Dolan, 2010-03 Have you ever heard a voice telling you something and you know that it did not come from you Some people call it premonition intuition or is it something else Are we surrounded by unseen forces Forces that communicate with us constantly but we are too busy to hear them We Are Not Alone A Journey of Self Discovery are the real life stories of people who have experienced these unseen forces in their lives

The story begins with Kaydee a traveler through time who encounters many situations supernaturally prepared for her from outside of the time dimension Other travelers through time and their encounters are woven into the fabric of the artwork that is dynamically being painted by the Creator Himself Scientists are discovering that we live in a multi dimensional world We only perceive 4 dimensions width length depth or height and time Like a straight line trying to understand the dimensionality of a square we can t always understand the dimensions outside of the four we live in or can we Is it possible to perceive what it is like outside of time Could these be the spiritual dimensions that the Bible talks about Could this be what God is talking about when He says Those who have ears will hear and those who have eyes will see *He Will Turn Your Sadness Into Joy*
