God In Society Doing Social Theology In Scotland Today:

God in Society William Storrar, Peter Donald, 2003 A range of ecumenical thinkers explore the rich variety of ways in which Christians and churches are doing social theology in Scotland in the 21st century

The History of Scottish Theology, Volume II David Fergusson, Mark Elliott, 2019-09-12 This three volume work comprises over eighty essays surveying the history of Scottish theology from the early middle ages onwards Written by an international team of scholars the collection provides the most comprehensive review yet of the theological movements figures and themes that have shaped Scottish culture and exercised a significant influence in other parts of the world Attention is given to different traditions and to the dispersion of Scottish theology through exile migration and missionary activity The volumes present in diachronic perspective the theologies that have flourished in Scotland from early monasticism until the end of the twentieth century The History of Scottish Theology Volume I covers the period from the appearance of Christianity around the time of Columba to the era of Reformed Orthodoxy in the seventeenth century Volume II begins with the early Enlightenment and concludes in late Victorian Scotland Volume III explores the long twentieth century Recurrent themes and challenges are assessed but also new currents and theological movements that arose through Renaissance humanism Reformation teaching federal theology the Scottish Enlightenment evangelicalism missionary Biblical criticism idealist philosophy dialectical theology and existentialism Chapters also consider the Scots Catholic colleges in Europe Gaelic women writers philosophical scepticism the dialogue with science and the reception of theology in liturgy hymnody art literature architecture and stained glass Contributors also discuss the treatment of theological themes in Scottish literature

Mission as God's Spiral of Renewal R. Ross, 2019-02-06 In this remarkable volume covering diverse subjects in a span of three decades Kenneth R Ross articulates his views on the meaning and practice of Christian mission and challenges the binary view of mission that prevailed before the 1950s He further reflects on Scotlands experiences in the world wide Christian mission and demonstrates the centrality of Africa in any discourse on Christianity This volume is invaluable in its argument for a rethinking of Christian mission especially in relation to the West which is now a new frontier for Christian mission The book will be immensely beneficial to students of missiology and general readers who are interested in the subject of Christian Mission

The Community of the Weak Hans-Peter Geiser, 2013-03-28 Social postmodernism and systematic theology can be considered the new pair in some of the most creative discussions on the future of theological method on a global scale Both in the academy and in the public square as well as in the manifold local and pastoral moments of ministry and community social activism the social the postmodern and the theological intermingle in engaging and border crossing ways The Community of the Weak presents a new kind of jazzy fundamental theology with a postmodern touch using jazz as a metaphor writing ethnographically messy texts out of the personal windows of lived experiences combining fragments of autobiography with theological reconstruction A comparative perspective on North American and European developments in

contemporary systematic theology serves as a hermeneutical horizon to juxtapose two continents in their very different contexts The author proposes a systematic and fundamental theology that is more jazzy global and narrative deeply embedded in pastoral ministry to tell its postmodern story

Queer and Indecent Thia Cooper,2021-03-31 The work of Marcella Maria Althaus Reid is both groundbreaking and notoriously difficult to read as it blends theories from post colonial studies queer studies gender and sexuality studies and feminist and liberation theologies Offering a much needed introduction to the work of the theologian Queer and Indecent shows the development of Althaus Reid s core concepts indigeneity economic oppression the body indecency heterosexuality and sex as well as setting her life in context with an overview of her stance on feminist teaching and activism and her critique of Latin American liberation theology Designed to introduce a new generation to her work the book serves as both an indispensable guidebook and a launchpad for students to explore her extraordinary writing for themselves

Religion and Ecology in the Public Sphere Celia Deane-Drummond,Heinrich Bedford-Strohm,2011-04-28 A collection of essays from top scholars in the field of Religion and Ecology that stimulates the debate about the religious contribution to ecological debate

The Story That Chooses Us George R. Hunsberger,2015-04-09 Over the course of several decades missiologist George Hunsberger has written numerous essays on crucial themes for the church s recovery of its missional identity and practice The Story That Chooses Us brings these essays together for the first time The book as a whole presents a composite sense of the missional identity and faithful witness to which the church is called in contemporary Western society Hunsberger engages with well known missiologist Lesslie Newbigin throughout his work as he carefully discerns biblical and theological roots for a contemporary vision of missional theology The recurring themes in Hunsberger s essays provide both theological mooring and practical guidance for churches following Christ on the missional path

