

A serene sunset scene over a beach. The sun is low on the horizon, casting a warm orange glow across the sky and the water. The sky is filled with soft, wispy clouds. The ocean waves are gently lapping at the shore. In the foreground, the sand is dark and smooth, with a heart shape drawn in it. The text "God wants a relationship with YOU" is overlaid on the image in a white, elegant serif font. The word "God" is large and bold, while "wants a" is in a smaller, italicized script. "relationship" is also in a script font, and "with YOU" is in a bold serif font. A small arrow points from the word "a" to the word "relationship".

Phoebe Cruise, 2012-11 After accepting the Lord in her heart Phoebe Cruise started to receive dreams visions and messages from God but didn't know what to do with these strange occurrences Hungry for answers she embarked on a spiritual quest visiting one church after another But what she found is what most people find when they attend various Christian churches discrepancy Within these discrepancies Phoebe experienced a desire to seek God's truth As she opened the Scriptures and met one on one with her Father His truth transformed her identity and empowered her to understand who she is in Christ She understood for the first time God's will and purpose for her life Phoebe chronicled her experiences with the Lord over a period of nine years tracking her childlike faith as it grew into spiritual maturity and a full blown mission to win souls for the kingdom A New Identity Transformed by Truth was written so that you too might know and understand your true identity in Christ

Mate selection is the second most important decision we make in life This decision determines whether our life will be blessed and full of joy or if it will be a painful calamity If it is a calamity then it will bring disastrous effects on us our mate our children and our extended family and friends Who can best guide us through this decision Parents frequently convey to their children that the only criteria for success in mate selection and marriage are money and education Parents want their children to excel in marriage but they give their children no specialized training or emphasis on preparing their lives and being the kind of person who can secure a godly mate and maintain a permanent lasting relationship I see churches striving to attract youths and young adults to the church I see churches challenging youths to be exceptional in their faithfulness to Jesus I want to see churches teaching teenagers and young adults to be intimate with one another while maintaining sexual purity I want to see churches teaching youths how to build the skills that will make them an excellent mate and future parent I want to see churches teaching

youths and young adults how to find healing for the pains that are destroying their lives I see churches teaching that God demands holiness and I want to see them teaching that holiness is the most enjoyable beneficial and only lifestyle that can and will bring permanence to all of our relationships including marriage *The Sermon on the Mount* James L.

graduated from college and is driving across country in search of a lucrative sales job and the American Dream Along the way he is diverted off the path by a storm that leads him back to a small Midwestern town where he had spent the first ten years of his life After reconnecting with his old friends he quickly becomes accustomed to an all too familiar lifestyle Not long after his arrival a murder rocks the community and Simon becomes convinced that he has been chosen to put an end to a curse and the cycle of tragedies that have plagued the town of Bethel for the past seventy two years With the help of a wily old principal named Thelma Harold he comes to believe that by renovating the local elementary school he can influence a

referendum vote that will restore the values and priorities of a corrupt depraved community that has been overrun by a shrewd businessman named Jack Lawless and a small faction of wealthy landowners During the renovation however Simon unwittingly enters into his own personal journey that takes him from salvation to sanctification Along the way a fledgling romance with a young teacher named Hope Wiseman forces Simon to confront the demons of his past and make a choice to either serve himself or Christ In the end Simon finds out that simply returning a building to its original condition has far greater societal implications to the eternal welfare for the cursed people of Bethel

Where Do We Draw the Line? Reverend Fred Davis, 2023-03-07 The world lives like this life will go on forever and thinks they ll never die or stand in judgment before God This world is living just like they were in Noah s days seeing nothing wrong with living in sin but Fred Davis wants to ask everyone Where do we draw the line On sin and on living right and on how the Bible teaches how we are supposed to be living Especially in the last days and JUST before Jesus Christ returns for his people that are supposed to be watching and praying Number one point is no one will stand in your place on judgment day How we live today will determine our destiny on judgment day

