Brewer,2005-09-16 Throughout this book readers will learn interesting and insightful facts about biblical culture and customs and be shown the practical application to their lives At the end of the book are five questions for each chapter which refer to the Bible or challenge readers personal walk with the Lord **Virtue** Gordon Loud,2012-07-01 Why do billions of people readily embrace belief in the virtue of religious faith Explore the virtues we value and seek to uphold and discover the role religion and politics play in our beliefs concerning virtue Our virtuous aims lie at the heart of our manner of examining and method of questioning what we hold to be true concerning the world and religious faith VIRTUE presents an opportunity for readers to examine religious faith and its measure while it lays bare our desires for and pursuit of virtue From a position of clarity concerning our manner of thinking and beliefs the focus on virtue is directed toward universal virtues we can embrace value and pursue in our daily living for the benefits they bestow Where your virtue lies will shock your faith and will challenge you to embrace yourself and others in a better way **Metamorphosis** Russell M. Lawson,2019-09-10 This book is the culmination of many years spent addressing two questions Why did Christ come when He did And what happened as a result The first question has exercised the minds of countless theologians philosophers and historians those who assume through faith that the Son of God could determine whence He appeared among humans Why during the Roman Empire Why during the reign of Herod the Great or his successor Herod Archelaus Why not centuries earlier or centuries later Why at this particular time two thousand years ago Such answers as have been proposed that He arrived as the Messiah to fulfill God s promise to the Jews that He arrived when the Pax Romana provided the stability and continuity necessary for the spread of Christianity throughout the Mediterranean region that He arrived when humans needed Him most are sufficient if not wholly satisfactory answers to the question One way to approach the question Why did Christ come when He did is to ask the corollary And what happened as a result which provides a host of new possibilities He came to establish the Church He came to replace the Old Testament Law the old covenant with a new covenant He came to inaugurate the Great Commission to spread His Word throughout the world He came to save the world He inaugurated the greatest revolution in thought culture and society the world has ever seen before and since Which one is true What is the answer **Life Now** Jansher,2024-07-30 The capability of today s man has become so narrow that it is painful to imagine Today s human life is reduced to working eating sleeping and reproducing First they placed today s man in a certain place then gave him the wrong values National values patriotism ideological values They caught him at a certain point They closed all avenues for him They took away his chances Today s man knows nothing about life He sees nothing of creation Today s man never knows how far the beauty of nature and divine creation is spread He knows nothing Because his whole life is

spent fighting over things that are all lies and illusions his life is wasted fighting and struggling with his comrades He never gets anywhere That is why he is in agony Then few people take advantage of the facilities and the nations beat each other over the head they are busy enjoying life and creation The sole mission of humanity today is to provide land for certain groups to live on Human slavery today has become so brilliant that it has almost assumed the color of sanctity and godliness In the name of knowledge and education he learns the art of slavery in the first half of his life and in the second half he does his slavery They call it alive

All Manner of Things Jeffrey A. Vogel,2023-01-27 The

meditations in this collection originated from a series of questions about suffering death and eternal life put to the author by a friend who was dying from cancer These questions included How do we wait upon God and cancer at the same time What do we know of the God to whom we go when we experience only the silence of God in our suffering How do we long for heaven when what we want most is to continue on with our families and loved ones in this life Is heaven removed from this world Does the joy associated with it depend on ignorance of the suffering of those we leave behind And so on The meditations themselves are not intended primarily as answers to these questions so much as an attempt to enter into them more fully the goal being to think about how we might best inhabit those places where doubt and faith grief and hope forsakenness and grace are so often made to coexist For though the tension between suffering and hope cannot ultimately be resolved in this world we can look for ways to stand within it a little more boldly and to fall within it a little more boldly as well We can seek out words or images that allow us to speak about it a little more clearly a language that helps us to find rest in our longing and perhaps also longing in our rest
