*Lively Oracles of God* ,2022-03-17 This book reexamines what we often take for granted how Scripture is presented to worshipers how it is heard especially by those with little experience of the life of the church Scripture's role in mediating the great narratives of incarnation and redemption at the high points of the year where Scripture meets people in ritual transition how the Bible itself provides the language of much public prayer Contributors also consider how the relationship between Scripture and liturgy is tested by new priorities the climate crisis the inclusion and protection of children the recognition and honoring of those who find themselves on the margins of the church and the significance of gender and

identity in all areas of the church's life. This book does not offer definitive statements. It is an invitation to a wide audience to engage in new conversations with their practice of worship. Contributors include John Baldovin SJ, Normand Bonneau OMI, Stephen Burns, Cally Hammond, Christopher Irvine, David Kennedy, Lizette Larson Miller, Ann Loades CBE, Anne McGowan, Thomas O'Loughlin, Catherine Reid, Armand Lon van Ommen.

**The Gospel Beyond the Grave** Lewis Brogdon, 2025-06-09. Will Black lives matter beyond the grave at history's end and on the day of judgment? In *The Gospel Beyond the Grave: Toward a Black Theology of Hope*, Lewis Brogdon brings the history and experiences of Black people to bear on eschatology. Not only questioning why Black people have been ignored from the consideration of last things, he argues that a theologically sound eschatology must include a divine reckoning for slavery and racism. Brogdon also gives a fresh contextual lens to Christ's reconciliatory work that provides hope for our salvation from the sins of racism and a future together in a new heaven and new earth.