Seeing Is Believing Gregory A. Boyd, 2004-04-01 One of the most common problems with Christians in our modern secularized world is that they don t feel the reality of Jesus Sure they believe in him and love him but he somehow doesn t seem to enter their daily lives in a real sense Some might say You ought to pray more Others would advise You ought to witness more While this may be true we don t get closer to God just because we ought to Boyd believes that the way to true spiritual transformation and feeling the presence of God in your life comes from a little R and R rest and reality Boyd encourages readers to stop striving and learn to rest in an experience of Jesus as real The best way to do this he says is through imaginative prayer Experiencing Jesus will

teach readers how to use God's gracious gift of creative imagination to know him better and feel his presence in their daily lives *Working with Christian Servant Leadership Spiritual Intelligence* Gary E. Roberts, 2016-05-11 This book addresses how Christian leaders integrate faith into the workplace through a love-based altruistic system of Christian Servant Leadership Spiritual Intelligence CSLSI. It hypothesizes how CSLSI positively influences a range of desirable employee attitudes and behaviors including servant leadership and followership, organizational citizenship, and positive stress coping and adaptation strategies. This book embraces an interdisciplinary approach to present the global attributes of CSLSI which includes following God's will and Golden Rule workplace love expression with specific workplace applications. The empirical research is supplemented by approximately 100 interviews with Christian leaders providing workplace exemplars and a compelling overview of how Christians honor God in the marketplace. This book will appeal to academics and practitioners in business, psychology, medicine, management, leadership, and theology looking to develop a God-honoring work-life. Readers will benefit from the principles and the self-diagnostic surveys that assess spiritual intelligence and ways to enhance it *From Single to Serious* Dana M. Malone, 2018-01-31 College students hook up and have sex. That is what many students expect to happen during their time at university; it is part of growing up and navigating the relationship scene on most American campuses today. But what do you do when you're a student at an evangelical university? Students at these schools must negotiate a barrage of religiously imbued undercurrents that impact how they think about relationships in addition to how they experience and evaluate them. As they work to form successful unions, students at evangelical colleges balance sacred ideologies of purity, holiness, and godliness while also dealing with more mainstream notions of popularity, the online world, and the appeal of sexual intimacy. In *From Single to Serious*, Dana M. Malone shines a light on friendship, dating, and sexuality in both the ideals and the practical experiences of heterosexual students at U.S. evangelical colleges. She examines the struggles they have in balancing their gendered and religious presentations of self, the expectations of their campus community, and their desire to find meaningful romantic relationships **On Retreat with Henri Nouwen** Chris Pritchett, Marjorie Thompson, 2021-07-30 To mark the 25th anniversary of the death of Henri Nouwen, one of the most beloved spiritual writers of contemporary times, this retreat companion offers a guide for spiritual transformation and growth based on Nouwen's own writings and experience. Nouwen's own spiritual journey, marked by a restless quest and yearning for an experience of the divine, led him down paths familiar to many spiritual seekers today. The questions he wrestled with are the same that speak to our own hearts: Who am I? Who is God? How do I know God loves me? Where is God when suffering surrounds me? How can I find interior peace in anxious, troubled times? *On Retreat with Henri Nouwen* provides a retreat experience for both individuals and churches seeking to renew their self-understanding and purpose. It offers connections to contemporary life, points for reflection, prayer pauses for contemplation, and prompts for engaging in one's own spiritual quest whatever shape it may take **I Want You Back** Rita King, 2018-05-18 *I Want You Back* is an epic story of a woman

who was seduced out of her husband's loving arms by modernization as materialism and acquisitiveness became her bedfellows. She was raised up in a man's world and unwittingly built walls of independence and self-sufficiency about her. She discovers through different bouts of emotional storms when the scales fall out that she had been wrong all along. It co-opts classic oratories of passion to crystallize the moral of the story. The husband has paid the price and given her the liberty to come to her senses. Will she realize in due season that his love is all that she wants and needs? Will she realize and believe that in spite of all her errors he wants her back?
