THERE IS POWER IN PRAISE GODSWORD GODSWILL ONU,2015-03-08 God is fearful in praises and there is great power in praise If you have done all you know to do without success use the weapon of praise and the result you will get will blow your mind A classic example of the power of praise is when the people of Moab Ammon and Mount Seir came to battle with Jehoshaphat king of Judah The Lord fought for them as they sang and praised But I want you to notice that it was not praises alone that secured the victory for them Firstly they fasted secondly they prayed thirdly they believed God fourthly they appointed holy and sanctified people to offer praises and fifthly they sang and praised **The Holy Bible: Book of Job, Psalms, Proverbs, Ecclesiastes, and Song of Solomon** ,1876 **Israel and the Covenants in New Testament Times** Peter Williams, A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to

become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that

With this study on Moltmann's pneumatology the author recently obtained the doctor's degree from the Faculty of Theology of the Free University in Amsterdam First of all the book provides us with a thorough evaluation of the role the Holy Spirit plays in the theology of Jürgen Moltmann in its subsequent phases The author's conclusion is that despite all differences there is one constant factor the Spirit is always connected with freedom The Holy Spirit according to Moltmann is a liberating power Because the author is eager to place Moltmann's pneumatology repeatedly in the context of his theology as a whole and of its developments this book offers and that is a second quality an outstanding insight in the whole of Moltmann's
