## **God Has No Favorites:**

**Destiny Has No Favorites** Dieter Klett, 2012-10 This is a story of a person arriving in this country in this country and in this city where he eventually ended up in the middle of the night not knowing a soul in Canada and having just about 10 in his pocket Using my imagination I let this imaginary person Peter show the reader the adventures and misadventures he and eventually his family experienced in this for him so strange and at the same time exciting new place I decided to cover a period of roughly the first 25 years Peter spent in his new chosen homeland I could have continued showing the development of his and his family's life after the 25 year period but I decided against that I wanted this story to have closure Another possible book would show the reader how Peter's life continued after 25 years and would show us how he and his loved ones continued with their lives with its ups and downs The gist of the events occurred from the mid 1950s until the early 1980s I actually completed this book in 1982 It was lying in my filing cabinet for 30 years because I never had either the time or inclination to publish in writing The title of this publication *Destiny has no Favorites* is correct *Destiny* or *fate* has no favorites and we all are at the mercy of this destiny destined for us by that higher power we may call God Nature the Absolute Being the Creator Providence the Omnipotent Being the Supreme Soul or whatever name we feel better to accept the unacceptable

**Call No One on Earth Your Father** Josephine E. Armour, 2019-03-29 This book brings a critique to the theology of the ordained ministry in contemporary Catholicism a theology that fosters clericalism It challenges a theology that views the ordained as set apart for a particular work over and against the laity This book brings critique to current practices including lifelong commitment to the ordained ministry the requirement of celibacy for the ordained and the exclusion of women from the ordained ministry The author examines history reclaiming elements that have been distorted or forgotten and asks What is retrievable in the tradition that is freeing and redeeming for a renewed theology The critique of the traditional theology and current practices in the ordained ministry and the retrieval of relevant elements of the tradition is a springboard for reconstructing a theology of the ordained ministry The model of the Trinity is suggested as an image for the ordained ministry itself and through its relational nature the ministry of the whole church The model of the Trinity sets the ordained ministry in its rightful context of the Christian community where all of the gifts of the baptized are valued and where ministry is collaborative non hierarchical and mutually enriching for the people of God

**Under the Rule of Christ** Paul S. Fiddes,2007-08 In this book the Principals of the six Baptist colleges in Great Britain take up a request to write about Baptist spirituality They propose that the spirituality of Baptists in all its diversity is characterized by living under the rule of Christ While all Christian spiritual traditions affirm this truth they suggest that there is a particular sense of being under Christ's rule which has been shaped by the story of Baptists and by their way of being church through the centuries Elaborating the main theme chapters explore various dimensions of spirituality giving attention to God and to others developing spirituality through suffering having spiritual liberty within a community living under the rule of the Word in Christ and scripture integrating the Lord's Supper with the whole of life and engaging in the mission of God from an experience of grace Together the writers present an understanding of prayer and life in which Christ is both the final authority and the measure of all things **Washington News Letter** ,1905 **The Narrow Road** David W. living word Jesus This is exactly what the apostle Peter gives us in his two short but often overlooked letters In Keys to Holiness Dr Joyce Venaglia unlocks for us in her own unique simple style a rich treasure from her years living a life of silence prayer and meditation Dr Joyce found each chapter each verse and each word to be a goldmine of spiritual inspiration leading to a life lived in deep union with God which is possible for everyone seeking a deep love relationship with God This volume does not cover all of Joyce s meditations on First Peter but is like a glimpse of the best that is yet to come The book is not meant to be read as a novel but slowly and prayerfully with a resolution to allow maybe just one key to penetrate deeply into one s heart and mind In the process one is transformed as Peter was into a living replica of the word Jesus Dr Joyce is a member of the third order of Franciscans She founded the Hermitage Ministries in 1974 while living as a hermitess in West Virginia In 1981 she was commissioned as a lay Catholic evangelist She is the author of four other inspirational books and many published articles Dr Joyce has traveled extensively giving teaching seminars retreats and parish missions on healing and prayer Besides sharing from her love for writing she is also a poetess and an artist all born from her life of prayer Dr Joyce Venaglia known to the world as Sister Joyce and a noted spiritual writer and director leads the way once again in this powerful message for all Christians to lead a life of deep holiness following in the steps of our beloved Apostle Peter
