God Transcendent:

The Transcendence of God Edward Farley, 2017-06-28 In the varying perspectives of theological thought the contrasting ideas of transcendence and immanence must inevitably be looked at together To whatever extent they are held to be mutually compatible or mutually exclusive neither can be considered without at least some cognizance being taken of the other Nevertheless in the swinging of the pendulum from era to era first one and then the other theme receives the greater weight of attention Thus nineteenth century liberalism placed more emphasis on immanence whereas the twentieth century revolt against liberalism has concentrated on transcendence In this book the author studies the transcendent aspect of God as developed by five contemporary theologians Two of the men whose work Dr Farley examines Reinhold Niebuhr and Paul Tillich are thoroughly familiar The other three Karl Heim Charles Hartshorne and Henry Nelson Wieman have received less attention in recent studies The five represent widely divergent traditions but all of them agree in opposing immanentism Moreover they all deal with the tension between the philosophical and the Biblical affirmations of God's transcendence and attempt to show in their respective ways how these types of beyondness are related

The Transcendent Character of the Good Petruschka Schaafsma, 2022-08-10 This volume addresses issues of moral pluralism and polarization by drawing attention to the transcendent character of the good It probes the history of Christian theology and moral philosophy to investigate the value of this idea and then relates it to contemporary moral issues The good is transcendent in that it goes beyond concrete goods things acts or individual preferences It functions as the pole of a compass that helps orient our moral life This volume explores the critical tension between the transcendent good and its concrete embodiments in the world through concepts like conscience natural and divine law virtue and grace The chapters are divided into three parts Part I discusses metaphysical issues like the realist nature and the unity of the good in relation to philosophical naturalist and theological approaches from Augustine to Iris Murdoch The chapters in Part II explore issues about knowing the transcendent good and doing good exemplified in the delicate balance between divine command and human virtuousness Early Protestant theological views prove to be excellent interlocutors for this reflection Finally Part III focuses on how transcendence is at stake in two heavily debated moral issues of today euthanasia and the family The Transcendent Character of the Good will be of interest to scholars and advanced students working in theological ethics moral philosophy and the history of ethics The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Knowledge and the Transcendent Paul A Macdonald, 2009 This book advances the claim that the human mind is not bounded on the outside but actually remains open to the world and to God As such the mind is able to know the world and God with varying degrees of objectivity The author turns to the philosophical theology of Thomas Aquinas in order to explore claims that Aquinas makes about human cognition as well as our knowledge of God In this life while we cannot know or see God directly we nevertheless can

enjoy some knowledge of God by way of reason and faith both of which are cognitive capacities for forming and holding true beliefs about God Consequently the author argues that Aquinas provides powerful philosophical and theological resources for rehabilitating the mind's relationship to God and thus also safeguarding our knowledge of transcendent being and truth

Schelling, Freedom, and the Immanent Made Transcendent Daniele Fulvi, 2023-09-28 This book offers a cutting edge interpretation of the philosophy of F W J Schelling by critically reconsidering the interpretations of some of his successors It argues that Schelling's philosophy should be read as an ontology of immanence highlighting its relevance for ongoing debates on ethics and freedom The book builds on a key notion from Schelling's Philosophy of Revelation where he outlines the process through which transcendence must return to immanence in order to be grasped and understood The author identifies Jaspers Heidegger and Deleuze as the main interpreters of Schelling's philosophical activity highlighting their relevance for subsequent Schelling scholarship Heidegger and Jaspers refer to Schelling's philosophy in negative terms namely as an incomplete and unviable philosophical system whereas Deleuze holds the immanent core of Schelling's ontological discourse in high regard The author's analysis demonstrates that reading Schelling's philosophy as an ontology of immanence not only avoids Heidegger's and Jaspers's criticisms but is also more fitting to Schelling's original meaning Accordingly his reading allows us to fully grasp Schelling's thought in all its strength and consistency as a philosophy that avoids metaphysical abstractions and maintains the concreteness of concepts like God nature freedom by binding them to a solid and material account of Being Finally the author uses Schelling to propose an innovative reading of freedom as a matter of resistance and of philosophy as an activity whose main purpose is that of seeking the actual extent and place of human life and freedom within nature The author originally emphasises the relevance of these conclusions on contemporary debates in Postcolonial Critical Theory and Environmental Ethics *Schelling Freedom and the Immanent Made Transcendent* From Philosophy of Nature to Environmental Ethics will appeal to scholars and advanced students working in 19th century Continental philosophy German idealism and Postcolonial Critical Theory and Environmental Ethics

