Reviewers praise *The Gospel Mysticism* of Ruth Burrows as the most comprehensive readable introduction to Burrows that is presently available, an important contribution to studies on spirituality and mysticism. In this pivotal book, Australian theologian and author Michelle Jones not only presents Ruth Burrows to a wider readership but also provides an important contribution to the academy vis-à-vis the study of spirituality. Jones's book shows why Burrows is one of the most important Carmelite authors in our time and what it means to be a Gospel mystic.

A Beginner's Guide to Spirituality
 Abhishek Chaturbedi, 2021-06-30
 Light and darkness
 Up and down
 In and out
 Body and soul
 One and all
 But what if light is darkness
 up is down
 in is out
 body is soul
 and one is all
 A Beginner's Guide to Spirituality opens unique and deep scenarios on humanity's timeless questions: Who are we? What is we? Is there a significance to existence? Scientists, philosophers, and even believers tried to find an answer to these inquiries but in their search for the truth often sectioned and tore apart the concept of reality, missing what only a broader view, a gaze upon the unity of reality itself, could give them. Commonality between religion, science, and spirituality. In general, they are considered separate entities but is our lack of clarity on these subjects that makes them look different. This remarkable dissertation on the nature of all things contemplates on subjects as the essence of God and the inexact, if not superstitious, notions that have always accompanied the human perception of this superior, holy entity. God didn't just create everything that exists; God is everything that exists. So why are things such as evil, illnesses, and pain allowed to take place? To show the way towards a response, the author takes his readers' hands to gently guide them along the path of self-consciousness, expressing the invite to explore both the inner and outer manifestations of life and to experience the daily passing of time as more than a simple materialistic, raw, and unaware survival.

Abhishek Chaturbedi's literary work is at the same time a philosophical essay and a guide that avoids hyperbolic intellectual discussions, theological doctrines, and complex scientific theories so that the readers can easily grasp the book's message. *A Beginner's Guide to Spirituality* will help all those souls that still lost are searching for the path towards inner peace. Dr. Abhishek Chaturbedi is a native of Nepal but considers himself a citizen of the world. He is fondly referred to by the nickname Abhi. He has spent significant numbers of years in the USA and India. He is a neurosurgeon and neuroscientist by profession. He is also a family man. His primary goal in life is to be a spiritual guide, then a good neurosurgeon and neuroscientist, and a family man. He denies being branded to any religion, race, or ideology. He wrote *A Beginner's Guide to Spirituality* with the desire of helping humanity to understand life better and motivate people to be a Good Samaritan.

 Peter Feldmeier, 2006
 This fascinating book takes a fresh look at interreligious dialogue with St. John of the Cross and Bhadantacariya Buddhaghosa as representatives of Christian and Buddhist paths to liberation. As the world is increasingly

experienced as a global village dialogue with other religious traditions is widely regarded as possibly the greatest modern or post modern challenge and the distinctive journey of our time Dialogue not only informs our understanding of various expressions of holiness it also can inform one s own religious faith and practice This book investigates a form of dialogue that can be a model for future dialogues Without laying assumptions on the nature of religious experience it allows these classic texts and their representative religions to speak for themselves What is often lacking in this history of dialogue is its lack of appreciation for distinctive religious paths and the experiences described therein **The Beginners' Worker and Work** Frederica Beard,1917 Prayer for Beginners Peter Kreeft,2009-09-03 Peter Kreeft brings his unique insights to this most important area of our spiritual lives He claims he himself is still a beginner in prayer and this book is for all those like him who feel that they are not good at praying but desire to become much better at it Thus Kreeft offers simple but profound advice and practical steps for developing a prayer life based on the time tested wisdom of the saints and great spiritual writers especially the principles found in Brother Lawrence s classic *The Practice of the Presence of God* In short straight forward and unsentimental chapters Kreeft covers all the key areas for understanding and developing that intimate form of communication with our Creator that we call prayer He covers such areas as the necessity of prayer various motives and methods steps patience suffering sin faith and grace International Journal of Religious Education ,1924 The Church School Journal ,1902 Catholic Book Summaries Matthew Plese,2013-05-14 Catholic Book Summaries presents 54 summaries of Catholic books in a concise clear and complete manner With so many books for Catholics to read and understand Catholic Book Summaries is an attempt to synthesize some of the most well known traditional and contemporary classics for today s Catholics Meant for Catholics of all ages this book is your guide to understanding dozens of books in a fraction of the time required to read them all This is an entire library of must read Catholic books condensed into one volume These summaries of the most important Catholic thinkers of all time are not just quick facts They distill the wisdom of our great Catholic thinkers such as Blessed Cardinal Newman Archbishop Fulton Sheen Scott Hahn GK Chesterton and so many more
