The lake is surrounded by large, rugged mountains with patches of snow or light-colored rock. The sky is overcast and grey. The overall mood is contemplative and serene.

911 Hello Mr. God Rev. Rayka Stasiak, 2012-01-31 We have struggled for the last 2 000 years with the karmic lessons and experiences of power technology and love Now we are entering a new evolutionary period calling for the balancing of the scientific and spiritual worlds within the individual and planet Mankind stands at the thresholds the decision point of whether to accept what it is being told by the masses is for the highest and best good or instead to listen to its own inner voice At the heart of the matter is the opportunity to choose to cooperate rather than compete brotherly love and assistance rather than hate and violence It is time to observe objectively and logically the world situations that have resulted from fear and competition which is against Universal Law There are certain responsibilities we must face We are responsible for our own thoughts and actions We have made agreements a long time ago that we will have to face if we wish to reach true self freedom This book will help us improve our understanding of life from both a human and spiritually based perception After internalizing this information we may feel inspired to transform our life heal ourselves and infect others with positive perceptions of life and greater compassion We will learn how to interact with Universal energy in a constructive manner so that we may better manage our reactions With a clearer understanding of spiritual energy and Universal Law we

will be able to manage or stop the drama from repeating over and over again like a virus It is now time to begin **Jesus Was Thin** Elvin Adams,2010-02-01 A review of the Bible s take on obesity gluttony and loss of self control The formula for lasting behavior change based on scripture Jesus was thin and has the power to make anyone thin **Rediscovering God** Heyes, Zacharias,2020 In Discovering God Fr Zacharias Heyes invites us to walk a new path toward rediscovering God amid our everyday life **One More Miracle** Kenneth Foley,2017-03-03 If you could wish for a miracle what would it be Are miracles still possible This book assumes miracles are not only possible but can and do happen every day You can receive miracles yourself and when we combine miracles with the technology of the future we can do things beyond our imagination What technology will we have in the future that will make life better Will it enable us to go to the moon planets and even one day to the stars This forty day program may just increase your faith and possibly save your life someday Read it and see if it jump starts your life into another spiritual gear that may save your life someday **I Do Declare!** Julie Treimer,2005-11

God Has Something to Say About That... Danielle Martin Moffett,2009-01-29 No profit on the earth is worth our eternal soul There is a barrier that has been erected that hinders the church from receiving the fullness of God s Kingdom Blessings Excessive reasoning is the culprit There is only one answer powerful enough to tear down this stronghold of the mind When this truth is obeyed God supernaturally positions us to be fruit bearing disciples of Jesus Christ We are able to turn the world upside down by our good works and enabled to speak the Word of God with great passion and boldness The wealth of the Kingdom is ordained to be in the hands of God s people for a purpose Does God Need the Church? Gerhard Lohfink,2014-12-16 Are not all religions equally close to and equally far from God Why then the Church Gerhard Lohfink poses these questions with scholarly reliability and on the basis of his own experience of community in Does God Need the Church In 1982 Father Lohfink wrote *Wie hat Jesus Gemeinde gewollt* translated into English as *Jesus and Community* to show on the basis of the New Testament that faith is founded in a community that distinguishes itself in clear contours from the rest of society In that book he also described a sequence of events that moved directly from commonality to a community that was readily accessible to every group of people and was made legitimate by Jesus himself Only later did Father Lohfink learn within a new horizon of experience that such a description is not the way to community The story of the gathering of the people of God from Abraham until today never took place according to such a model Today Father Lohfink states that he would not write *Wie hat Jesus Gemeinde gewollt* the same way The situation of belief and believers has undergone a shift the question of the Church has become much more urgent Church life is declining and the religions are returning often in new guises In light of these shifts and the change in his own view of community Father Lohfink inquires in *Does God Need the Church* of Israel s theology Jesus praxis the experiences of the early Christian communities and of what is appearing in the Church today These inquiries lead to an amazing history involving God and the world a history that God presses forward with the aid of a single people and that always turns out differently from what they think and plan *The Battle Worth Fighting*

Julie Ann Allen,2018-10-30 When we first become parents we don't imagine ever being single parents. Regardless, this is where we are. Instead of evaluating God's love based on your circumstances, evaluate your circumstances through the lens of God's love. This is what it is to co-parent your children with God. *The Battle Worth Fighting* is both a practical guide to approach the challenges of raising children in this current culture with the social influences they face, as well as a guide to spiritual development and growth for your children and you. Let God be the authoritative parent for your children. Establish the boundaries you know God is leading you to establish. Place your priorities where God is showing you to place them. Your prayer request is to hear his call and move in the direction he leads. This is a game changer. Instead of seeking the path to acclaim and earthly accomplishments, we seek what God values and wants for us and for our children. This is what provides the foundation for how you parent your children and who you teach them to turn to as the authority in their lives. God is calling us to invest in our children so they can become who God had in mind when he created them. *Scripture Prayers for Everyday Use*

Stephen Grunlan,2004-08-02 There are hundreds of prayers recorded in the Bible. As we read these prayers by people in the Bible, we find they faced the same everyday situations we face and said what we want to say. We can use their words to help us communicate with God. When we struggle to express ourselves to God, it helps to see how others addressed him in similar circumstances. Dr. Stephen Grunlan has compiled these prayers by topic and written an introduction for each topic. He has made available the prayers from Scripture for our everyday use. **My God, Do You Love Me?** Brenda Hunter,1998 Explores the question of God's love for his sinful followers through inspiring meditations and carefully selected biblical passages, reassuring readers about the foundations of their faith and addressing other questions about doubt, despair, and meaning. *Saying Yes to God*

Timothy C. Geoffrion,2017-05-31 *Saying Yes to God* is written to help maturing Christians better recognize the voice of God and the leading of the Holy Spirit. The book is a practical resource for those looking for fresh insight to break through barriers and personal limitations in their relationship with God. In effect, this book offers hope to all those who earnestly want to know God better and to live Christ-centered, Spirit-led lives. Readers will not feel judged or shamed but will hear a gentle but firm and persistent call to believe that God truly is at work in their lives, calling and leading them. Not only can they learn to recognize the Spirit's voice better, but they can learn how to work with God in tremendously satisfying and fruitful ways. This book's particular contribution lies in its simple presentation of important spiritual concepts, use of illustrations drawn from the author's spiritual life coaching practice, and global teaching ministry, and special emphasis on how to love others better as an outflow of one's faith and personal relationship with God.

Face to Face Marty Folsom,2016-08-31 Like falling in love, this book argues that a relationship with God begins with surprise, proceeds with discovery, and shapes a life that comes to share a story of love. This book does not describe God but pursues the nature of personally relating with the triune God. Consequently, it also engages how we relate with humans made in God's image. We finish the Face to Face series with this most mysterious and fulfilling encounter: a personal engagement.
