God Of Compassion:

Compassion Henri J. M. Nouwen, Donald P. McNeill, Douglas A. Morrison, 2006-01-17 In this provocative essay on that least understood virtue compassion the authors challenge themselves and us with these questions Where do we place compassion in our lives Is it enough to live a life in which we hurt one another as little as possible Is our guiding ideal a life of maximum pleasure and minimum pain Compassion answers no After years of study and discussion among themselves with other religious and with men and women at the very center of national politics the authors look at compassion with a vigorous new perspective They place compassion at the heart of a Christian life in a world governed far too long by principles of power and destructive control Compassion no longer merely an eraser of human mistakes is a force of prayer and action the expression of God's love for us and our love for God and one another Compassion is a book that says no to a compassion of guilt and failure and yes to a compassionate love that pervades our spirit and moves us to action Henri Nouwen Donald McNeill and Douglas Morrison have written a moving document on what it means to be a Christian in a difficult time

Morality and Religion Avi Sagi, 2021-08-27. The relationship between morality and religion has long been controversial, familiar in its formulation as Euthyphro's dilemma: Is an act right because God commanded it, or did God command it because it is right? In *Morality and Religion: The Jewish Story*, renowned scholar Avi Sagi marshals the breadth of philosophical and hermeneutical tools to examine this relationship in Judaism from two perspectives. The first considers whether Judaism adopted a thesis widespread in other monotheistic religions: known as divine command morality, making morality contingent on God's command. The second deals with the ways Jewish tradition grapples with conflicts between religious and moral obligations. After examining a broad spectrum of Jewish sources, including Talmudic literature, Halakhah, Aggadah, Jewish philosophy, and liturgy, Sagi concludes that mainstream Jewish tradition consistently refrains from attempts to endorse divine command morality or resolve conflicts by invoking a divine command. Rather, the central strand in Judaism perceives God and humans as inhabiting the same moral community and bound by the same moral obligations. When conflicts emerge between moral and religious instructions, Jewish tradition interprets religious norms so that they ultimately pass the moral test. This mainstream voice is anchored in the meaning of Jewish law, which is founded on human autonomy and rationality and in the relationship with God that is assumed in this tradition.