The Feeling of Transcendence, an Experience of God? Louis Roy, 2021-04-15 In this book Louis Roy takes account of the fact that in the last fifty years numerous people in the secularized West have responded yes to surveys that asked Are you aware of having had an experience during which you felt in the presence of a dimension or a reality very different from ordinary human life Are such experiences mere illusions Some thinkers like Feuerbach and Freud believed so Are such experiences encounters with God Karl Barth a great Protestant theologian did not think much of their worth On this issue psychologists and theologians are divided Roy argues that those experiences are valid that they possess a real potential and that they can open their recipients to a genuine wisdom He reports on eight narratives spells out their constitutive elements classifies them into four categories aesthetic ontological ethical and interpersonal and suggests criteria to assess their concrete authenticity Thus this book will appeal to educated readers interested in spirituality philosophy of religion psychology literature theology and

pastoral ministry **Jesus, Transcendence, and Generosity** Tim Boniface, 2018-03-02 Contemporary scholars aiming to articulate a middle way between fundamentalism and liberalism regularly draw upon Hans Frei and Dietrich Bonhoeffer yet they are rarely brought together on this question if at all Here Tim Boniface highlights the promise of reading them together proposing especially that a discussion of Jesus transcendence derived from their responses to modernity is an effective locus for considering their combined contribution to a middle way discussion Having outlined a rationale for a theology of Christological transcendence this work describes in detail how both Frei and Bonhoeffer point towards a nuanced approach to the transcendence of Jesus especially in terms of the importance of articulating that transcendence at the level of the unsubstitutable historical particularity of Christ in the cultural linguistic setting of the Christian community Frei and the impact of a *theologia crucis* and a participatory cosmic Christology on such thinking Bonhoeffer Offering a unique summary of the key ways in which the two theologians works mutually critique and strengthen one another Boniface then articulates a pneumatological emphasis lacking in both Frei and Bonhoeffer stressing the supreme generosity of God at the heart of what it means to say that Jesus transcends **Gregory of Nazianzus on the Trinity and the Knowledge of God** Christopher A. Beeley, 2008-06-27 Gregory of Nazianzus a 4th century bishop of Constantinople receives relatively little attention from modern Western scholars yet he is one of the most influential theologians in the history of Christian doctrine As an advocate for the conceptual understanding of the Trinity Gregory set precedents for the way his fellow and future Christians would perceive and worship God Christopher A Beeley presents the first comprehensive study in modern Western scholarship of Gregory s doctrine of the Trinity in the full range of his theological and practical vision of the Christian life *The Beauty of Balance* Young Woon Ko, 2009-12-22 These essays examine the significance of balance between the opposites in order to understand God and the world The author argues that opposites the subject and object mind and nature good and evil truth and falsehood are not separated from each other but interdependent in the relational paradigm Each cannot exist without the other Creative advancement is achieved by their dynamic tensions The paradoxical relationship between the opposites is not posited in the mechanistic model in which opposites are recognized as separate entities and thereby antagonists rather they are dialectical and creative in the organic model Based on this organic model the relationship between God and the world is not hierarchical but interdependent In the organic model God is not described simply as a transcendent reality in a dualistic structure of God and the world God reveals God self in harmonious order and pattern as the ultimate principle formed in the world In other words God reveals God self in the relative contexts of the opposites good and evil true and false Unlike Aristotle s Law of Contrast God is both A transcendent and A immanent which is the basic logic of the organic model In this context God is different from eternal reality such as Plato s Idea or the transcendent God developed in the Western tradition In this text the author explores how the complex of divine reality entails the dialogue of differences in a constructive way using inter religious dialogue and religion nature dialogue as examples The author also brings the theme of paradox into his

