**In the Midst of God'S Grace, He Gave Me.....You.** Shayla Blankenship,2011-10-12 Timothy John found out about us the night of our argument John was on the balcony listening He said he heard most all of what we said to each other Timothy I have been torn down to rock bottom for betraying him Timothy I need you again I need for you to help me through this terrible chapter of my life Timothy held me so close and shed tears for me and for John I never wanted John to know Elise I am so sorry about this whole ordeal but I will never regret having you for mine at least for the amount of time that we did have Love never dies I told Tim It may

sometimes lay dormant in our souls but will always live in our hearts Timothy we must wait and I must choose Time will tell just how our paths will go I told Timothy that I had never been so torn between one love and another You understood that didnt you Timothy didnt you It was always Timothys love that lay dormant in the back ground of my heart I would not tell him this Soon it would be time that would make the decision for me and regret would leave me with such inexpressible guilt that would trouble my soul to the depths of the earth

**The Church of the Free Mind** Azazel Rama,2014-04-10 Azazel Rama is a poet and artist from the San Francisco Bay Area who has been tapped into the spirit realm for the past 20 years After dropping out of the Bay Area underground he has finally decided to share with the world his unique understanding of the astral plane and the curious inhabitants therein This large volume presents a poetic and lively take on magical theory and modern Occult philosophies while disclosing some of the authors more personal experiences with aliens and other denizens of the spirit world The text gets deep into the symbolisms of our collective unconscious revealing a truly interconnected understanding of natural morals while at the same time delivering tongue in cheek anti theist arguments sprinkled with a dark and sometimes satanic sense of humor In the spirit of Ragnar Redbeard s Might Is Right the legendary text aptly quoted in Anton LaVey s The Satanic Bible these encoded grimoires are a wild and winding map of a deeper conscious nature Sometimes ranting and often a bit mad were all a bit mad the information is sprinkled with esoteric poetry and symbolic illustrations building into a climax that might come as a bit of a surprise Chaos magician urban shaman synchromystic or perhaps a member of a secret orders or sect Azazel Rama remains a mystery to the modern spiritual community and a rebel against many popular and accepted ideals Come inside and join The Church Of The Free Mind where you will be taken on a wondrous ride through the multiverse of our collective lives

**BACK COVER COPY** Welcome to a world of subversive literature filled with magical wisdom and the decoding of the occult In this volume author Azazel Rama explores the ancient secrets of astral travel and reveals a doorway to the multiverse of endless potential He then reveals how the heretical views of science and nature can slay the dragon of religion with common sense This is not a self help seminar filled with happy sunshine nonsense codes and false rainbows this is a journey into the forbidden The Church of the Free Mind has opened its gates and within this Holy Temple no messiah shall be said to exist Written as a diatribe against words this is the true philosophy of a snake swallowing its own tail Behold the self consuming god that exists within the flesh and souls of all living beings Embark upon a spiritual exploration of a higher order of freedom as it relates to an unconsciously connected society of human animals and learn the moral codes of Mother Nature as she echoes a sense of natural law through the depths of our collective being This collection of essays proposes a way to enter a new cycle of human understanding

**The Great Omission** Dallas Willard,2006-06-13 The last command Jesus gave the church before he ascended to heaven was the Great Commission the call for Christians to make disciples of all the nations But Christians have responded by making Christians not disciples This according to brilliant scholar and renowned Christian thinker Dallas Willard has been the church s Great Omission The word

disciple occurs 269 times in the New Testament writes Willard Christian is found three times and was first introduced to refer precisely to disciples of Jesus The New Testament is a book about disciples by disciples and for disciples of Jesus Christ But the point is not merely verbal What is more important is that the kind of life we see in the earliest church is that of a special type of person All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it The disciple of Jesus is not the deluxe or heavy duty model of the Christian especially padded textured streamlined and empowered for the fast lane on the straight and narrow way He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God Willard boldly challenges the thought that we can be Christians without being disciples or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth He calls on believers to restore what should be the heart of Christianity being active disciples of Jesus Christ Willard shows us that in the school of life we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship an active concrete 24 7 life with Jesus