Entering the New Theological Space John Reader,2016-05-06 This book presents theological reflections on the changing nature of church mission and Christian identity within a theology of blurred encounter a physical social political and spiritual space where once solid hierarchies and patterns are giving way to more fluid and in many ways unsettling exchanges The issues raised and dynamics explored apply to all socially produced space thus tending to blur that most fundamental of theological categories namely urban vs rural theology Engaging in a sharper way with some of the helpful but inevitably broad brush conclusions raised by recent church based reports Mission shaped Church Faithful Cities the authors examine some of the practical and theological implications of this research for the issue of effective management and therefore church leadership generally Speaking to practitioners in the field of practical theology as well as those engaged in theological and ministerial training key voices encompass dimensions of power and conflict and identify some of the present and future opportunities and challenges to church faith based engagement and leadership arising from blurred encounters Contributors practitioners and theorists cover a wide spectrum of interdisciplinary professional contexts and academic denominational interests Contributors include John Atherton John Reader Helen

Cameron Martyn Percy Malcolm Brown Karen Lord Clare McBeath and Margaret Goodall The Wiley Blackwell Companion to Practical Theology Bonnie J. Miller-McLemore, 2014-01-07 Through a series of essays contributed by leading experts in the field The Wiley Blackwell Companion to Practical Theology presents an introduction to practical theology as a major area of Christian study and practice including an overview of its key developments themes methods and future directions The first comprehensive reference work to provide a survey description and analysis of practical theology as an area of study A range of leading scholars in the field provide original contributions on the major areas issues and figures in practical theology Reviews an extensive range of methods for studying theology in practice along with sub disciplines in theological education such as pastoral care and preaching Covers developments in the discipline in a range of global contexts and distinct Christian traditions Shows how practical theology is relevant to everyday life *Controversies in Political Theology* Thia Cooper, 2007-07-30 *Controversies in Political Theology* addresses the question of whether Christians should be struggling towards development or liberation It explores the theologies of development and liberation from their beginnings in the 1960s through their changes to the central arguments today The contrasts are examined in the practice of faith based aid agencies The understanding of how to practice justice differs widely for development theology and liberation theology Whilst the theology of development remain focused on the economic realm on trade and consumption the theology of liberation expands the discussion beyond the economic realm to deal with politics race gender and culture more generally These different concepts of justice lead to very different actions in communities around the world This book provides students with access to an in depth view of these practices in a clear and concise context The book looks not only at the theologies themselves but also how they came to emerge and how they stand in contrast across the globe today **You Shall Love the Stranger as Yourself** Fleur S Houston, 2015-03-24 *You Shall Love the Stranger as Yourself* addresses the complex political legal and humanitarian challenges raised by asylum seekers and refugees from a Biblical perspective The book explores the themes of humanity and justice through exegesis of relevant passages in the Old and New Testaments skillfully woven into accounts of contemporary refugee situations Applying Biblical analysis to one of the most pressing humanitarian concerns of modern times Houston creates a timely work that will be of interest to students and scholars of theology religion and human rights **A Place of Refuge**, 2005 *A Place of Refuge* tackles the topical issue of asylum in the UK Against a background of ignorance racism and media bias the Christian Church is called by God to show care of the marginalized After exploring this biblical call to offer hospitality *A Place of Refuge* examines the claims made against refugees that they are lazy uneducated or involved in criminal activity and uses statistical evidence to show that these claims are largely unfounded It explains the legal and factual basis of the asylum system and highlights the positive contribution that refugees make to the UK It includes practical suggestions for action at a local and national level useful contacts and resources Based on up to date detailed research this study is a positive and challenging contribution to an important debate

Transfiguring Capitalism John Atherton, 2008 Addresses key problems in contemporary life and raises important questions about our growing awareness of the limits of contemporary ways of living with modern economies and modern religion This book explores possible alternatives to such capitalism
