Celebrate

The image features the text "Let's Celebrate" in a vibrant, pink, bubbly font with thick black outlines and a slight 3D effect. The text is arranged in two lines: "Let's" on top and "Celebrate" below it. The background is white and decorated with various colorful elements: small yellow, blue, and pink dots; larger yellow, blue, and pink stars; and several stars of different colors (blue, yellow, pink) hanging from the bottom of the letters by thin lines, resembling party streamers. The overall style is cheerful and celebratory.

The Call to Holiness Richard M. Gula,2003 The Call to Holiness was inspired by the fundamental conviction that spirituality without morality is disembodied and morality without spirituality is rootless In other words our moral life arises out of our spirituality to become its public face Furthermore what we do to nurture our spirituality through spiritual

practices can and ought to have an effect on our moral practices In the end spirituality and morality converge when we consider life as a whole rather than simply focus on individual actions in the moral life or devotional practices in the spiritual life
