the academy and the media often generating radically opposed views At one end of the spectrum are those who think that unless God exists ethics is unfounded and the moral life is unmotivated At the other end are those who think that religious belief is unnecessary for and even a threat to ethical knowledge and the moral life This volume provides an accessible charitable discussion that represents a range of views along this spectrum The book begins with a lively debate between Paul Kurtz and William Lane Craig on the guestion Is goodness without God good enough Kurtz defends the affirmative position and Craig the negative Following the debate are new essays by prominent scholars These essays comment on the debate and advance the broader discussion of religion and morality The book closes with final responses from Kurtz and Craig Without Absolutes, God Is Not God Ronald A Train, 2013-01-12 Absolutes As a Christian it is foundational I believe to hold to absolutes For example a Christian should have absolutes about Gods ontology the principle of being absolutes about theology the study of God absolutes about Christology the study of Christ and absolutes about pneumatology the study of the Holy Spirit Each of the foregoing absolutes I believe impact upon how one constructs a world view and how one considers the wider implications of Gods kingdom work hence why I have titled this collection of essays Without absolutes God is not God I guess the reader will be asking him or herself why is there a requirement to hold to

absolutes The need for absolutes is not complex In reality the argument determines whether one is a believer or non believer in the triune God A believer will weigh whether God revelationally speaks into this world generally and specifically A non believer will object to such a proposition and as a consequence leave him or herself open to other belief systems To perhaps put it another way a non believer is faced with the choice of deciding whether God is a reality or whether God is a creation of human imagination Decision making then is crucial when accepting the triune God and his work Does one make a decision to believe in God empirically or does one make a decision to believe in God from a position of faith It is my view that God cannot be known empirically i e by trial or experience but rather he can only be known by faith However it depends on how we define faith Those who accept other belief systems would argue that they too have a faith or a belief in some god or person In the Christian context however faith is an action based on the accepted evidence In other words if one accepts that the written word of God is substantially true 2 Peter 1 20 21 and that the Word of God Jesus of Nazareth is who he is recorded as being or is who he claims to be John 1 1 5 14 6 7 then faith is given substance But I would go further and argue that authentic faith is derived from a spiritual encounter with God which then enables the recipients faith response to be one which is prompted or ignited by God My argument is supported from Scripture 1 Corinthians 12 9 Ephesians 2 8 9 and from personal experience Both of the foregoing references I suggest argue that faith is a gift which has its origin in God Hence faith is not only prompted by God but also sustained by him The analysis of such faith is that it is revelatory and constitutes an utter reliance on who God is and why he exists Revelatory Faith Evangelicals argue that faith is a gift from God However this argument is treated with caution by others Existentialism suggests that faith is made possible and so granted by the gracious approach and self disclosure of being Interestingly at this point there is no great variance between the latter perspective and Martin Luther who argued that faith originates with or is at least aroused by God Contemplating the third article of the Apostles Creed he wrote I believe that I cannot of my own reason or strength believe in Jesus Christ my Lord or come to him But the Holy Spirit has called me by the Gospel enlightened me with His gifts sanctified and kept me in the true faith Modernists also argue that faith constitutes a persons response but only after having been drawn to Gods work of salvation This argument suggests faith to be an a priori act of God an act that prompts recognition that in the Christ God is endeavouring to share his own life This arousal of faith then affects worship praise and prayer and the practise of Christian discipleship The same argument suggests further that the prior love of God and the response of love that it generates are what shape a persons Christian faith Biblical support for these theological reflections is found in Ephesians FREE to SERVE, God's Liberated Woman Jennifer Wallace, 2006 **God, the World, and Hope** Harald Hegstad, 2018-10-31 Who is Jesus Christ What does it mean to say that we are created in the image of God What does salvation mean What is the meaning of baptism What characterizes the Christian fellowship What hope does a Christian faith give for the future These are only a few of the questions that this textbook on dogmatics takes up This book begins the discussion of the various topics

