

A scenic landscape at sunrise or sunset. The sun is low on the horizon, creating a bright glow and long rays of light. The sky is a deep blue with wispy clouds. Below the horizon, a vast sea of white clouds fills the valley. In the foreground, a dark, rocky slope leads down towards the clouds. The overall mood is peaceful and majestic.

God Is Everywhere

Rev. Fr. Leonard Vasalle

God Is Everywhere:

God Is Everywhere! Bob Jennerich, 2021-07-19 Do You Want a Closer Walk with God We all want close relationships Many of us feeling isolated from each other Sometimes we may even feel that God is distant or that He s not listening In those times we need to train ourselves to recognize our extraordinary God in ordinary life He s just as present in our most menial tasks and daily routines as He is in the grandeur of a clear starry sky This devotional book will help you walk more closely with Him There are 52 weekly devotions with no designated start date so you can begin today Each devotion begins with a story from ordinary life and then teaches a spiritual lesson You ll find questions at the end of each devotion for group discussion or individual personal reflection and journaling These devotionals will help you recognize God s presence in all you see and do He loves you so much and He wants a closer relationship with you too You ll be encouraged to know that God is not hiding God is Everywhere **Seek God Everywhere** Anthony De Mello, 2010-02-02 The Spiritual Exercises of St Ignatius is one of the great masterpieces of the Christian canon A series of meditations and practices that guides seekers on a journey to spiritual perfection this manual has been used by millions of religious and lay persons alike for centuries Now in the first new Anthony de Mello book in more than fifteen years the bestselling author of Awareness takes readers on an in depth exploration of the practices of St Ignatius and offers simple guidance and wisdom to help readers navigate the sometimes confusing byways on the journey to God Drawn from a series of talks de Mello gave before his untimely death in 1987 this book challenges us to achieve new levels of understanding and inner exploration with chapters on how to hear the voice of the divine the need for repentance and how to ascend to love in our day to day life A must have for fans of de Mello s work and anyone interested in learning to pray in profound and meaningful ways Seek God Everywhere is an inspirational and practical work that will transform your life *I See God Everywhere* Susan Traugh, Steven Traugh, 1997-03-01 For Lovers of God Everywhere Roger Housden, 2010-06 Roger Housden author of the best selling Ten Poems to Change Your Life celebrates the growing popularity of mystical poetry with this beautiful compilation from the Christian contemplative tradition Although the writings of the Sufi mystics Rumi and Hafez and the Indian mystics Mirabai and Kabir have reached a wide audience in recent years the poetry of the Christian mystics has yet to be discovered by a general audience For Lovers of God Everywhere a collection of nearly 100 poems from both historic and contemporary writers heralds the reemergence of the great spiritual voices of the Christian tradition a tradition with its own love songs to God cries of longing and bliss of union In this collection Roger introduces us to some of the foremost poets of both the Eastern and Western Christian traditions He takes us from the wisdom of the Desert Fathers to the passion of St Augustine through the medieval ecstasies of St Francis of Assisi and St Catherine of Siena to the subtleties of St John of the Cross and St Teresa of Avila and on to contemporary voices such as Rainer Maria Rilke T S Eliot and Mary Oliver Roger s insightful commentary on each poem inspires us to take its words more deeply into our souls and shows how the mystical tradition transcends sectarian divides

we can all take to bring more nonviolence into our world The Revelation of St. John the Divine - Volume 2 Herb Fitch,2011-11-28 This is the second book of two volumes which completes Herb Fitch s interpretation on The Revelation of St John the Divine It was transcribed word for word from the tapes of classes 14 through 25 of the Revelation Seminar he gave in 1970 Over the centuries John s Revelation was in plain sight yet not understood and the reason is because only the Christ Mind in man can reveal the Truth of Being Not until the year 1970 did a man who also experienced the Mind which was in Christ Jesus sit still in meditation over many months until at last the entire message of the Revelation was revealed once again That man was Herb Fitch For those of you who have learned to make that contact with Spirit within this book will now take you further on the Spiritual path This book will show you how to let that Spirit take over your life In other words it will help you to die out of humanhood and be a transparency for Christ bringing to you an actual awareness of your own Christhood It is suggested that you find a quiet place and read only one chapter at a time until Something calls to you from these pages Then put these writings down and walk away find a place and sit down to meditate on what has stirred you within I can tell you with a certainty born of experience that you can walk in another Dimension right here and right now a Kingdom an inner Temple not made with hands incomprehensible to the human mind It is the Dimension in which your Eternal Self walks It is the Kingdom in which your Spiritual identity resides It is an inner Presence the Spirit closer than breathing nearer than hands and feet and it must take over your entire living experience both within and without Only then will you be obeying the message You must be born of the Spirit While We Are Waiting Faith Christian,2012-05 Waiting requires time and sometimes we don t know just how much time we ll have Sometimes the time needed does not correspond with the time given In our waiting for the Lord time may exceed the endurance of our existence but when we as humans exit this earth our time stops only in the natural realm Our spiritual time is eternal and it keeps going What we do with our wait time determines where we will spend our eternal time The eternal time is eternal life with God which is the gift of God through Jesus Christ On the contrary side of eternal life is eternal damnation in the Lake of Fire with Satan While We Are Waiting is a passionate witness for some and a reminder for others that we are quickly approaching judgment day when we all will be judged Who will judge us Jesus Christ Himself Who can avoid this process Not one human being We will all be held accountable for what we have done during this period of waiting Knowing this can we say we know how to wait The most important part of waiting for the Lord is not the waiting itself but how we wait will be the key factor in our eternal fate Today We have God s mercy another chance to get it right but on that final day we will be judged on the basis of our lives and on the content of our characters and our works So I ask how will you wait **God Is Everywhere, Volume 2** D.