discussion to connect the West with the East and explore how it can be a positive method of understanding God and the world in the organic model which can in turn be a key to the understanding of the common good **Love's Transcendence and the Problem of Theodicy** Claudia Welz, 2008 Claudia Welz explores responses to the problem of evil that do not end up in a theodicy Kierkegaard's and Rosenzweig's reasons for having no reason to defend God and their ethics of love are discussed in the context of German idealism and French phenomenology **BOOK JACKET** *God, Revelation and Authority (Set of 6)* Carl F. H. Henry, 1999-01-25 A monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done Questions About God S. Michael Houdmann, 2014-04-25 God welcomes questions The Bible is full of inquisitive characters with good questions From Abrahams inquiry Will not the Judge of all the earth do right to Marys wide eyed How will this be God patiently answers the questions of sincere searching hearts Questions are part of the learning process and a repeated Old Testament command is to seek the Lord Those who inquire of Him are invariably rewarded with His wisdom Jesus gracious promise says Ask and it will be given to you Matthew 7:7 As we open the Bible we begin a quest to know the God who has revealed Himself in its pages What is God like Does God love me Why does He allow bad things to happen The answers to these and many other questions are there in the Bible waiting for us to find them Got Questions Ministries has fielded many questions about God since 2002 One hundred of those questions are compiled in this book along with biblical answers All of these real life questions come from people who want to know the truth about God His nature and His work in the world We hope you will use this volume as an aid to knowing God a little better and loving Him more The Godhead: New Scriptural insights on the father the son and the Holy Ghost Duane S. Crowther, 2023-07-17 Carefully crafted precisely written and fully documented this doctrinal resource assembles an abundance of meaningful new scriptural patterns Have any questions about the nature of the Godhead Look no further The Godhead New Scriptural Insights on the Father the Son and the Holy Ghost will not only answer your questions but it will also intrigue you with insights you may not have pondered before Christian beliefs about God attributes and physical natures of Godhead members individual insights on God the Son God the Holy Ghost and God the Father and the ultimate objectives of divinity New doctrines No they've been in the scriptures for centuries But profound new insights By the hundreds The Godhead shows historically and scripturally how allegorical interpretation methodologies of trinity advocates altered the major doctrines of Christianity causing them to discount the many literal biblical statements concerning the nature of God Other major contributions of The Godhead include its numerous insights on premortal events its compilation of hundreds of scriptures showing the physical nature of God and its in depth scriptural demonstration that Jesus is Jehovah More key insights treat the essential attributes of Godhead members their spirit nature their threeness and oneness relationships the varied fatherhood roles of Jesus Christ the nature of glory Christ's roles among the Gods and how mankind can attain Godhood Author Duane S Crowther is widely known for his

indepth doctrinal studies on many topics including his books *Prophecy Key To the Future Life Everlasting* and *Prophecies of the Old Testament* **A Godward Life: Savoring the Supremacy of God in All of Life** John Piper, 2001-09 Features 120 vignettes that focus on the radical difference it makes when we choose to live with God at the center of all that we do Scripture soaked and touching on the issues which most affect our lives today **Pantheism** Michael P. Levine, 2002-09-11 Many people who do not believe in God believe that everything is God that everything is part of an all inclusive divine unity In Pantheism this concept is presented as a legitimate position and its philosophical basis is examined Michael Levine compares it to theism and discusses the scope for resolving the problems inherent in theism through pantheism He also considers the implications of pantheism in terms of practice This book will appeal to those who study philosophy or theology It will also be of interest to anyone who does not believe in a personal God but does have faith in a higher unifying force and is interested in the justification of this as a legitimate system of thought *Does God Suffer?* Thomas Weinandy O.F.M., 2000-02-15 The immense suffering caused by sin and evil within the modern world especially in the light of the Holocaust has had a profound impact on the contemporary understanding of God and his relationship to human suffering Since the early part of this century there has been a growing consensus among theologians that God himself within his divine nature suffers in solidarity and love with those who suffer This present theological position contradicts the traditional Christian understanding of almost two thousand years that God is impassible and so does not experience negative emotional states such as suffering Thomas Weinandy O F M resolutely challenges this contemporary view of God and suffering Calling upon scripture and the philosophical and theological tradition of the Fathers and Aquinas Weinandy creatively and systematically addresses all of the contemporary concerns He strongly advocates the incarnational truth that the Son of God actually does experience as man all that pertains to living an authentic human life and so does indeed suffer This book is both a challenge to much received contemporary philosophical and theological wisdom and a scholarly original and refreshing account of the Christian Gospel It is one of the most comprehensive Christian presentations of God and human suffering available today **Redemption** Nicholas Roumas, 2025-08-05 A bold trailblazing investigation into soteriology approached by way of Girardian mimetic theory and Eastern Orthodox theological reflection *Redemption A Mimetic Soteriology* brings French literary critic Ren Girard s mimetic theory of human behavior together with a breadth of Christian approaches to redemption through the Cross Girard s mimetic understanding of sacrifice is drawn upon to illuminate biblical narratives about redemption as well as the theologies of Anselm of Canterbury Peter Abelard and Gregory of Nyssa Nicholas Roumas shows by these readings that redemption can be understood as a reconfiguration of symbolic values with profound consequences for human relations and social organization Redemption thus serves theologians as a basis for a new practical dogmatics This exploration is a breath of fresh air in Orthodox theology utilizing patristic and scriptural sources outside the framework of the predominant neo Patristic synthesis and introducing an entirely new modern

