FROM THE WORD ONE TO ONE

God Made Known

G. K. Beale

God Made Known:

What Was Possible God Made Known Irving T. Townsend, 2017-09-14 If the experiences and other answers provided in this book were accounted for in any of the many books I have read then there is a certainty that I would have been spared the agony and the loss of time and other resources due to ignorance and a misguided lifestyle The tabooed subject of demons is reserved for fiction and is considered the figment of the imagination of the people of the medieval times It is now fashionable to dismiss the subject based on ones status and the persons with whom one associates The book accounts for personal encounters with the unseen and details the painful struggles of the author to break from the grip of an orchestrated demonic spell The book declares also that the theory of evolution by its own account of the process irreversibly leads to a supreme being Disaster disease and destruction provide knowledge necessary for the eternal state and God is unwilling to let mankind enter eternity as ignoramus There are benefits to be gained from the materials of this book and I believe the experiences and thoughts shared will improve in significant ways the lot of every reader and others with whom they share these gains

God Made Known Mervyn A. Warren, 1984 God Has Made Known Evan A. Birkby, 2023-01-15 God makes himself known in the Gog Magog war God has also made known the identity of the Two Witnesses There are biblical answers to questions about major prophetic events We may not know the date when something will happen but we can know how prophetic events relate to each other Through careful study of the prophetic scriptures many things can be known about both the past and the future In this book the reader will learn who the Two Witnesses in Revelation are The identity of the beast spoken of by Daniel and by John the apostle will be revealed The reader will learn the last trump is not the seventh trumpet The three woes in Revelation will be identified to reveal a mystery inside an enigma Biblical revelations in the Bible will surprise many devoted Bible students Scripture can explain other scripture and the connections can be amazing and involve both the Old and New Testament Greater clarity will be given on some of the most misunderstood and controversial topics in end times prophecy Multiple timelines tables and maps are presented to explain various end times prophetic teachings The Bible has many prophecies that are still future and the Christian ambassador for Christ can learn how these events will impact the ability to be a faithful witness God s word is a light to our path

The Book of Revelation G. K. Beale, 2013-09-07 This commentary series is established on the presupposition that the theological character of the New Testament documents calls for exegesis that is sensitive to theological themes as well as to the details of the historical linguistic and textual context Such thorough exegetical work lies at the heart of these volumes which contain detailed verse by verse commentary preceded by general comments on each section and subsection of the text An important aim of the NIGTC authors is to interact with the wealth of significant New Testament research published in recent articles and monographs In this connection the authors make their own scholarly contributions to the ongoing study of the biblical text The text on which these commentaries are based is the UBS Greek New Testament edited by Kurt Aland and others While engaging the major

questions of text and interpretation at a scholarly level the authors keep in mind the needs of the beginning student of Greek as well as the pastor or layperson who may have studied the language at some time but does not now use it on a regular basis

The Works of the Right Reverend Father in God Thomas Wilson, Fifty-eight Years Lord Bishop of Sodor and Man Thomas Wilson, Clement Cruttwell, 1782 *For Your Quiet Meditation* William Flewelling, 2014-12-16 These meditations take a verse from one of the lectionary texts not chosen for preaching for a given service and offer a devotional reflection on the verse often using the context of the entire pericope as described in the lectionary I try to make them worth the while of my readers finding a fairly broad readership among the congregations I served through the years The Reason God Made the World Jason Dollar, 2013-09 The Reason God Made the World is an intense and accessible view into the mind and heart of Jonathan Edwards 1703 1758 Edwards was one of America's most prolific thinkers and most cherished pastors However his writings are often difficult for modern readers to process In The Reason God Made the World Edwards language has been updated for modern English readers Included are three of Edwards most well known sermons and perhaps his most powerful theological work The End for Which God Created the World Updating the language to modern English allows readers to focus on the content of Edwards message without getting lost in a tangle of archaic sentences and paragraphs Readers will feel the weight of the glory of God on every page and will be moved to see Christ Jesus high and lifted up Worship will most likely be the result of soaking in these updated works **The American Friend**, 1900 An Exposition of the Old and New Testament. In Six Volumes ... By Matthew Henry ... Vol. 1. [-6.], 1791 **The Complete Works of John Bunyan** John P. Gulliver, 2023-06-13 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **Notes on the Book of Numbers** Charles Henry Mackintosh, 1869 An indepth study of the book of Numbers chapter by chapter *Invitation to Dogmatic Theology* Paul C. McGlasson, 2019-05-14 McGlasson's book is a pointed powerful and hard hitting outline and defense of the way dogmatic theology must grow out of and be defined by the canonical shape of the Word in its witness to the risen Lord This is a book that will rustle feathers at a time when feathers need rustling in a church that has allowed our grasp of God's truth to slip away from its scriptural and Christological moorings Written with clarity and helpful argumentative sweep and summary McGlasson raises challenges that must be faced by all pastors seminarians and theologians Ephraim Radner author of *Hope among the Fragments* A welcome addition to the growing body of literature on theological method and authority Major influences on the author include Brevard Childs and Karl Barth Donald G Bloesch Emeritus Dubuque Theological Seminary Persuaded that both liberal and evangelical theologies fail to convey the mature consensus of historic and canonical Christian faith Paul McGlasson offers a passionate and learned defense of his own proposal Although readers will not find all of his criticisms or suggestions convincing this book will provoke illuminate and display the enduring relevance of dogmatic

theology for the life of the church Michael Horton Westminster Seminary Paul C McGlasson is an ordained minister in the Presbyterian Church USA He received his MDiv from Yale Divinity School and his PhD from Yale University in Systematic Theology He is the author of several books including God the Redeemer Canon and Proclamation and Invitation to Dogmatic Theology McGlasson has served the church both as a parish minister and as a teacher of theology in college and seminary

