An aerial photograph of a beach at sunset or sunrise. The ocean waves are breaking onto the shore, creating white foam. The sand is a warm, golden-brown color. The sky is not visible, but the lighting suggests a low sun. The text is overlaid on the right side of the image.

God descends to earth like fresh spring rain,
and at every level his grace is received
differently. For some it feels like love, for others
like salvation. It feels like safety and warmth at
one level, like coming home at another.
