church youth group kids club and midweek Bible study programs      **Gleanings in Bee Culture** ,1885      **God's Love on a Merry-Go-Round** Margaret Pearce,2010-04 Her love of God and love for a man led Delia down a path of thrills chills and unexpected changes Raised in a small town by a poor Irish farmer and his wife she was knowledgeable of many of life s ups and downs As the oldest of twelve children she knew what it took to keep a house running and how to care for others Her mother a devout Christian raised them in church and daily referred to the Bible to explain why they should respond to life s problems Being a Christian she knew in her heart what was Godly and what was not Her father a fun loving whiskey drinking jig dancing hard working man was a believer but not a practitioner Her well endowed bosom caused her young life to be filled with ridicule from her school age peers She longed for someone to see her as she was a caring God loving young woman with the desire and the ability to make a good wife and mother Fulfillment of her dreams began to unfold the day she left home with the son of the owner of a traveling carnival She was in for the ride of her life      **The Church and the Surprising Offense of God's Love (Foreword by Mark Dever)** Jonathan Leeman,2010-01-08 When the world speaks of love it often means unconditional acceptance Many churches have adopted this mind set in their practice of membership and discipline if they have not done away with such structures entirely Yet God s love and God s gospel are different than what the world expects writes Jonathan Leeman They re centered in his character which draws a clear boundary between what is holy and what is not It s this line that the local church should represent in its member practices because the careful exercise of such authority is God s means for guarding the gospel marking off a people and thereby defining his love for the world So how should churches receive and dismiss members How should Christians view their submission to the church Are there dangers in such submission The Church and the Surprising Offense of God s Love responds with biblical theological and practical guidance from both corporate and individual perspectives It s a resource that will help pastors and their congregations upend worldly conceptions and recover a biblical understanding and practice of church authority      God Is Speaking - Are You Listening? My Story Steven W. Raasumaa,2002-07-11 In July 1998 GOD approached a man to assist GOD and channel his will into the written word This book is the result of that conversation GOD is responsible for the flow topics and discussions The man simply wrote what GOD spoke and what thoughts he received GOD is speaking Are you listening My Story is GOD S full disclosure to his human family including his laws of Life and Death He speaks to Steve as a friend That is a friend of GOD S chosen by GOD The fact that anyone would be allowed to hear his voice is astonishing In this day and age of miracles is it so far fetched not to believe He speaks to Steve of his world Heaven He speaks of his Love for his human family GOD tells it like he sees it No soft touch no political correctness just the plain truth GOD S Truth July 5th 1998 4 00 P M I AM the GOD of ALL The reason for this writing is that the stories I AM about to unfold to you through my friend Steve are stories to teach inspire and to create hope Hope in that when you greet me in my Heavenly Kingdom you will have a better understanding appreciation and moral imperatives necessary to the alleviation of your guilt I AM in the world as a

spirit of Love hope divine inspiration and most of all understanding I have tried to conquer you and your fears by sending messengers to your world Moses Abraham Isaac and Jesus the Christ I have been alive 50 million of your Earth years and the stories I AM about to tell you are just one of many told countless times in my Kingdom

**An Infinite God and a Father-Son God** Kenan Osborne, 2019-05-29 In this last work Kenan Osborne addresses the intersection between new scientific insights into the origin of the human species and the growing awareness of a multicultural and multi religious world with our contemporary understanding of God After a review of current presentations of Trinitarian theology he analyzes in detail the biblical record for the names of God and develops a cogent description of the thinking about God in the first six centuries Complementing his 2015 volume *The Infinity of God and A Finite World A Franciscan Approach* this present work challenges theologians and believers in two distinct ways Do the terms Father and Son have any essential meaning for divinity From a human standpoint God is essentially neither a Father nor a Son Nor do these two words have some exclusive meaning when they refer to divinity What then do we mean when we talk about God Second in many theological textbooks the term infinite is considered as an attribute of God Infinity is in no way an attribute even a divine attribute It is rather an essential description of God as the Franciscan philosophical theologian John Duns Scotus argues And if this is so can we really understand God or are all our views and descriptions of an infinite God partial insights into a transcendent infinite God who embraces all human creatures from the beginning of homo sapiens sapiens to the present