The Impossible Way: The Way, The Truth & The Life (The Complete Trilogy) Marcus A. Allen, 2020-03-23 The words of this book are based upon Christ's declaration I am the way the truth and the life St John 14:6 This Holy Ghost inspired book will have every reader reexamining their faith in Christ their walk in God and even the way they currently display God's Agape love in this world I am come unto you as a friend and truly I write unto you in much fear and trembling in the Holy Ghost I come not in mine own name but in the name of him who has sent me to testify unto the truth and in him is no lie even he which is Jesus Christ our Lord Now there is utterly a fault in the church from the least to the greatest those who preach haven't been sent to preach and those who teach have not the anointing and those who prophesy unto you have prophesied a lie because they have altogether deceived the people and because of your carrying away you shall be one with their damnation While reading this book you shall learn the truth of your God and Creator and of his Son Jesus Christ You shall learn how to identify the voice of God in your hearing and how he speaks to you You will learn how and why the Lord God is so attached to man and why he loves man so much You will learn why you must be born again moreover you will discover what it is you need to do what's your part in the kingdom of God to truly be a light to others in this world You will discover the reason why both faith and love are the keys to life in the kingdom of God and the role they play in salvation You will learn how to properly utilize and deploy your faith in a powerful new way And even though you might know the basics of faith today you will learn why its works have been a great mystery to the church Today we will unlock this mystery together and you will find that you now not only can please God but that you will also learn how easy it is for you to do his will and overcome all things by faith You will also learn who your heavenly Father really is as you come to realize that he has been waiting a long time to meet you Above all else you will learn the reasons why the miracles spoken of in St Mark 16:16-18 are not occurring in the church today and why the ministers and preachers of our day have not been bringing forth the word with signs following as had the apostles You will be taught many things that you may have never been taught in the church or have been taught improperly such as the Constancy the Fidelity and the Faithfulness of God in the reality of himself You will learn not only what these words mean but you will learn how to apply them to your life as you grow in Christ Little children I am only asking of you is to listen to his voice today This book is a book of instructions given in hopes of making YOU ALL true Disciples of Christ My one and only prayer for you all is that you don't miss out on the opportunity to learn the truth about your heavenly Father so that you do not go The Impossible Way **Notes, Explanatory and Practical, on the Epistle to the Romans** Albert Barnes, 1848 **The Claim of God** Ethan A Worthington, 2016-01-28 Through close readings of Karl

Barth's theological work from 1916 to 1929 this book offers an exposition of Barth's doctrine of sanctification in his earlier theology arguing that from his earliest writings after 1915 the doctrine of sanctification was one of the key theological components used in describing the encounter between God and humanity in a positive and concrete manner This book both fills an important gap in Barthian scholarship and responds to the appeal by other recent interpreters of Barth's theology for a more balanced and careful exposition of his work Throughout the course of this exposition the force of Eduard Thurnyese's wonderfully insightful comments about Barth show themselves to be fruitfully borne out within his work from early on That is Karl Barth's theological thinking was from the beginning directed to the life of man the life of man on the one side and on the other the Word of God that meets this life lays hold of it and transforms it *Love Out Loud* Joyce Meyer, 2011-11-02

Jesus said You must love the Lord your God with all your soul and with all your strength and with all your mind and your neighbor as yourself Luke 10:27 If one had to choose a single verse in the Bible that is a formula for successful living this would be the one to live by says Joyce Meyer love God yourself and others in that order Many Christians get mixed up about love They know they should love God and others but many do not understand that loving oneself is one third of God's equation They mistakenly think of it as selfishness or self aggrandizement Joyce Meyer believes that this misconception is one of the greatest pitfalls in the Christian journey Loving oneself in a balanced healthy manner is essential in order to have healthy relationships with God ourselves and others Drawing upon her previous work and teaching series as well as original devotions the author of *Power Thoughts* examines the three loves that we've been commanded to exhibit **Sabbatum Redivivum: Or The Christian Sabbath Vindicated**; Daniel Cawdrey, Herbert Palmer, 1645 **NIRV, Backpack Bible, Leathersoft, Blue/Silver** Thomas Nelson, Zondervan, 2018-03-13 The NIRV Backpack Bible is perfect for kids on the GO The compact size is ideal for home school or church use and fits easily into even the smallest backpacks Now in a larger more readable 8 point font **Ephesians** Ernest Best, 1998-01-01 A major introduction translation and verse by verse commentary Professor Best provides an overall view of Ephesians which demonstrates the power and consistency of its author's work Among the many important elements in this commentary Ernest Best explores for example the relationship between the primarily theological aspects of Ephesians which concentrate on the nature of the church and the primarily ethical aspects which concentrate on the behaviour of members of Christian communities towards one another An indispensable reference for scholars students and clergy **Sacra Pagina: The Gospel of John** Francis J. Moloney, SDB, 2023-06-13 No other book of the New Testament has attracted as much attention from commentators as the Fourth Gospel It has stirred minds hearts and imaginations from Christianity's earliest days In The Gospel of John Francis Moloney unfolds the identifiable point of view of this unique Gospel narrative and offers readers heirs to its rich and widely varied interpretative traditions relevance for their lives today The Gospel of John's significance for Christianity has been obvious from the time of Irenaeus It was also fundamental in the emergence of Christian theology especially in the trinitarian and christological debates that produced the

great ecumenical Councils from Nicaea to Chalcedon What sets this commentary on the Fourth Gospel apart from others is Moloney s particular attention to the narrative design of the Gospel story He traces the impact the Johannine form of the Jesus story has made on readers and explicates the way in which the author has told the story of Jesus Through this he demonstrates how the Gospel story articulates a coherent theology christology and ecclesiology