paradigm onto the Orthodox scene For theologians of other traditions Redemption contributes to the library of Girardian theologies its first Eastern Orthodox installment For Girardians it provides critique and refinement of many of Girard's most nuanced views and gives due attention to overlooked and controversial aspects of his thought For the lay reader the book provides an accessible entry into the spirituality of the Cross through a lens that is both modern and traditional Redemption provides a revitalizing infusion into contemporary Orthodox theological discourse Its ideas will impact theology in the Orthodox Church and beyond for decades to come and are the basis for a paradigm shift in our understanding of redemption and its practical consequences The lay reader and professional theologian alike will find novelty and utility in its ideas

The Book of Mind Dr. Thomas Stark, Discover how ontological mathematics explains telepathy homeopathy out of body experiences near death experiences the placebo effect d j vu jamais vu reincarnation demonic possession enlightenment the afterlife the soul and God When scientific materialism and empiricism is replaced with scientific idealism and rationalism everything about science changes Mind replaces matter as the basis of existence Reason and logic not the fallible human senses become the means to discover ultimate reality The Principle of Sufficient Reason and Occam's razor replace sensory experiments as the route to reliable knowledge A universe of spacetime only is replaced by a universe of spacetime AND non spacetime Non spacetime is an immaterial frequency Singularity which serves as a Cosmic Mind The Cosmos is a hologram inside the Cosmic Mind just as a dreamworld is a hologram inside your individual mind Are you ready to overcome the reducing valve of human consciousness and expand your mind to the maximum Transcendence and Hermeneutics A.M. Olson,2012-12-06 The problem of Transcendence is the problem of our time I Needless to say Transcendence was a particularly lively issue when Karl Heim wrote these words in the mid 1930's Within the province of philosophical theology and philosophy of religion however it is always the problem as Gordon Kaufman has recently reminded us 2 For the question concerning the nature and the reality of Transcendence has not only to do with self transcendence but with the being of Transcendence Itself that is to say with the nature and the reality of God as experienced and understood at any given time or place Now there are those today who would claim that any further discussion of the latter half of this proposition namely Transcendence Itself or God is worthless and quite beside the point Such persons would claim that the particular logia represented by the theological sciences has collapsed by virtue of its object having disappeared Indeed when one surveys the contemporary scene in philosophy and theology there is a good deal of evidence that this is the case theology of late having become something of a spectacle to use Pritz Buri's term One of the reasons for this we here contend is that the richness and the diversity of the meaning of Transcendence has been lost And even though we do not here intend to resolve the issue neither do we assume that such an enquiry is either impossible or irrelevant *The God Hypothesis* Michael Anthony Corey,2007-04-03 The God Hypothesis seeks to reverse the profound misunderstanding that science has disproved the existence of God The book does this by showing how the latest scientific evidence points in precisely the opposite direction

Drawing on the fairy tale of Goldilocks and The Three Bears Michael A Corey believes that the just right conditions that created life on earth provide overwhelming evidence of an Intelligent Designer at work Explaining the religious ramifications of modern science in a common sense style Corey s compelling case for the existence of God will inspire readers to the larger meaning of life *James Hudson* Larry Omar Rivers, 2024-08-20 This book tells the story of James Hudson a Black philosopher Florida A M University professor activist and religious leader whose philosophical contributions laid a key piece of the groundwork for the emergence of the Civil Rights Movement

God Transcendent: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. God Transcendent : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
