God Is Your Partner:

A Marriage After God's Own Heart David Clarke, 2009-10-14 Isn't sexual or emotional intimacy enough? No says Christian psychologist Dr David Clarke. Spiritual bonding is the process by which a couple cultivates the presence of God in their relationship, he says, and it's the only glue that sustains relationships long term. Working with hundreds of couples, Clarke observes that when we take specific steps to keep God at the center of our relationships, every area of intimacy is energized. This book teaches men and women in a committed relationship how to pray together, create spiritual conversations, read and study Scripture together, hold private worship sessions, and allow the Holy Spirit to guide them. It's extremely practical counsel all couples need today.

This Is True Love Adam Wolfe, 2021-07-19 What is true love? How can so many people experience it while others seem to be missing out? In *This Is True Love*, author Dr Adam Wolfe helps singles and courting couples prepare for a lifelong loving relationship. He also helps married couples repair, strengthen, and enhance their relationship in ways they've never experienced or thought possible. And he offers discussion questions for those who have been divorced so they can reflect on what they've learned from past relationships and move forward with full confidence. Wolfe provides deep insights on the hottest topics that can either keep the flames of love alive or put the fire out. *This Is True Love* shares some hidden truths and helps you ponder the following questions: What do you expect to put into and get out of the marriage? What are your most important needs and desires? How will you handle and interact with family and friends? How will you make and manage money? How well do the two of you communicate? How much passion and intimacy is there in the relationship? Rooted in Scripture and with discussion questions included, Wolfe helps you understand more about yourself and or your partner and why some marriages succeed and others fail. It encourages you to make the right choices with your current or future partner.

It only requires a little effort on your part. Some of the issues addressed are communication skills and abilities, learn how to differentiate between harmful and effective communication, how to interact romantically even if it's not your typical approach, the secrets to a happy partnership, a hundred awesome things to say to your partner, bargaining with your partner and handling disagreement, communicate with confidence and assurance, conversing in a Christian manner, and much more.