by looking at what the Bible has to say Hegstad then examines how the church's doctrine has developed over the course of history and discusses how the Christian faith can best be formulated today This book understands the Christian faith as an answer to universal existential questions that challenge all religions and worldviews Dogmatics is understood here as the expression of a Christian interpretation of life Hegstad himself belongs to the Lutheran church tradition but his perspective is consistently ecumenical This introduction to dogmatics will interest not only students but everyone who is looking for a deeper insight into the Christian faith God and Creation in the Theology of Thomas Aguinas and Karl Barth Tyler Wittman, 2019 God's simplicity and perfection shapes both God's distinctive relation to creation and how theologians properly acknowledge this distinctiveness in thought Grace Upon Grace Gregory S. Neal, 2014-12-19 This book presents a personally compelling sacramentally sound exposition on the means of grace These days we need to be reminded that Gods character is grace and Neal succeeds in ways both subtle and succinct All should read this book Thomas A Langford Duke University This book stays close to Wesleys own thought and will be a godsend to pastors Sunday school teachers and interested lay persons In a time of resurgence of Wesleyan Theology this volume makes a significant contribution Bishop William B Oden Retired This book is about grace and the many ways that Christ conveys his unmerited favor to us Since grace is essential to the Christian life it is important for us to consider how we receive it what it looks like and how it functions Dr Neal does more than speak of abstract theological concepts he opens a door to his own life personality and experiences Through them he shows how God works in us imparting divine love through the sacraments and the other means A Prophecy of Love Dr. Thomas J. Gaffney, 2012-08-29 We were given life to love God and others Born in nature of grace and to a lost world with a determined enemy few ever learn how to love Be still Know Him who is love and wants to become love in you Living is a passage in time through a sea of relationships without a map Storms of confusion and conflict throw us off course Most will be lost in the sea We cannot find our way alone The Word of God the abiding Jesus and the Holy Spirit are with us every moment revealing and guiding us to love the way God does By way of allegory a metaphor about wild Maine blueberries a testimony and essay the essential form of Gods love is illuminated in A Prophecy of Love to encourage and inspire you Partake of His greatest blessing and become a light for Him in your life Understanding God's Love Ronald Greib,1997 Ronald Grieb has undertaken a study of how God is misunderstood and misrepresented showing how false ideas of God neutralize His power and authority and lead people into the worship of false deities of their own manufacture

Prayer and the Knowledge of God Graeme Goldsworthy,2004-08-10 Graeme Goldsworthy explores the reality of God the ministry of Jesus Christ and our experience of being his redeemed people as the grounds for prayer which he defines as talking to God The Complete Works of C. H. Spurgeon, Volume 13 Spurgeon, Charles H.,2015-02-25 Volume 13 Sermons 728 787 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the

second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon's messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon's meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon's legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to republish the complete works of Charles Spurgeon **Don'T Understand About Relationships** Dr. Larry Adams, 2012-02-15 Keeping a relationship alive and successful can be immensely challenging in todays world More often than not relationships fail because the nucleus of the partnership has been based on selfish needs desires and purposes instead of spiritual truths In his guidebook What We Dont Understand about Relationships Dr Larry Adams offers practical tips Scriptures and advice that will help anyone learn to apply Christian values and principles to their relationship ultimately realizing a lasting and loving partnership Dr Adams a biblical counselor and Bible teacher for nearly thirty years relies on his education and the word of God as he carefully reexamines relationships from a spiritual perspective and reveals misunderstood truths about relationships and why they fail By teaching concepts that relationships are not natural and should not be based on emotional or physical feelings Dr Adams introduces a fresh

perspective that focuses on spiritual commitments effective communication forgiveness and thinking of others first before ourselves What We Dont Understand about Relationships shares practical advice and applicable Scriptures that will help anyone struggling within a relationship to lay a new foundation based on seeking oneness with God first and then each other
